Baseball Toronto 2 Rochester 1 ❖ Aquatics I. A. A. Officers ❖ Turf Uncle Toby Wins Hamilton Derby

NOTE AND COMMENT

As suggested in this column the Talley crowd will be excluded from Hamilton. Montclair, the horse that Goldstein was ruled off for pulling at Woodbine, was allowed to start on account of his engagement in the Derby.

The Hamilton Derby was worth $2150 to the winner, and gives John Dyment a good lead in the competition for winning owners. The Shaughraun takes $300 of the $2000 added money, and Terah $200. The Derby had forty-five nominations.

"Hamilton for mine," says Johnny Dyment. Two wins on opening day and only Cannie Maid in thirteen days at Woodbine Park. The Barrie horses feel more at home under the mountain, as it is class that makes the difference.

To-day's program at Hamilton is an improvement. On opening day there were three races at 5 furlongs and less with a dozen starters or more in each, and in these too much generally depends on the start, tho two of them did go to favorites.

Considerable complaint was expressed on account of the inadequate entrances at the Hamilton track, the Toronto patrons being especially subjected to a crush. Also when you get in there is no water to drink, a defect that the Ontario Jockey Club saw reason to remedy at the last meeting.

As they meet next week in a Hargraft trophy game, a practice match was arranged yesterday between Canada and Queen City Lawn Bowling clubs, the result being all in favor of the challengers, and thus the prospects are bright for the coveted prize to change quarters, which it has not done for a whole season.

FOELKER GOING TO ALBANY.

POUGHKEEPSIE, June 9.—State Senator Foelker will go to Albany to-morrow to vote on the anti-race track gambling bills, was the statement made to-night by Dr. Murphy, physician to Senator Foelker. The New York Central R.R. will be asked to stop an express train at Staatsburg to take Senator Foelker aboard.

Dr. Murphy stated that until to-day there had been much uncertainty as to when Senator Foelker would be able to go to Albany. After seeing the senator this evening and finding him so determined to go to Albany and old Gov. Hughes, the physician said he decided to aid rather than oppose the journey. Senator Foelker's relatives believe that he is too weak to stand the strain of a railroad journey and the excitement of going to the senate chamber to cast his vote. The senator has not been dressed since his operation for appendicitis early in May and is nervous and weak.

Montreal Ladies Win.

QUEBEC, June 9.—The golf match between the Quebec and Montreal ladies was played on local links this morning, and, despite the strong shower of rain, accompanied by lightning and thunder, the game went along well. The Montreal ladies carried off the victory by a score of 16 to 5.

Racing at Victoria.

VICTORIA, B.C., June 9.—The first of the six-day meet held by the Victoria Racing Association opened here yesterday with a good crowd in attendance and a fast track. One track record, that for the half mile, was broken, Nance Lucille going the distance in 49 4-5 seconds. It was a poor day for favorites, but one winning.

London Beat Falls.

LONDON, June 9.—(Special.)—London trimmed Niagara Falls, N.Y., in an international League baseball match to-day on the latter's diamond by a score of 8 to 4. Leibensterger pitcher for the local team and the Power City's only scored two hits off him.

Leafs Now in Third Place Trim Bronchos--Move Up Three

Orioles and Indians Play Tie Game 5 to 5 in Twelve Innings—Montreal and Providence Win.

Yesterday being merry widow day the second clash between the Bronchos and Leafs was witnessed by a large number of fannettes and fans and for once skirt day proved no hoodoo, the locals winning by a score of 2 to 1 in a game that required no extra sessions to decide a winner, as the Leafs held the upper end all the way.

The heavers were Fred Mitchell and Weldon Henley, and with two such twirlers on the mound, nothing could be expected but a pitchers' battle, and so it was, with honors about even. Old Fred Mitchell, always a willing worker, took his turn in the box with a sprained ankle and it feel to his luck to give it another wrench on the first out, but he waded thru the fray, using his noodle all the time and had speed enough left in the good leg to wobble home from second in the seventh with the winning run. Indeed his work, considering the conditions, was the feature of the game.

On the other hand Henley was touched up for hits when runs were wanted, the Leafs scoring their two on clean bingles, while the Bronchos counted their tally on a slip up by the ever reliable Jimmy Frick. Both twirlers were very liberal with charities, no less than five being passed by each pitcher, while in the fanning line the odds were 4 to 2 in favor of Henley.

Ben Caffyn, the new outfielder, was in the game, holding down centre garden, while Gettman relieved the manager at first base. Caffyn didn't have a chance in the field, and on his four times at bat three of them were grounders to second and the other time he was hit by pitcher. However, one good feature about him is his speed and this is where the locals are lacking.

One of the features of the game was the work of Jake Gettman at first base. He accepted everything that came his way, one being a bad throw from Frick, while in the fifth, with a man on third, he saved a score by running back and gathering in Hurley's short fly to right. There is no use talking, but Jake is the daddy of them all.

The wind was very bad in the field and home runs over the bleachers were out of the question, the wind bringing the ball right back in. This happened in the initial innings, when Gettman flew out to Anderson. Cockman, however, singled, going to second on Wiedy's infield out and scoring on Schafly's slashing bingle to left for two sacks. Frick failed to get on.

The Bronchos looked dangerous in the fifth, but as has been foretold, Gettman's catch saved the day. However, the visitors came right back in the sixth, with one down and made the Leafs work overtime. Holly singled, while Anderson went the easy route. But their efforts were lost, as Clancy and Flanagan failed to connect.

The visitors, not to be denied, counted one in the seventh, Lennox filed to Mertes, while Batch was a passenger, going to the half way station on Loudy's infield out. Hurley hit to short, Frick letting the sphere go between his legs. Batch crossing the pan. Henley then walloped the pigskin to Mertes, who let the ball go thru his hands, Hurley going to third and Henley to second. Holly proved a willing waiter and was given the easy route, but Anderson's light was extinguished, Schafly to Gettman.

Toronto got the run back in their half. With two down Mitchell got a life on Loudy's fumble. Gettman was issued free transportation and with three and two on Cockman, Jimmy hit the pellet on the nose for a pretty single over second, Mitchell scoring, while Jake took third and Cockman second, Wiedy filed to Loudy.

The visitors retired as they batted in the eighth and but for Lennox's interference, the Leafs would have added another. Schafly got a base on balls, while Frick in an effort to bunt, fanned. Mertes filed to Flanagan and Schafly drew the throw to first, the result being Flanagan's heave went wide, Schafly reaching second. Caffyn received one of Henley's shoots on the arm and Vandy singled to right, but Lennox blocked Schafly at third and as Caffyn overran second, Schafly proved an easy out at the plate.

In the ninth Batch led off with a single, was sacrificed, going to a peg from home on Hurley's infield out. It looked none too good here, with a man on third and the Leafs only one to the good, but Schafly made sure of Henley's fly and Buck's last chance was gone. Score:

Great Ball at Montreal.

MONTREAL, June 9.—(Special.)—It was the slickest game of baseball since the inauguration of Casey's regime that was played here to-day, and that was won 3—0 by Montreal from Buffalo. It was pure luck that Montreal won, for Hesterfer had them guessing in all but one innings, and had not White misjudged a fly by McManus, that let in two runs, the game would probably be going on yet. Both Hesterfer and Bumpus Jones twirled a masterly ball, the former being touched up for a trio of bingles, and Jones for only two, one of which was a clean double by Hunter Hill. He tried to make third, but ran up against the wrong proposition, as Jimmie Jones took a relay from Joyce and Hill was nailed at third.

The playing was snappy thruout, neither team making an error. Hesterfer's Waterloo occurred in the fifth, when he passed up Evans and J. Jones, and McManus followed with a fortunate double and B. Jones with a single, three runs resulting. Score:

Baseball Notes.

Outfielder Caffyn stands very close to the plate and is therefore a hard man to pitch to. He is a left-hand hitter and thrower.

Cleveland scored ten runs in the sixth against Boston yesterday. That's going some.

Centrefielder Devore of Newark pretty nearly established a record yesterday, having ten put outs, one assist and one error.

That ball team from Cincinnati are certainly giving the Cubs a hot race.

Murray, who pitched for Newark yesterday, is a southpaw recommended by Arthur Irwin.

Catcher Byers has been suspended by Pat Powers as a result of his assault on Umpire Sullivan in Baltimore Saturday.

Gene. McGann, the former Skeeter twirler, may become one of Pat Powers' unpires.

It is reported that the Jersey City Club are on the look-out for a new manager to succeed Joe Bean. Bean will be retained as captain and a bench manager secured.

Amateur Baseball.

The manager of the Garrett B. B. C. requests the following players to turn out for practice Wednesday and Friday at 6.30: Culley, Hare, Brinsmeade, Davis, Bonnell, Woodward, Anketell, Jessop, Jolliffe, Kens, Sandford, Greeve, Connell, Whittingham, Hare and Wooster.

All players of the Kew Beach Senior baseball team are requested to turn out to practise Wednesday and Friday evenings not later than 6.30.

Body Recovered.

SAULT STE. MARIE, June 9.—The body of Eddie Grey, drowned in the millrace of the power house, which was destroyed by fire May 18, was recovered this afternoon. A reward of $200 was offered.

BOB MOODY CAPTAIN OF I. A. A. PADDLERS

Twenty-First Annual Meeting Held Last Night—Sweatman Again Secretary.

Nearly seventy-five members of the Island Aquatic Association attended the twenty-first annual meeting of the association at the island clubhouse last night. President Arthur R. Denison was in the chair.

Secretary Sweatman's report showed the club to be in a flourishing condition, the financial statement showing a balance on the right side. One hundred and forty-six members were admitted last season, while the weekly dances, always an enjoyable feature, netted a tidy sum.

Sympathy was expressed at the drowning of Russell Armstrong, son of one of the officers of the club, and also the death of Miss Levee the same day.

The club last year took part in three regattas—the T. C. C., Canadian Henley and the Grand Trunk Montreal—and the showing made by the paddlers stamps them as comers in future regattas.

An application blank was received from the C.A.A.U., asking the club to join the union, but this was left to the new executive, altho it is likely the club will affiliate with that amateur body.

Another meeting will be held Friday night, when the various committees will be elected. The first dance of the season will be held June 26.

All the old officers were elected, with the exception of the captain, while a new office, that of vice-captain, was created. The officers elected are: Honorary president, J. P. Murray; president, A. R. Denison; first vice-president, Geo. Dunstan; second vice-president, George R. Copping; third vice-president, T. K. Wade; honorar ytreasurer, A. L. Eastmure; captain, Bob Moody; vice-captain, Culbert Huckvale; secretary, H. Stanley Sweatman; assistant secretary, Lewis B. Brown.

Run and Not Be Weary.

St. Mark's Presbyterian Church, King and Tecumseh, was packed to the doors Sunday morning, when J. L. Morrow, the athlete pastor, preached an appropriate sermon to the competitors in the Olympic games held in Rosedale Saturday, and more especially to the successful men who make up the Canadian team and leave shortly for the Olympic games in London to try and wrest away world championships from the greatest athletes of other countries. The text was very appropriate and comprehensive:

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary, and they shall walk and not faint."
