Meeting of the School Board.

The regular monthly meeting of the School Board was held yesterday afternoon, when the new chairman, Mr. John Boyd, took his seat. The following letter was read:—

OFFICE OF THE BOARD OF SCHOOL TRUSTEES OF SAINT JOHN, ST. JOHN, N. B., March 19, 1875.

To the Gentlemen composing the Saint John Board of School Trustees:

GENTLEMEN,—As intimated to you at the recent monthly meeting of the Board, I tendered my resignation of membership to the Government, which resignation has since been accepted.

On retiring from the Board, I feel that it is not only a duty, but a very great pleasure to express to you my warmest thanks, for the uniform kindness and courtesy which I have received at your hands during the lengthened period of our association, and more particularly for the confidence you reposed in me while serving you as chairman.

I trust that the harmony which has hitherto characterized the Board may be long continued and that much good will result to the service in which we are all so much interested.

Will you be kind enough to convey to the officers of the Board and the staff of teachers my appreciation of their services, and my thanks for the courteous manner in which they have always received every suggestion which I have thought it my duty to make to them. I trust and believe that my successor will receive equal attention at their hands.

I have the honor to be
Respectfully yours,
CHAS. A. EVERETT.

At a later period of the meeting the letter was taken from the table and the following resolution unanimously carried:

Resolved—That by the resignation of Chas. A. Everett, Esq., as Chairman of the Board of School Trustees of St. John, the members of the Board have sustained a very great loss, and they feel that they cannot allow him to leave without recording their high estimate of the earnest diligence, untiring zeal, and constant attention he has always given to the interests of the city and public schools, not only during the time he has occupied the position of Chairman of the Board, but during his whole connection with the Board, which has been since the inauguration of the present existing system. And their heartfelt wish is that he may always be able to give as much satisfaction in any public duties he may in future undertake, as he has given during his connection with the Board.

The Secretary was directed to forward the above resolution to Mr. Everett under the seal of the Board.

The other business of the Board consisted of matters of no public interest, with the exception of the award of the building of the school house, Carleton, to A. Christie & Co., whose tender was $16,286.

The following arrangement for the half yearly examinations was adopted:

Feel Bad about It.

The firemen belonging to No. 3 Company feel aggrieved at the remarks of the Magistrate in the recent investigation. They allege that His Worship placed good and bad on the same category, and, in consequence, they have seriously considered the propriety of resigning. It is understood that one member of the company has made a verbal resignation, and that the others had gone so far as to sign a written resignation, which, after consideration, was not tendered.
