Last Sunday was a Sunday full of
erest to the Village of Warwick
nd congregation of St. Mary's
church, it being "Flower Service."
The service was well attended and
the flowers brought by the young
people were in abundance. Other
flowers for decoration were provided
by several ladies of the congregation.
The music was good and the children
sang well; the Rector spoke of some
of the lessons the flowers teach.
Monday the flowers were sent to the
hospital in London.

A special meeting of the young people's league of the Erie street United chruch was held in the school room on Monday evening, when members of the young people's society of Christian Endeavor of the Pilgrim United church were guests of the league. Miss Florence Lovell, missionary vice-president, presided over the gathering, assisted by Miss Mary L. Mansfield, first vice-president of the league. The special speaker for the evening was Miss Richardson of Hamilton, who told of her fourteen years of service as deaconess at Centenary Methodist church and the Garth Methodist mission in that city. Miss Dorothy Fowler read the scripture lesson. Miss Winnabell Harper sang a solo.

Postal Instructions

For the purpose of speeding up the sortation and delivery of letters and other mail addressed to Toronto, the post office department has divided that city into ten postal districts or zones. Local citizens or business people having relatives, friends or business connections in Toronto will be notified by their Toronto correspondents of the number of their postal district and the postmaster general asks each and every citizen and business concern to kindly cooperate with the post office to make the new system a success by always placing the number of the postal district after the word "Toronto" whenever addressing letters and other mail to Toronto.

CHOP STUFF

Bothwell village council has passed a by-law prohibiting the throwing of waste paper on the streets there. Parties found guilty of such practice will be fined.

Some 1500 Nova Scotia coal miners returned to work the first day of operation after the strike had been called off. About 5,000 will be taken back by the end of the week.
