DREAD!

Don't be in dread of a daily headache.

Why?

In seven out of ten headaches the cause is eye strain. Some authorities say nine out of ten!

Often with vision apparently normal, eyes may still greatly need the help of lenses.

The remedy is clear: An eye examination and properly fitted glasses, if needed.

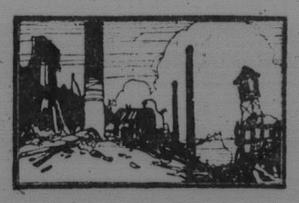
HOW TO BUY FIRE INSURANCE



YOU MAY NEED MORE THAN FIRE INSURANCE

Fire insurance makes good nearly all fire losses. There are certain other forms of protection however that many property owners need. These are called Rent, Riot and Civil Commotion, and Use and Occupancy insurance. They supplement the fire policy.
