CANADIAN PONY SOCIETY.

Suggest New Classes Standard and Medal for Horse Show.

A meeting of the directorate of the Canadian Pony Society was held at the King Edward Hotel last evening, President G. V. Foster being in the chair and Henry Wade acting as secretary. There was a full representation and much business was transacted. Messrs. Robinson and Alex. Galbraith were recommended as judges at the coming spring horse show.

It was decided to ask the horse show committee to create another class and to arrange their prize list so as to provide classes for ponies 14 hands 1 inch and over 13 hands 1 in, 13 hands 1 inch and over 12 hands 1 inch, 12 hands 1 inch and over 11 hands 1 inch, and 11 hands 1 inch and under. Mr. Campbell gave notice of motion that at the annual meeting he would bring up the question as to whether the English standard of 14 hands or the United States of 14 hands 1 inch should be adopted in the pony classes at the Canadian shows.

The prize list as adopted last year at the Canadian Horse Show was thoroly gone over, and it was decided to ask the horse show committee to make several important changes, looking to the betterment of the pony interests of the country. The directors decided to ask the horse show committee to limit the age of the riders in the boys' and girls' class to 16 and under, and to limit riders to amateurs, approved by the committee.

The directors also decided to present a gold medal to be competed for at the coming horse show for the best boy or girl rider, a son or daughter of a member of the society.

The directorate approved the date of the annual meeting, which has been set for Wednesday evening, Feb. 8th, in the Repository at 8.30.

Corbett v. Herrera To-Night.

Los Angeles, Cal., Jan. 11.—Young Corbett and Aurelio Herrera made test weights yesterday for their battle on Friday night. Young Corbett tipped the beam at 135 and Herrera showing 133. The articles of agreement call for 133 pounds at 6 o'clock on the day of the fight, and it is certain among Corbett rooters here that the former champion will give up his $500 forfeit rather than make weight and that he will enter the ring at not less than 140 pounds.

Both men are in fine condition, and Young Corbett, especially, has trained hard for this battle. He says he is in better condition than ever before and will be faster than when he won the championship. He rules favorite in the betting at 10 to 8.

Contrary to expectations, Young Corbett has not been seen at the race track nor around saloons and other places which heretofore have attracted him. He has reduced remarkably well and is as hard as rock.

In sparring exhibitions he is fast and has the same old punch that made him famous. If he loses to Herrera coast sportsmen will be disappointed.

The general impression is that the fight will not go the limit, but will end with a knockout one way or the other.

PAT POWERS SCORES TRIUMPH.

Re-Election as President of Minors, Set Back to Griffiths and Tebeau.

New York, Jan. 11.—Patrick T. Powers, who was recently compelled to withdraw from the presidency of the Eastern Baseball League, of which he was the organizer, has scored a signal triumph over his enemies among the smaller leagues, including Howard C. Griffiths and George Tebeau, by having himself re-elected president of the National Association of Minor Leagues, which has just concluded its annual meeting in Chicago. Out of 26 leagues, 18 were represented at the Windy City and Powers received all but three votes. Griffiths, representing the Eastern League, and Tebeau, of the American Association voting against him. But this was not the only triumph scored by Powers, for in the election of a new national board of arbitration Griffiths and Tebeau were removed, these men being chosen to serve for the ensuing year:

J. Ed. Grillo, American Association; E. F. Bert, Pacific Coast League; W. M. Kavanaugh, Southern League; T. H. Murnane, New England League; D. H. Shiveley, Western League; M. H. Sexton, Three I League; Secretary J. H. Farrell, ex-officio, chairman. In regard to contract jumpers it was decided that when a minor league player violates his contract in future he will be declared out of organized baseball.

The rebuke administered to Griffiths and Tebeau was the result of a long quarrel and may cause further friction, as the Eastern League and the American Association some time ago threatened to withdraw from the association unless Powers was turned down. It is up to these baseball kickers now to make good or submit, badly beaten in the game of politics. The fact that Powers was backed up by practically all the minor leagues in the country, after his unfair treatment by the Eastern League schemers, was a positive proof that he has lost nothing of the popularity that he has enjoyed among the leading baseball men for many years.

Ira Thomas, who caught for the champion Providence Eastern League team last year, secured a contract yesterday with the New York Americans.

Argonauts II. Beaten.

Seven husky youths from Milton put it over an Argonaut septet by 1 goal to 0 in an intermediate O. H. A. game at the Mutual-street rink last night. The teams were so evenly matched that it was nip and tuck until nearly the finish. After 18 minutes of the second half had been played Campbell scored the visitors' only goal from a rush. The heavy ice made the going so bad that it was almost impossible to get any sort of combination started. The visitors' defence worked very cleverly and kept their forwards well supplied with the puck. Lewis in goal guarded the nets and cleared well. The Argos' defence, on the other hand, wasn't difficult for the visiting wards to get thru, and had the ice been harder the visitors' score would have been bigger. During play in the first Nasmith, the Argonaut goal-keeper, was put off for a short time about the middle of the half, and it was while he was resting that the visitors scored. Referee "Pick" Little handed out several penalties and made the teams play hockey all the time.

A crowd of about 300 people watched the game and a delegation of Milton rooters kept things lively. The teams were as follows:

Milton (1)—Goal, Lewis; point, Fleming; cover, Julke; rover, Lister; centre, Beatty; left wing, Campbell; right wing, Field.

Argonauts (0)—Goal, Nasmith; point, Grant; cover, Grasett; rover, Robinson; centre, Heron; right wing, Fraser; left wing, Tamblyn.

Referee—W. H. Lillie. Timekeepers—Gunbbe and Moore. Penalty timekeeper—L. S. Leslie. Umpires—Pierce and Beemer.

Hockey Troubles in Brooklyn.

New York, Jan. 11.—The Brooklyn Skating Club has withdrawn from the Amateur Hockey League and the trouble about the professionals imported by that organization, which has been the cause of much worry to patrons of the game, is over.

The retirement of the Brooklyn seven leaves the league with only four clubs and will necessitate a rearrangement of the schedule. The Brooklyn team has played twice, once with the Crescent A.C., when unregistered players took part, and once with the New York A.C., when the older players on the team refused to play in the game because the league officials would not allow some Canadians to compete. Both of these games were won by the Brooklyn Club. The Brooklyn club was to have played against the St. Nicholas club at the St. Nicholas Rink this evening. This game has been called off and a game will be arranged by the St. Nicholas Club with a college team.

There is relief in hockey circles. No charges of professionalism have been made against players of other clubs, and the action of the league committee has put the sport on a good basis. The Brooklyn club men think they have been dealt with unfairly, but they broke the rules of the league, brought players here from Canada, who it was said were to be paid $25 a week, and objected because they were not allowed to play.

In Canada the imported players receive small sympathy.

It is said the Brooklyn club will reorganize and play professional hockey. Just how this will come about is not known.

Meaford Rink Opened.

Meaford, Jan. 11.—The handsome and commodious new skating and curling rink erected here this summer was formally opened on Wednesday evening in the presence of 450 or 500 skaters and spectators. The rink, which is one of the finest in Northern Ontario, is 175 feet long by 40 feet wide and 60 feet in the clear. At the west end and also one on the south side of the curling rink, a separate building, is 166 feet long by 45 feet wide. Both buildings are replete with preparation and reception rooms and have electric lights thruout. The skating rink is admirably adapted for hockey and the Owen Sounders are going to have their junior O.H.A. matches played here this season. Messrs. McIntosh and Maile, two enterprising and public spirited gentlemen, are the lessees of the new rink.

Queen's Strong Team.

Kingston, Jan. 11.—(Special.)—Queen's senior line had their final work at noon to-day in preparation for their game against Varsity here to-morrow night. About 12 candidates were out and the choosing of the men to fill vacancies on the team was a difficult matter. Of the new men Crawford, who last year played with the Junior St. Georges, was picked to fill one of the vacant wing position four candidates—Sargeant, Bruce, Sutherland, Holder and Dobson—had a close run, but the management finally decided upon Holdbrook as the choice. The defence will be Mills, MacDonnell and Eric Sutherland, with Marty Walsh, Richardson, Crawford and Sargeant on the forward line.

The opening game in the senior series of the Northern City Hockey League was played last night in Aura Lee rink between the Deer Park Hockey Club and the Aura Lee Club, and resulted in a win for the Deer Parks by a score of 7 to 2. The puck was faced off by the president of the league, William Mitchell. Referee—H. D. Paterson.

The Aura Lee Hockey Club defeated the British America Assurance Co. in an exhibition match at King Edward rink last night by 5 to 3.

In a C.H.A.L. League game last night on Varsity rink the Victor Old Boys beat Sherbourne by a score of 3 to 1. At half time the score was 2 to 1. The Victors lined up as follows: Goal, Henderson; point, Arthurs; cover point, Harris; centre, Saul; rover, Wimpenny (captain); right wing, Milnage; left wing, Dunn. The refereeing gave the best of satisfaction.

The Central Business College won the first game played in the junior series of the Northern City Hockey League. The score was 2 goals to 1. The game was fast and exciting and but for the good defence put up by the I.A.A.A. the score would have been much larger, as the C.B.C. kept the puck around the other's goal most of the time. Central Business College line-up: Goal, N. W. Hopkins; point, Henry Sockett; cover point, A. B. Jones; rover, H. Washburn; centre, Charles Brereton; right wing, Hector Edgar; left wing, S. W. Gooderham.

ICE TOO SOFT FOR CURLING.

Single Rink Games Again Postponed Till Saturday Afternoon.

The single rink committee are doing their best to get this year's curling competition started. In the absence of Secretary Trow, owing to an accident, the bulk of the work devolves on Chairman Malone, who still hopes to get the competition under way this week. Last night Mr. Malone ascertained that the temperature would not begin to fall until late to-night and it was decided to put back the bonspiel program till Saturday afternoon, starting at 2 p.m. As the Victoria large rink is engaged by the skaters the four games billed for Toronto ice, 3, 5, 8, and 9, are transferred to the Caledonian.

The first round will be concluded on Monday, starting at 7.30, play continuing each night till the semi-finals are reached.
