Spring Importation of BOOTS and SHOES,

DAVID PATERSON has much pleasure in announcing to his friends and the public, that he has just received per the ship *Alciope*, from Liverpool, and steamer *Admiral*, from Boston, a large supply of Ladies, Misses, Boys, Children's, and Infants BOOTS and SHOES, in almost every style, too numerous to name in an advertisement, the greater part having been manufactured to his order.

As the purchasers of imported *Boots* and *Shoes* incur considerable expense in having the rips sewed in the above class of work, those purchasing at his establishment will find it to their advantage, as all work that he warrants not to rip, he will repair without any charge.

ON HAND—A well assorted stock of Gents' BOOTS and SHOES, various styles, of his own manufacture—which is so well known in this Province for the last twenty-five years, as to require no comment at this time.
