NICODEMUS AT NIGHT.

The streets are silent. The dark houses seem
Like sepulchres, in which sleepers lie
Wrapped in their shrouds, and for the moment dead.
The lamps are all extinguished; only one
Burns steadily, and from the door its light
Lies like a shining gate across the street.
He waits for me. Art thou the one at last
The long-expected Christ? I see him there,
Sitting alone, deep buried in his thought.
As if the weight of all the world were resting
Upon him, and this bowed him down.

THE objects contemplated in the formation of this society are, First—To secure to Stockholders a profitable return on their gradually accumulating capital, by its safe investment on real estate.
