The April Anglers.

Now from his nubbish does the trout
Look sharply out,
To keep upon the wandering fly
An anxious eye;
And carefully his optics scan
The quiet man
Who seeks to lure him from his pool,
An April fool.

Forth do the eager anglers fare,
Devoid of care,
And seek, afar from busy streets,
Their usual beats,
Where in his cool and quiet bel
The fish of fel
And lazy trout can now be caught,
Or dearly bought.

But others seek the mountain streams,
Where sudden gleams
Tell of as true and game a fish
As heart can wish—
A fish whose senses, keen and sly,
Can judge a fly;
Who calls for patience, nerve, and skill
To break his will.

Good luck with all the anglers go!
And may they know
The keenest joys of their pursuit,
And gain, to boot;
And when, with baskets full, they come,
Recruited, home,
May they omit, to our surprise,
The usual lies.

General Notes and News.

It is denied that the Sultan of Turkey is ill.

If you want fast colors and brilliant shades use the popular package Star Dyes.

Parties in Germany are preparing for a general election.

Holloway's Corn Cure destroys all kinds of corns and warts, root and branch.

The British campaign in the Soudan is ended.

Do not delay in getting relief for the little folks. Mother Graves' Worm Exterminator is a pleasant and sure cure.

A conference of Grand Trunk officials was held at Toronto on the 27th.

We notice that agricultural newspapers all over the country are now exposing the worthlessness of the long packs of horse and cattle powders. We put the ball in motion and claim the credit of it. *Sheridan's Cowdery Condition Powders* are absolutely pure, and are the only kind worth buying.

Pianofortes were invented in Dresden in 1729.

There are probably a hundred or more persons in this and neighboring towns who daily suffer from the distressing effects of kidney troubles, who do not know that *Johnson's Anodyne Liniment* is almost a sure cure. In severe cases great relief may be obtained, if not a perfect cure.

Mr. Parnell expects his party to carry 75 seats at the next general election.

PALE, WORBEGONE INVALIDS suffering from poverty of the blood, bilious sufferers and those whose circulation is depraved, should use without delay Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the celebrated blood purifier, which stimulates digestion, increases the nutritive properties of the blood, and expels impurities from the system.

Cards were invented by a Frenchman for the amusement of the demented Charles VI.

D. Sullivan, Malcolm, Ontario, writes: "I have been selling Dr. Thomas' Eclectric Oil for some years, and have no hesitation in saying that it has given better satisfaction than any other medicine I have ever sold. I consider it the only patent medicine that cures more than it is recommended to cure."

A Peterborough hotel, undermined by the spring freshet, collapsed last week.

Mr. Parpetus Boileau, Ottawa, says: "I was radically cured of piles, from which I have been suffering for over two months, by the use of Thomas' Eclectric Oil. I used it both internally and externally, taking it in small doses before meals and on retiring to bed. In one week I was cured, and have had no trouble since. I believe it saved my life."

The Quebec Legislature met yesterday and elected Hon. J. S. C. Wurtele Speaker.

One voice all over the land goes up from mothers, that says, "My daughters are so feeble and sad, with no strength, all out of breath and life at the least exertion. What can we do for them?" The answer is simple and full of hope. One to four weeks' use of Hop Bitters will make them healthy, rosy, sprightly, and cheerful.

LONE JACK, Mo., Sept., 14, 1879.

I have been using Hop Bitters, and have received great benefit from them for liver complaints and malarial fever. They are superior to all other medicine.

P. M. BARNES.

The British have burned the village of Tamanieb, and dispersed the rebels at that point.

Sore Throat.

This common and painful affection may be readily cured by the prompt application of Hagyard's Yellow Oil, taking it internally at the same time according to directions. In croup, asthma, colds, swollen glands, rheumatism and other painful diseases it is equally efficacious.

It is stated the Dominion Government has secured a loan of $3,000,000 from the Bank of Montreal.

A Case Much Talked of.

The case of Mr. John Morrison, of St. Ann's, N. S., who was afflicted with a serious dropsical disease of the kidneys. The best medical aid having failed, his life was despaired of. Two bottles of Burdock Blood Bitters cured him. His statement is vouched for by J. D. McLeod, J. P., who knew of his condition. The cure is considered marvellous in his town.

A ghost has appeared in Miamisburg, O., which appears to be a woman in white. The town is visited daily by hundreds of strangers, and none are disappointed, as the apparition is always on duty promptly at 9 o'clock. The strange figure was at once recognized by the inhabitants of the town as a young lady supposed to have been murdered several years ago. Her attitude while drifting among the graves is one of deep thought with the head inclined forward and hands clasped behind.

An Unprotected Family.

Is one that has not that valuable remedy, Hagyard's Yellow Oil in the house for accidents and emergencies. It cures colds, croup, sore throats, deafness, rheumatism, neuralgia, chilblains, burns, bruises, and all painful injuries.

The two headed girl got mad at her manager in a museum the other day, and turned loose on him both of her tongues. The human curiosities all fainted, the animals in the cages tried to get away, and a St. Louis man stood and listened a moment, smiled sociably, and said: "With a little more practice I'd back her agin my old woman."

Sanitary Inspection.

If you would avoid sickness clear away the filth and rubbish about your premises, establish proper drainage and admit pure air. The skin, kidneys and bowels are the sluiceways of the human body. Regulate these channels of health with Burdock Blood Bitters which act directly to purify the blood and regulate the stomach, liver and kidneys.

The use of coal was prohibited in London in 1373, as the effluvia was considered injurious to health.

Prussia has ordered the State payment of salaries to the Catholic clergy in the diocese of Cologne to be resumed, beginning with January last.

The False Prophet.

He who prophesies falsely of the weather, leaves off his flannels and overshoes, and catches cold, is indeed unwise. If you follow this false prophet your rescue lies in taking Hagyard's Pectoral Balsam. It is the best cough cure and the safest throat and lung remedy known to medical science.

It is announced that Mr. Gladstone has recovered his usual health and will return to Parliament on Monday.

Satire when levelled at social follies or political evil is not only legitimate but commendable. It has shamed down more abuses than ever was abolished by force of logic.

Much in a Little

Many proprietary medicines, if they cure at all, require such a large quantity to produce effect that it makes them very uncertain and expensive remedies. Not so with Burdock Blood Bitters. It is highly concentrated, and for all diseases of blood, liver and kidneys, one or two bottles will cure more than gallons of the weak mixtures usually sold. Send for facts and figures.

The Swiss Federal Council has ordered the immediate execution of the order of expulsion against four anarchists.

The Mercy of the Hour.

The reader who hears afar off of the celebrated Charity Hospital, nearly two hundred years old, learns with surprise that $5 or even $1 sent to M. A. Dauphin, at New Orleans, La., will procure a whole or fraction of a ticket in the next drawing. (April 8th,) the 167th Grand Drawing of The Louisiana State Lottery Company, which gives $1,000,000 as a guaranty for the support of that noble institution. Loss and Gain.

CHAPTER I.

"I was taken sick a year ago
With bilious fever,"

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides, and I got so bad I
Could not move!
I shrunk!
From 228 lbs. to 120! I have been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles I am not only as sound as a sovereign but weigh more than I did before. To Hop Bitters I owe my life."

Dublin, June 6, '81. R. FITZPATRICK.

HOW TO GET SICK.—Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised, and then you will want to know *how to get well*, which is answered in three words—Take Hop Bitters!

REMEDY FOR TOOTHACHE.—The worst toothache or neuralgia coming from the teeth may be speedily removed by the application of a small bit of cotton wool saturated in strong solution of ammonia to the defective tooth. Sometimes the sufferer is prompted to momentary nervous laughter by the application, but the pain is gone.

Hop Bitters are the Purest and Best Bitters Ever Made.

They are compounded from Hops, Malt, Buchu, Mandrake and Dandelion,—the oldest, best, and most valuable medicines in the world and contain all the best and most curative properties of all other remedies, being the greatest Blood Purifier, Liver Regulator, and Life and Health Restoring Agent on earth. No disease or ill health can possibly long exist where these Bitters are used, so varied and perfect are their operations.

They give new life and vigor to the aged and infirm. To all whose employments cause irregularity of the bowels or urinary organs, or who require an Appetizer, Tonic and mild Stimulant, Hop Bitters are invaluable, being highly curative, tonic and stimulating, without intoxicating.

No matter what your feelings or symptoms are, what the disease or ailment is, use Hop Bitters. Don't wait until you are sick, but if you only feel bad or miserable, use Hop Bitters at once. It may save your life. Hundreds have been saved by so doing. $500 will be paid for a case they will not cure or help.

Do not suffer or let your friends suffer, but use and urge them to use Hop Bitters.

Remember, Hop Bitters is no vile, drugged, drunken nostrum, but the Purest and Best Medicine ever made; the "Invalids Friend and Hope," and no person or family should be without them. Try the Bitters to-day.

You will observe this, the devil never offers to go into partnership with a bizzy man, but you will often see him offer to jine the lazy, and furnish all the capital besides.—*Josh Billings.*
