BRESCIA WINS BIG STAKE RACE AT CLEVELAND

Winner Was Rank Outsider in Betting—Allie Lou Makes Fastest Heat of Year.

CLEVELAND, July 9.—All attendance records were broken at the North Randall track harness races today.

The feature event of the card, the Ohio stake for 2:08 class trotters, purse $3,000, was won by Brescia, a rank outsider in the betting. Brescia took the last two heats after Allie Lou, a fourth choice, took the first heat in 2:04½, trotting the fastest heat of the year. Charlie Penn, another outsider, took the first division of the 2:12 class trotting. Fenesta, the favorite, took the second division.

Peter Coley, a third choice, won the 2:16 class trotting, and Goldie Todd, the favorite, took the 2:15 class pace in straight heats.

Goldie Todd paced the fastest two heats of the year by covering the two miles in 2:03¾.

LONDON ROWING CLUB WINS TROPHY EVENT ON ST. THOMAS GREENS

Times-Journal Cup Comes Back to Local Club—Other London Rinks Win.

ST. THOMAS, July 9.—The London Rowing Club, skipped by Edmund Weld, took the Times-Journal trophy in the local bowling tournament held at the East street greens here today. This club was also successful in lifting the same trophy last year, but this time were led by a new skip. W. J. Snellgrove piloted the winning rink last year. The total plus score made by Skip Weld today was 33 points. He won a total of four games. W. H. Hanley of Rodney was a close second.

The Rodney rink took second honors, with a total plus score of 30 points, and with four games to their credit. H. C. Barrow, of All Saints, London, won third money, total plus score 24, and total games won four. C. E. Speiran, London Elmwoods, took fourth place, winning four games, and with a total score of nine points, while A. S. Goldsmith was the only local rink to finish in the money. He took fifth place, winning three games and with a total plus score of 19. This means that the trophy and practically all the $200 worth of cut glass prizes went to the London visitors.

There was a generous cheer as the final game was decided, and another red letter day in the history of the local club came to a close. The event was undoubtedly one of the most successful ever held. It is now five years since the first tournament was held on the local grounds and each year the membership of the local club has been greater, and the number of outside entries has gradually increased until today the greens were scarcely large enough to accommodate all the players. Decorations of the Union Jack and Old Glory had been generously spread over the grounds until the atmosphere was a miniature array of colors, the red, white and blue predominating.

A refreshment booth on the grounds handled all the catering and an excellent luncheon was served at noon, thereby eliminating the necessity for a loss of time by leaving the grounds for lunch. F. W. Judd, as secretary, was all that could be wished for. He was on the grounds before the opening hour and remained there until the final score had been made tonight. A feature of today's event was the representation of the ministry. Rev. A. B. Farbey of Simcoe, Rev. Father D. Forrester of London and others were in the game, and Rev. Geo. A. King of First Methodist Church, this city, skipped a rink of new players. A new club just formed a few weeks ago in connection with Trinity Church were represented on the grounds today, and although they did not reach the finals they made a good attempt, and there is not the slightest doubt but that Ed. Caughell and his colts will give the old-timers a run for their money next tournament. The prizes offered today were the finest ever donated by any club at a tournament. They consisted of a fine collection of cut glass dishes and vases and cost the local club well over $200. There were very few defaulters today, and although there were none last year the attendance was much larger this season.

TAVISTOCK VS. STRATFORD FOOTBALL MATCH TONIGHT

STRATFORD, July 9.—There is much interest attached to the football match in the W. F. A. here tomorrow when Stratford and Tavistock Juniors meet. Both teams are running a nip and tuck race for the honors, and Stratford has to win tomorrow night to tie up the district. A lose or even a draw would make Tavistock the winners, and the locals are determined to repeat their previous performance here when they trimmed Tavistock 3 to 1.

The local team will be composed of J. Fraser, G. Day, W. Reynolds, Hyde, T. Rose, G. Rose, W. Carter, G. Sloan, A. Barbour, R. Reynolds, and Glazier.

BEGG AND CASSELS PLAY IN FINAL O. B. A. GAME

NIAGARA-ON-THE-LAKE, July 9.—Tomorrow afternoon the final in both the trophy and association competition in the O. B. A. will be played. The competing rinks in the trophy will be Skip Cassels of Hamilton Thistles and Skip Begg of the Toronto Canadas. The semi-finals in the association will be reached tomorrow morning likely. There are still ten rinks in the running. No rink games were played this afternoon, the greens being given over to the doubles all afternoon and late tonight. There is a record entry in the doubles, 92 rinks in all.

LOOKING THEM OVER

BY BERT B. PERRY.

Flint here today for a double-header, weather permitting. Pierce's aggregation are coming here from Hamilton, where they have just had an awful time with the Tigers, losing three games in two days. They're diving hard, and the Tecumsehs are due to push them further downward.

The Hams have signed up "Hick" Ferrell, who deserted the Bay City club. Bay City has apparently waived all claim to him, and Shaughnessy was quick to grab him. Ferrell has a good arm, but they say his head isn't worth much

Yim, the Chinese ball player, has been released by the Bay City club. The new Bay City manager is making a clean sweep and shaking up the team a lot. He has signed up a new shortstop named Shaw. Grodick, formerly with London, is playing right field in Yim's place.

Lotshaw gets a home run every day at Brantford. Guess he wishes every ball park in the league had a short right field fence. He put one into the river yesterday, and the splash was so great the umps nearly called the game on account of rain.

Bills, who pitched against London yesterday, was cast off by Knotty Lee. Bills looks like a fair pitcher. The Tecumsehs were not taking many liberties with him.

Newman twisted his ankle when he stepped on the plate with London's first run yesterday. He limped during the remainder of the pastime, and when he hit his triple in the eighth he hopped part way to third base on one foot. The hit might have guess for a homer otherwise. The injury is not serious.

Guess Wetzel is glad to get his team away from London. The Saginaw players didn't have much success here, and as a result of their two-day visit their batting figures will show a big slump. Hamilton has a chance to oust them out of first place this week. Only two and a half games separate the teams.

Henrion and Reilly will probably work the double bill against Flint today. Reilly's knee is getting better, and he may be able to work today. Henrion is due to pitch, while Scott is also in line.

Command, London's left fielder, does not have a lot to say, but he's right in the old ball game all the time. He leads the league for triples. He clouts them nicely when he connects. His work in the outfield is as good as the league can offer.

Okrie looks like a hitter as well as a pitcher. He cracked the ball hard each time up yesterday, but there was always somebody in the way. Twice Allen got his line drives, and the third time he sent Lipps back to get his long fly.

"Red" Milligan gets more walks than anybody on the London team. He averages one a day, and yesterday he waited out four bad ones after taking a swing at the first two.

Saginaw had first chance at Clarke Pittenger, but Wetzel turned the chance down. "Buzz" mentioned the fact yesterday, and there was a decided tone of regret in his voice when he mentioned it.

McDaniels does some good backstopping for Saginaw. He was the only Ace who got two hits out of the games here. McDaniels made half the Saginaw total.

BEAVERS AND WOLVES PLAY LONG AND HARD

KITCHENER, July 9.—The Kitchener Beavers and the Bay City Wolves played baseball for four hours and thirty-five minutes this afternoon, with only ten minutes' intermission between the two games. The Beavers won the first by 6 to 3, the visitors scoring only 7 hits off Chaple. Wheeler was hit in bunches by the Beavers, who kept sale distance from their opponents in scoring runs. The second game was called at the end of the ninth on account of darkness. Both teams started off with new pitchers, Kitchener trying out O'Rourke, who lasted for five innings and was replaced by Ross, and the Wolves tried out Campbell, who only lasted part of the first inning, and Cook relieved him. Bay City came from behind and tied the score in their half of the sixth, and gained a lead of one run in the seventh. Kitchener tied it up again. No runs were scored by either team in two extra innings. Scores of the games:

TOLEDO MUST PAY BACK SOME MONEY TO "TEX"

Toledo, O., July 10.—The Toledo boxing commission, under whose auspices the Willard-Dempsey heavyweight bout was staged here on the Fourth of July, will be obliged to turn back to the promoters the sum of $1,248.75 it developed today, after Government revenue men had finished checking up the figures.

According to official reckoning, the proceeds of the fight, after the Government tax had been deducted, totalled $410,732.16.

More than two weeks before the bout, Tex Rickard, the promoter, gave the commission $30,000 as the city's seven per cent. exacted before the permit was issued.

The check up shows that the sum the commission should have received was $28,751.25.

WEATHER UNFAVORABLE FOR GRAND CIRCUIT

Cleveland, July 10.—Six races were on today's Grand Circuit card at North Randall, but it was doubtful early today whether the program could be carried out because of unfavorable weather. Five three-heat events and one 3-year-old mile dash were down for decision. With nineteen entries the 2:17 pace was divided into two sections.

The Tavern stake for 2:14 trotters, with a value of $3,000, was the feature. Twelve horses were entered and it promised to be another open race.

Second in importance was the 2:05 trot, which promised to furnish the fastest trotting exhibition of the year. Five accepted the issue. Nine go in the 2:18 trot and five colts start in the mile dash.

PLAY COMMENCES FOR METROPOLITAN HONORS

New York, July 10.—Play for the Metropolitan open championship began at the North Shore Country Club today, with more than 100 players entered. The day's program consisted of 36 holes medal play with the final 36 holes tomorrow.

Among the prominent players taking part in the tournament are Walter Hagen, national open title holder, and present Metropolitan open champion; Mike J. Brady, runner-up to Hagen in the national open championship, and many other stars.

FORMER GIANT CATCHER DIES OF ATHLETIC HEART

New York, July 10.—Alexander Smith famous as a professional baseball catcher until four years ago, and a former player on the New York National League team, died suddenly at his home here last night. An athletic heart was given as the cause of his death, brought on by strenuous activities on the ball field in almost every state in the country.

PREPARING TO RACE ON TWO TORONTO TRACKS

Toronto, July 10.—The officials of the Metropolitan Racing Association are preparing to hold race meetings this season at both their local tracks, Hillcrest and Dufferin Park, and express themselves as being confident that the embargo against racing will be removed. Pari-mutuel betting will be the sole means of speculation at these race.

WHAT'S IN A NAME?

[Hamilton Spectator.]

The Fourth of July fuss at Toledo meant considerable to William Stroud of this city. "Billy" did not have a cent bet on the big fight, but he purchased a green pacer a few days before the fight and made a very good showing in the 2:24 class, getting as close up as fourth in the second heat. Jess Willard is a dark brown colt, and was purchased from a Dresden horseman, but now that Jess is no longer the champion, Mr. Stroud figures that the name might be a "Jonah," and he will make application to the registration board to have the name of the colt changed to Jack Dempsey, and he will cost $50 to have the change made. But if there is anything in a name it will be sixty "sawbucks" well spent.

CALL VOUNTEERS FOR RAILWAY LINES, SAYS CITY LEAGUE

People Ask German Minister To Act—Carmen More Outspoken Than Ever.

BERLIN, July 9.—(By The Associated Press.)—Gustave Noske, German minister of defence, was asked today by the Citizens' League to call for volunteers to man the surface and subway lines in Berlin and to provide military protection on the trains. Negotiations between the men and employers failed today. The striking carmen are becoming more outspoken in their attempt to enforce their demands, while the companies apparently are equally determined to insist upon arbitration by a board whose verdict shall be final.

Leaders of the railway workers, who have been on strike for some time, are reiterating their statements that the present resumption of work is only a truce and that the demands of the railway workers will be renewed when prospects for a general strike seem better. Representatives of the railway companies assert that transportation conditions are approaching normal.

HEROISM WHILE IN GERMAN HANDS WILL MEET WITH REWARD

Announcement of Interest To Canadians Who Were Prisoners.

OTTAWA, July 9.—Officers and soldiers of the Canadian expeditionary force who displayed gallantry while escaping or attempting to escape from the enemy, or who rendered exceptional services whilst prisoners of war or interned, are eligible for a reward. An order of the militia department just issued states that recommendations for such reward may now be submitted.

The facts supporting each recommendation must be substantiated by statements of evidence from at least two witnesses, who have first-hand knowledge of the case and should reach militia headquarters before August 31. Officers and soldiers who are still serving should submit their claims through the usual channels. Those who have been demobilized should proceed through the officer commanding the military district in which they reside.

BOLSHEVIK PROPAGANDA IN NEW BRUNSWICK

FREDERICKTON, N. B., July 9. — Bolshevik propaganda was openly distributed by several unknown men last night to several thousand people.

It is believed to be the work of persons in the vicinity who are known to have Bolshevistic tendencies. Before night some conclusive evidence will probably be in the hands of the police.

This morning, Chief of Police Finley issued a warning to all persons who have copies of The Red Flag and other pamphlets distributed last night in their possession to turn them in to him at once, as it is an offence to have the literature in one's possession.

CALL TO BLACKSTOCK PASTOR SUSTAINED

WINGHAM, July 9.—Maitland Presbytery has sustained a call from Pine River to Rev. Gilbert Gomm of Blackstock, offering a stipend of $1,500, a manse and two weeks' holidays. Provisional arrangements were made for his induction.

Several congregations reported having already taken action regarding the increase of stipends. It is expected that the others will follow suit.

The presbytery also took action with a view of effecting a rearrangement of congregations or co-operation with other denominations, so that the work could be further consolidated.

2,000 EMPLOYEES OF FIVE MONTREAL PLANTS MAY STRIKE

Wireworkers May Draw in Other Crafts if Demands Are Refused.

MONTREAL, July 9.—Two thousand employees of five plants of the city and district have issued a strike ultimatum to their firms, the Steel Company of Canada, both the Montreal and Lachine plants, the Colonial Wire Company, the Phillips Steel Wire Company and the Wire Rope Company of Lachine. The men directly affected are the wire workers of all kinds of these firms, but it is said that in the event of a strike taking place other crafts of the steel company, who have also presented a new scnedule, would also become involved. The time limit of the ultimatum is Friday, and if a reply is not received before that day, either granting the terms demanded or consenting to bargain regarding them, a strike vote will be taken. The wire workers, some of whom, it is said, receive 27 cents an hour, demand a 75 per cent increase and an eight-hour day.

GIVEN UP FOR LOST, GUELPH SOLDIER IS NOW ON WAY HOME

Family Turns From Mourning to Unfettered Joy When Word Comes.

GUELPH, July 9.—"Reported missing" was the message received many months ago by the father of Pte. Theodore Kurpenskyn, and long ago the family had resigned themselves to the inevitable, and mourned his loss.

"Arrived safe, wire later, Theodore," was the message received this morning by Michael Kurpensky of 140 Ontario street, and joy reigns supreme in that household today, for the son and brother, whom they all had mourned as dead, had signed the message.

Members of the family are in a mood of joyous expectation, anxiously awaiting a telegram from Toronto, or some other place en route from Halifax.

Theodore Kurpensky enlisted in 1915 in the 153rd Battalion, and is a brother of J. A. Kurpensky who arrived from overseas a short time ago.

ASK MEXICO TO LET MEN IN OIL FIELDS ARM FOR DEFENSE

American Oil Interests Also Want Privilege of Using Airplanes.

NEW YORK, July 9.—Representatives of American oil companies operating in Mexico were said to have asked the state department today to request permission from the Mexican Government for their employees in Mexico to arm themselves for protection against bandits. It also was said that the department was asked to request permission for the companies to use airplanes in transporting money to the oil fields to pay their men, so as to minimize the possibility of the payrolls falling into the hands of the bandits.

A third request, understood to have been made by the oil men, was that the United States Government insist on the revocation of the decree prohibiting the drilling of new oil wells. The representatives of the companies represented that Mexican federal troops were enforcing this decree.

PRINCE HENRY OF PRUSSIA URGES KING GEORGE TO GO EASY ON EX-KAISER

BERLIN, July 9.—(By the Associated Press).—Prince Henry of Prussia, brother of the former emperor, has now come to the aid of the dethroned war lord and adds his plea to that of the others for abandonment by the Allies of their project to bring the former kaiser to trial for his crimes against mankind.

Prince Henry, in a telegram to King George begging him to desist in the effort to extradite the former monarch, pledges himself to assist the king in bringing to light "the truth regarding the war and its consequences."

In his message Prince Henry says that after his conversations with King George in July, 1914, he returned to Berlin and was with the then emperor until mobilization began. The telegram continues:

"I can testify that the kaiser and his counsellors endeavored by every means to avert the war and disaster to mankind. I am ready to refute the calumnies regarding the German kaiser which have circulated for years in contradiction of all truth, and I place myself at your disposal in order to assist your majesty in bringing to light the truth regarding the war and its consequences."
