TORONTO CANOE CLUB.

Nineteenth Annual Dinner Was a Record-Breaker—Toasts Given and Program Rendered.

The nineteenth annual dinner of the Toronto Canoe Club was held last night at Webb's, when cloths were spread for over 230, and was the most successful one in the history of the club.

The arrangements were perfect and well carried out, the tables being prettily decorated, while the repast was a sumptuous one. The menu cards were of unique design, being a fac simile of the club burgee. After dinner came the usual toasts, which were responded to in a genial way, as follows:

"Our Own Sport," Messrs. Howell, Tilley and Ford. "The Ladies," H. Patterson and E. McKenzie. "Past Officers and Veterans," W. Sparrow and H. Nelison. "Our Canadian Contingent," Dr. E. E. King and George Wilkie. "Our Racing Men," P. Syms and G. W. Begg.

A musical program followed, to which many of the club's members contributed in a creditable and acceptable manner.

Cricket Games Arranged.

New York, Jan. 26.—The Intercollegiate Cricket Association intends this year to make a strong effort to promote interest in the game among the colleges of the country. At the annual meeting, held recently, the following officers were elected: President, C L Clay, Harvard; Vice-President, T C Jordon, University of Pennsylvania; Secretary and Treasurer, L W DeMott, Haverford College. Negotiations have been entered into with the colleges of Canada to bring off an international game, and it is probable that this will be played at Toronto in June or July. A series of games has also bee narranged to decide the championship of the United States. Harvard, University of Pennsylvania and Haverford College have entered for this and will play the following matches:

May 19, Haverford College v University of Pennsylvania, at Manheim; 25, University of Pennsylvania v. Harvard, at Manheim; 26, Haverford v. Harvard, at Haverford.

Stanley Gun Club.

The first of the series of five handicap shoots for a silver cup generously donated by Mr. Charles Ayre will be held on the club grounds, corner of Bootle and Eastern-avenues, on Saturday afternoon, at 2 o'clock. Mr. Ayre stipulates that the cup be shot for at 50 sparrows, divided into five shoots of 10 birds each, handicapping to be by distance only. The first contest is to take place Jan. 27, and will be continued weekly, finishing Feb. 24. A small entrance fee will be charged to provide two extra prizes for the match. Members are requested to put in their entries at once, as no entry will be accepted after the close of the first shoot.

N. Y. State's New Racing Bill.

Albany, Jan. 26.—The bill introduced by Assemblyman Gale to shorten the period of racing in this State thirty days, making the season from May 1 to Nov. 1, instead of April 15 to Nov. 15, as the law reads now, is a measure that will injure "Cap" Riley, the largest shareholder of the Aqueduct track and a member of the "third house" in this city. The race meetings at the Aqueduct track are held at the beginning and the end of the season. Assemblyman Gale, who hails from Queen's County, is probably aware of this fact.

The reason given by Assemblyman Gale for introducing his amendment is that he has is fearful of a couple of more tracks being built. He believes there are enough now, and he has introduced his measure in order to head off prospective new race courses.

Mr. Gale, it would seem, is needlessly alarmed. No track can give a meeting without a license and dates assigned to them by the State Racing Commission, which is composed of August Belmont, John Sanford and E. D. Morgan.

With seven associations clamoring for dates—the Empire Track is included—it is not likely that there are any men anxious to enter a field of sports that is already crowded to the limit.

Fred Darling First.

Belleville, Jan. 26.—The track was in such bad condition this morning that the unfinished free-for-all was declared finished as per yesterday's summary, namely: Fred Darling 1, Annie Gould 2, Furioso 3, Golden Prince, 4, Black Joe 5. All pools were declared off.

Dr. Forest, 2.22¼.

The well and favorably known trotter, Dr. Forest, record 2.22¼, will be sold by auction at Grand's Repository on Tuesday next, at 11 o'clock, without any reserve. He is a good-looking chestnut gelding, and, with all his speed, is safe for a woman or child to drive. About 40 other horses will be sold on the same day.

No Matter How Long It Takes England to Defeat the Boers

It is now an acknowledged fact that the famous "Collegian" cigar, Which J. A. Thompson, Tobacconist, 73 Yonge-street, retails at 5 cents straight, is superior to many so called 10-cent brands. Try them and you will be convinced. 6

With serene and happy face you can tour the country on a Dunlop-tired mount—when summer comes again.

THE BIG BOXING PROGRAM

Young Mahoney Arrives in Perfect Shape for 20-Round Bout With Duggan To-night.

BOTH MEN DOWN TO WEIGHT.

Speculation on Main Event, as Well as on the Go Between Popp and Hennessy.

Young Mahoney arrived from Philadelphia yesterday morning on schedule time, along with Manager Bowman and Steve Flanagan. They are stopping at the Globe Hotel. The celebrated welter looks the size of a lightweight, and anything but a scrapper. He is without the usual facial disfigurements generally noticeable in boxers, and is decidedly of handsome appearance. Mahoney is only 21 years of age, 5 ft. 10 in. tall, of dark complexion, and is one of the few men who have never been defeated. Tho Spike Sullivan, George Kerwin, Billy Smith, Charlie McKeever, Jack Bennett, etc., have all fallen before him, his record does not figure in the dope books, likely because he has done most of his fighting around staid old Philadelphia.

TORONTO'S clean boxing rules will just suit him, and in case of defeating Duggan to-night at the Bijou, he will endeavor to secure a return engagement, tho matches come his way prettily easily in the east.

Mahoney appeared very solicitous about Duggan's weight, having heard that he had been fighting Kid McCoy and other big men in the west, and was very glad to know that the Australian was below the limit. The Quaker is in perfect condition, and will take light work this morning at the Athenaeum gymnasium.

Duggan continued his careful exercise yesterday, with the result that he scaled 144 pounds in the afternoon, much to the satisfaction of Mike Campbell, and light work will be in order to-day. The men will weigh in at Pember's baths at 3 o'clock this afternoon. The preliminary contestants will also scale at the same hour.

Middy Hennessy had four pounds to take off since his arrival, and Manager Galvin reported that his protege was under weight last night. On the other hand, Willie Popp was training up, and will enter the ring to-night at not more than 106 pounds.

Any number of small bets were recorded yesterday on the result of the main bout, generally at even money and 10 to 10 on Mahoney. A plunge is expected on Hennessy when patrons arrive from Syracuse and Hamilton, and Popp's supporters will be read ytor all of it. The quotation on this bout is even money.

The Crescent A.C. has everything arranged to handle a record crowd and pull off the events promptly. The first bout will be put on at 8.30 and the main contest at 10 o'clock. The prices are 50c, 75c, and reserved seats $1, on sale at McDowall's, 75 Yonge-street.

Manager Wilson of Buffalo, on behalf of Jim Ferns, the Kansas Rube, has challenged the winner of the main bout, and Sig Hart of Chicago challenges Popp or Hennessy. Here is the program:

Al. Casey v. Ed. Ryan, both of Toronto, 5 rounds, at 135 pounds.

Middy Hennessy, Syracuse, v. Willie Popp, Toronto, 10 rounds, at 108 pounds.

Young Mahoney, Philadelphia, v. Tom Duggan, Chicago, formerly of Australia, 20 rounds, at 145 pounds.

The men weigh in at Pember's baths, Yonge-street, at 3 o'clock this afternoon.

Mr. John R. Bennett will referee all the contests.

Twenty-Round Draw.

Hartford, Jan. 26.—Dal Hawkins of California and Martin Flaherty of Lowell fought a 20-round draw at the Coliseum here last night. Hawkins commenced hostilities in the first round by landing a left swing that floored the Lowell man. He was up in an instant and returned the blow with interest. In the 17th Flaherty, with a series of right and left swings, had Hawkins groggy, but he was too tired to complete his work. In the remaining rounds both men fought fast and were tired out after a most terrific battle. During the latter part of the fight Hawkins fouled continually, altho on several occasions it was due to Flaherty jumping up to avoid blows.

BALTIMORE AND WASHINGTON

National League Offers to Place Them in the Eastern Baseball Circuit.

POWERS ACCEPTS CONDITIONALLY.

Clubs Replaced Must Be Bought Out—Big League Reduced to Eight Cities.

Cleveland, Jan. 26.—At the secret meeting of the National League Circuit Committee yesterday those present were: Chairman John T. Brush of Cincinnati, James A. Hart of Chicago, and A. H. Soden of Boston.

After a short meeting the doors were opened to admit F. A. Abell, Ed. Hanlon and C. H. Ebbetts of Brooklyn, Frank De Haas Robison of St. Louis, Stanley Robison of Cleveland, Harry Pulliam representing Louisville; President Pat Powers of the Eastern League and President Ban Johnson of the American League. No representative of the Washington Club was present. Col. Rogers of Philadelphia came to the meeting, but was called home.

Cleveland and Louisville first made known the terms by which they would surrender their franchises. The committee considered these reports so favorably that Presidents Powers and Johnson were called in to know what they had to offer in the way of taking up the abandoned territory.

Johnson said he very much wanted Cleveland, and was willing to put a club in Louisville if certain concessions were made. He also said he wanted a club in Chicago, and intended to establish one there.

Johnson and the Robisons had already closed a deal by which the American League was to invade Cleveland, and this arrangement was endorsed by the club-owners present. After the meeting Johnson announced publicly that arrangements to put a first-class club in this city would be commenced forthwith.

Then Ebbetts and Hanlon made known the terms under which Baltimore would get out. The magnates acted as a unit, and their offer led the committee to call in President Powers and ask him if he would take Baltimore and Washington. Powers said that if any cities in his league were abandoned to make room for Washington and Baltimore, they must be bought out; not thrown down. If he could arrange this in a satisfactory way he would like the territory to be abandoned by the National League in the east.

After the committee adjourned Brush said there was nothing official to give out.

"The committee," he said, "now has the ultimatums of Cleveland, Louisville, Baltimore and Washington. We will report back to the league. It is for the league to say if these cities are dropped. Personally, I think we'll have an eight-club league."

Ebbetts said: "The Indianapolis agreement of 1890 is still intact, and will be until the league takes action."

Soden expressed himself unqualifiedly as of the belief that the meeting here would result in an eight-club National League.

All those present at the meeting were sworn to secrecy regarding the prices placed upon the franchises of the Cleveland, Louisville, Baltimore and Washington franchises.

It is understood, however, that the figures given at the league meeting in New York were about cut in half.

Soden left for Boston at 3 p.m. Harr and Brush are still in conference. Hart is confident that an eight-club league is now an assured fact.

THE HOCKEY BURLESQUERS.

Osgoode Hall is Game and Still Playing in Senior O. H. A. Series—The Record Score.

The senior hockey match played at the Victoria Rink last night between the Wellingtons and Osgoode, resulted in a victory for the Wellingtons by 22 goals to 4, the half-time score being 10 to 2.

The game was nothing more or less than a burlesque on hockey, as the Wellingtons scored when and how they pleased.

The first half was only a preliminary canter, and the last half a gallop all the way.

Hockey players up at Osgoode must be scarce, judging from their work last night and it would be hard to say to which series they belong, as it is certainly not the senior. The only man on Osgoode's team who did any work was White in goal, and he did well, notwithstanding the big score against him.

The crowd was a small one, there not being more than 100 in the rink, mostly small boys. The teams:

Wellingtons (22): Goal, Morrison; point, Murphy; cover, Darling; forwards, McKay, Hill, Chadwick, Ardagh.

Osgoode (4): Goal, White; point, Monteith; coyer, Styles; forwards, McGee, Parmenter, Meyers, Jackson. Referee—Bert Morrison (U.C.C.). Umpires—Nasmith, Nevins. Timers—Church and Drury.
