The annual championship games of the Amateur Athletic Association of Canada were held Saturday at Rosedale before about 3000 spectators. The Government House party occupied their seats in the grand stand centre, and all the invited guests were present.

The games may be pronounced a success, although many of the spectators were disappointed by the non-appearance of Conneff and the other cracks from across the line.

No Canadian records were lowered, although in the 440 yards run A. W. Gifford of Montreal got down to 51 3-5 seconds, being only 1 2-5 seconds away, and in the 120 yards hurdle Fred Puffer of New Jersey went in 16 seconds, only 1-5 of a second away. Also in the running broad jump the same athlete covered 21 ft. 7 3-4in. These were the best performances of the day.

The bicycle races brought by far the most enthusiasm, and Fred Young's victory over Champion Hyslop in the half mile race fairly made the grand stand roar and showed the little Wanderer to be a general favorite. The mile event kept the assembly to the last, but this time Hyslop upheld the Toronto's honors and withstood Young's final spurt.

The three-mile walk was the amusing feature of the day and brought out three starters. Dineen of Toronto Junction, with a peculiar stride, immediately took the lead. He had not gone many laps before Capt. McGee told him he was not walking and ruled him off. He would not quit, however, until a policeman forced him to desist.

The races were half an hour late in starting, but so well did the officials manage the games that a quarter hour was gained during the afternoon and the last race was over at 5.45.

The Short Distance Races.

The 100 yards race was run in heats. Stage captured the first by three yards from Sterling, who was only a foot in front of Morrow. In the second heat Carr and Wood finished easily first and second. Stage, Wood and Carr were put back a yard in the final for getting over the mark, but they easily gave the three feet to Sterling, who finished last. Stage won handily by a yard with Carr a foot in front of Wood. Stage is a pretty and easy sprinter and apparently can go faster than he did if pressed. He also had an easy thing in the 220 yards race, beating Carr by two yards, who was four yards in front of Wood of Winnipeg. Bustard, a local sprinter, did not finish.

The half mile run was a cinch for Gifford. Campbell of the West End Y.M.C.A. stayed with him until coming to the tape on the stretch. Then the Montrealer sprinted in, which the other starter couldn't do.

The 440 yards furnished a good race, which Gifford won, with Bain of Winnipeg second, and Campbell of the West End Y.M.C.A. third.

Orton's Easy Victories.

Sam Ewing, with the three V.'s on his breast, came out to make a race in the mile event. He finished in slow time, but George Orton had gone the distance in 4.39 and half a lap ahead of his only opponent. Orton went alone in the two mile race, but failed to touch the Canadian record.

W. H. Hazlitt of Toronto Junction won the three mile walk by a half lap from R. Maddock of Toronto. Dineen could have easily finished in front if the policeman had permitted him to continue on his way.

Puffer won the hurdle in the good time of 16 secs. He went over neatly without getting too high or losing his stride. Moffatt was closely pressed for second place by W. Young, but the ex-police champion unfortunately failed to clear the second last hurdle and came to grass.

The New Jersey lad also won the broad jump by two feet and a half. Robinson jumped 19 ft. 1 1-2 in., and Courtemanche 18 ft. 11¾ in.

Throwing Weights and Jumping.

Joseph Gray, the light brother of Champion George, won the 16 pound shot put from our own Childs by less than three inches. Thompson, the bulky Clevelander, only made 38 feet.

The pole vaulting appeared to interest the crowd. Cobbold stopped at 8 feet 4½ inches and Richardson was cheered for clearing 2½ inches higher in an exhibition jump after many unsuccessful attempts.

The high jump only went up to 4 ft. 10 5-8 in., at which height McArthur and Webber failed, but the latter cleared it at a subsequent trial and took the second medal. Allison, the police champion, went over at the first trial.

P. C. Nicol won the hammer and weight events in a walk. He threw the hammer 120 ft. 8 in., being an inch less than six feet farther than Davis of Brooklyn. He also easily captured the 56 lb. weight event.

The Bicycle Races.

There were three starters in each bicycle race. In the half Young trailed Hyslop until they reached the training barn when the Wanderer went out and took a lead that the Toronto man tried in vain to pull down.

Deeks set the pace for the mile, with Hyslop second. The order was unchanged until the club house was reached on the last round. Hyslop and Young went out and passed Deeks. Young tried to go around Hyslop, but the Toronto man would not have it and won by two yards.

R. Cochran received the following despatch from Kennett, Hopkins & Co.:

NEW YORK, Sept. 30.—The stock market was quiet without any special feature. Prices were firm early on buying by traders, but when they attempted to realize after the favorable bank statement was published, the market sold off, closing rather lower than the opening. London sold a little stock, but there was no trading of importance for outside account. The event ends with a smaller short interest in the market. Foreign Exchange market has bakewed during the past two days and is very inactive. The bank statement was fully as favorable as was expected, showing an increase in surplus reserve of $6,510,000 and an increase in cash of $6,268,000. Bradstreet reports no general improvement in the commercial situation as from increased sales of merchandise at a few widely separated centres.

Attention is chiefly centered in Washington, and the news from there will probably continue to be the basis of operations for a time. Sales 93,860.

GOSSIP FROM CHICAGO.

R. Cochran received the following despatch from Kennett, Hopkins & Co:

CHICAGO, Sept. 30.—The strength exhibited at the close yesterday faded away this morning when it became known that exports for the week had fallen about 1,250,000 bushels below those for the previous week. The declining tendency was checked by a splendid bank statement, but the prospect of an increase of 2,000,000 in the next visible in connection with the soaking general rains induced holders to sell moderately near the close, resulting in a lower range of prices. Unless something turns up next week to give the bulls fresh courage it is believed that moderately lower prices will prevail. It's a good scalping market, a sale on fair rallies and purchases on soft spots for a quick turn.

Corn and oats showed considerably less strength early and only gave way slightly in sympathy with the weakness in wheat. Chicago stocks of grain of all kinds will probably show a large increase, especially of wheat and corn, and this is also true of the visible.

With this end in view, and having the experience of many years in this ever-increasing business, our Mr. J. B. Kay has made an extended tour of the markets of Europe and has picked up and had manufactured many goods entirely foreign to this market, embracing the newest materials in the latest designs and colorings.

He gave his special attention to **RUGS**, both modern and antique, loom manufactured and Oriental hand-made. To give a small idea of these goods we mention the following special lines:
