SKIRT CAUGHT IN SHAFT.

Mrs Nellie Segriff Injured in Smith Shoddy Mills.

Mrs. Nellie Segriff suffered a double fracture of her right leg at the Smith Shoddy Mills, 221 East Front-street, yesterday afternoon.

She had been eating her lunch on the roof, and as the whistle blew stepped over a shaft to go back to work. Her skirt caught in the machinery and she was drawn in. Her leg was terribly mangled, being broken both above and below the knee. She was removed to St. Michael's Hospital, where the leg was set. It is thought that amputation will be necessary.

The woman, who lives at 44 Medreia-place, is in a critical condition.

NEW CHURCH IN ROSEDALE.

Presbytery Not Able to Decide on Location.

The Presbytery of Toronto yesterday considered the question of establishing a church in Rosedale.

Several Presbyterians living in Rosedale have secured an option on a lot at the corner of Huntley and South-drive, and are anxious to have a church erected thereon.

Very animated discussion took place, and the general feeling was that before many years Rosedale will have grown so much to the northward that the proposed location would not be suitable for the inhabitants of the Rosedale-to-be.

In consequence, the presbytery did not sanction the location, and the question of having a church in Rosedale was laid over indefinitely.

THE SHIELD THAT SHIELDS.

Trust the Garment Which Bears This Signet of Surety.

On a shield there is shown a coat, and guarding the shield is the British lion rampant and the American eagle—signifying the international reputation of the "Semi-ready." This is the trade mark which the customer must be shown on every Semi-ready garment. Any neglect to show it may well arouse distrust.

SPRING ADVICE.

Do Not Dose With Purgatives and Weakening Medicines—What People Need at This Season is a Tonic.

Not exactly sick—but not feeling quite well. That's the spring feeling. You are easily tired, appetite variable, sometimes headaches and a feeling of depression. Or perhaps pimples and eruptions appear on the face or you have twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order; that the indoor life of winter has left its mark upon you, and may easily develop into more serious trouble. Don't dose yourself with purgative medicines in the hope that you can put your blood right. Purgatives gallop through the system, and weaken instead of giving strength. What you need is a tonic medicine that will make new, rich, red blood, build up the weakened nerves and thus give you new health and strength. And the one medicine to do this speedily and surely is Dr. Williams' Pink Pills. Every dose of this medicine makes new, rich blood, which makes weak, easily tired and ailing men and women feel bright, active and strong. If you need a medicine this spring try Dr. Williams' Pink Pills and you will never regret it. This medicine has cured thousands in every part of the world, and what it has done for others it can easily do for you.

The headquarters for the genuine Dr. Williams' Pink Pills for Pale People in Canada is Brockville, Ont. So-called pink pills offered by companies located at other places in Canada are fraudulent imitations, intended to deceive. If your dealer does not keep the genuine Dr. Williams' Pink Pills for Pale People send to Brockville, Ont., and The Dr. Williams Medicine Company will mail the pills to you at 50 cents a box, or six boxes for $2.50.

CLAIMS CANADA CIVIL SERVICE IS INEFFICIENT

Hamilton Board of Trade Recommend That it Be Non-Political —Application for Double Track.

HAMILTON, May 7.—(Special.)—It is said that all the union men employed on buildings will quit if non-union plumbers are employed.

The aldermen say that very few, if any, members of the city council will vote in favor of interfering with the present mileage and percentage paid by the street railway to the city. Ald. McLaren suggests that the city should endorse the bonds of the company to enable it to finance the installation of a new railway.

William Williamson, 213 South Walnut-street, was fined $30 this morning for being drunk while in charge of a car. The street railway officials said the habit of getting under the influence of liquor while on duty was too common with their employes.

Captain Robert Wilson of the central fire station is seriously ill.

The waterworks officials threaten to employ foreigners if the laborers continue on strike.

Complaint was made to the police to-day that the Italians employed on the Brantford and Hamilton Railway went around armed with revolvers and stilettoes.

Hugh Strathearn, the 15-year-old son of Hon. J. S. Hendrie, died to-day after several weeks' illness.

Rice Carson was sent down for six months this morning for stealing a pair of slippers.

The Savoy Theatre was to-day awarded by Chancellor Boyd $500 damages against a vaudeville team that failed to fill its contract.

Irvine R. Johnston was taken to Berlin this afternoon to answer a charge of wilful damage.

The Cataract Power Company made application to the board of works this evening for permission to double track Main-street, from James to the terminal station for the use of the street railway, the Brantford and Hamilton and the Hamilton and Dundas Railway. The company said it wanted to use this as part of a loop line for the excursion traffic of the street railway. Rev. P. W. Philpott complained that Mountain-avenue was in such a bad state that when there was a funeral on the street they had to carry the corpse to the end of the street because a hearse could not be taken on to the street. Immediate repairs were ordered.

Steps will be taken to keep Edward New from making Ardvolitch and Dundurn-streets into a gravel pit.

The London Trip.

Your nomination for a free trip to London, Eng., and Paris should be sent to your friends; ask them to nominate you. Nominating blanks in The Toronto World, Agent W. Harvey, 75 James-street North, where full particulars can be obtained.

Civil Service Inefficient.

The board of trade this afternoon decided that the condition of Canada's civil service was inefficient and recommended that it be made non-political. F. Buttly, the board's agent, said that the housing problem had become very serious to manufacturers. H. Beckett tried to get a resolution passed condemning the aldermen for not conferring with the Cataract Power Company to settle the trouble between the city and the street railway, and condemning the aldermen who voted against the use of the parks by the Hamilton, Waterloo and Guelph Railway, but he could get no one even to second the resolution.

Graham Gow, trade representative of the New Zealand government, addressed the meeting.

DEACONESS GRADUATES GIVEN THEIR DIPLOMAS

Thirteenth Annual Meeting of Aid Society in Central Methodist Church.

The Deaconess' Aid Society of the Methodist Church held its 13th annual meeting yesterday afternoon in the Central Methodist Church, and in the evening held a public meeting at which diplomas were presented to successful graduates.

Mrs. D. G. Sutherland presided at the afternoon meeting, and the pastor, Rev. J. V. Smith, D.D., conducted the devotional exercises.

Miss E. J. Scott, superintendent of the Toronto Deaconess' Home, presented a highly interesting table of the activities of the society in Toronto The deaconesses had made 27,025 calls during the year for missionary, sick and business purposes; 5420 tracts and 459 books distributed; 6007 new and second-hand garments given away; 435 families fed, and sick delicacies were also distributed. A sum of $1133.76 was expended in relief of emergencies, and $1678 for taking city children on fresh-air trips to Whitby and other places.

Employment had been found for 383 persons, and in addition to 800 persons who were taken for a day's outing to Mimico or the island, over 300 children had each spent two weeks in the country under the society's care. Nearly 3000 hours of nursing had been given by the deaconesses during the year, and nearly 10,000 hours were devoted to class work and instruction in home work.

Woman's Rights.

At the evening meeting the platform was occupied by Miss E. J. Scott and Rev. Drs. S. Cleaver, E. Crummy and S. D. Chown.

Deaconess Miss Bessie M. Scott read an essay on "Woman's Rights," which displayed very wide reading and fine literary perceptions. Miss Scott had little sympathy with the methods of the London suffragists, and thought larger liberties would come despite their frantic efforts and not because of them.

She touched on the evolution of woman's place in society from the Grecian days to the larger world of thought opened to her in these days, but concluded that the home was woman's true sphere, and that woman's best and essential right was the right to follow the path of service to humanity.

The Mission of Women.

Rev. Dr. Crummy, speaking of "The Mission of Women," said he thought Paul's prohibition against women engaging in public worship was not understood properly.

It was probably a marginal emendation of a scribe who thought he was helping to explain Paul's meaning, which later was embodied in the text.

Miss E. Jean Scott, superintendent, made an appeal for funds in a very happy speech. About $81,000 of the $100,000 required has been promised, and in a few days the first sod will be turned of the new Deaconess' Home on the grounds of the Metropolitan Church.

The present home on Jarvis-street is to be turned into a boarding house for young women, after the new home is built.

Graduates.

The following are the graduates who were presented with diplomas by Rev. Dr. S. D. Chown: Edith L. Bowman, West Montrose; Marzetta Isabella Cairns, St. Catharines; Ila B. Day, Harrowsmith; Alice E. Drummond, Paris; Eva B. Elliott, Woodville; Ada Garbutt, Cannington; Edith May Griffin, Sarnia; Isabella Haddock, Clinton; Margaret Alice Hallam, Moose Jaw, Sask.; Martha E. Hartley, Norwich; Lillie Howe, Norwich; Ella A. MacLean, Spencerville; Ada Morgan, Janetville; Vida M. Overland, Erin; Annie C.
