LOCAL & OTHER MATTERS.

JOSEPH CARSON had the end taken off his finger on last Saturday by a car wheel falling on it.

MR. MCNUTT, of Springhill, is erecting his soap factory on his own premises, near the hotel at that place.

MR. THOMPSON has been duly installed at the Niagara House, Springhill, and a most agreeable host he makes too.

MR. T. D. BLAIKIE, son of Mr. John Blaikie, of Great Village, has graduated "B. A." at Sackville Academy.

COUNTERFEIT ten cent pieces are in circulation in Charlottetown, P. E.I.

MR. HARRY APPLETON went to Springhill yesterday on company's business.

—:o:—

WE notice by the Springhill "News" that that thriving and fast-growing town is to be illuminated with the electric light.

—:o:—

MR. K. M SOLOMON has closed his place of business, and accepted a position in connection with the new pipe foundry.

—:o:—

THE breaking of a wire rope used on the incline at the west mines on Monday last, resulted in the smashing of four cars.

—:o:—

HON. A. W. MCLELLAN, postmaster general, passed through Londonderry on Wednesday, en route to Halifax. He will visit Acadia Mines on his return.

—:o:—

A QUICK TRIP.—Mr. Banford, supt. of the pipe foundry, left for Montreal on Monday night, on business connected with his department, transacted his business, and returned on Friday morning.

—:o:—

THE letter box on the east side of the river has been removed from the old stand, and is now placed on T. E. Atkins' drug store, commonly known as "The Branch."

THE school concert, which is billed for the 15th inst., promises to be something very nice, and as the proceeds are to be devoted to a good laudable purpose, the people of Acadia Mines should use every effort to secure them a good house.

MR. BAMFORD BURROX and William Recce went out to Webb's Lake last Saturday trouting. They were about three hours fishing, and caught over ten dozen fine trout, many of them weighing 3 lbs. Next!

WE notice, by report of the meeting of the juvenile temperance society that they have been having some discord in the ranks. This is to be regretted, as the temperance people of this county should work together harmoniously in this cause, if ever the desired object is to be obtained.

EQUINE MAYOR.—The new float "Skimmer" will be launched on the 25th with a well-known captain in charge. The "Skimmer" will contain four competitors for the prize, and judging from their former catch—as told by themselves—the experts will have to look to their laurels. Remember entries must be in by the 5th June.

WE direct the attention of all to the advertisement in another column of G.W. Cox on behalf of the Manufacturers' Accident Insurance Company. This is, without doubt, the best thing in the way of insurance ever offered to the public. It is especially adapted to the circumstances of the men engaged in our iron works here, where accidents are so common. We think every man around the rolling mill furnace and foundry should allow no time to elapse before he takes out an accident policy. The cost is very small in comparison to the benefits secured.

SCENE IN A GROCERY.—Enter Mr. M—What is your lowest cash price for Flour? Merchant—$5.50 per bbl.

Ah yes. Can you give me 10 lbs. for 25 cts? No, not this week.

Why they beat you all to rags on Groceries in Truro. I was up there yesterday and back to-day. I was all around among the stores and can get Flour at $5.25; Corn Meal $4.00; Sugar at 7 cts. and Spools. Why I can get a Spool in Truro for 3 cts., the very same as you sell at 4 cts.

Merchant—My friend, give me your attention a moment. You are worth on the farm at least one dollar per day. Well; you spend a part of two days going to Truro, as you acknowledge you went up one day and back the next. Very well, let us figure the cost:

TRURO.

Say time lost	$ 1.00
Car fare up and back	65
Supper 25c. breakfast 25c. and bed 25	75
Bbl. Flour $5.25, bbl. Corn Meal $4	9.25
20 lbs. Sugar, 7c. $1.40, Spool 3	1.43
Freight 25c. Truckage 25c.	50
	$ 13.61

ACADIA MINES.

Bbl. Flour $5.50, bbl. Corn Meal $4	$9.50
20 lbs. Sugar 7 1-2 $1.50, Spool 4c.	1.54
	$11.04
Bal. in favor of Acadia Mines	$ 2.57

Mr. M—I see it now. "Are we then so much alike Alexander and the robber, take off his chains and test him well. Let me reflect." Great Scott! This is not like Halifax on the pipe contract.

BISHOP COURTNEY held a confirmation service in St. John's Episcopal church, Truro, on last Monday evening. The largest number ever confirmed in that parish at one time was presented for the holy rite. A number from Acadia Mines also presented themselves.

THE Acadia Mines Brass Band played out last Thursday evening, to the enjoyment of all. Their improvement during the past few months is quite perceptible, and Acadia Mines can, with just pride, congratulate itself upon having one of the best country bands in the Province. They have just received a very fine silver tenor trombone, and a silver cornet, for finish and tone they speak for themselves. The band is still under the efficient leadership of Mr. John Thomas.

Ferguson's meat is wholesome and sweet,
To sell it some rhymes they have made;
But if you wish health, which is greater than wealth,
You will purchase my pure lemonade.

I have it on hand as the favorite stand,
By A. J. Steele it is made;
Ferguson's goods may be good, and their meat good for food,
Yet not equal to pure lemonade.

And now, if you please, you can behold disease;
Take courage and don't be afraid,
To purchase it right you cannot get tight,
On my pure, healing, cool lemonade.

I have Syrups in lots and numerous Pops,
Such as Ginger, Cream, Soda and Mead,
And El-Padre Cigar, I sell them at par,
In addition to pure lemonade.

I sell all kinds of Nuts, Figs, and Dates are in butts,
Cakes and Candy of a very fine grade;
If you taste the whole lot there's nothing you'll spot
As quick as my pure lemonade.

I have all kinds of can, and goods in the pan,
Now they are cold, but hot, if so made,
Oysters, Lunches, and Meals at old Sandy Steeles'
With desert and cold lemonade.

Last and not least, my tobacco of twist
And other brands no superior is made,
When you give them a test you'll find them the best
Of all things except pure lemonade.

I do not prate of great honest weight,
Or measure just, try to parade,
The public will learn to soon toot the horn
And blow for my pure lemonade.

In my business I make Oranges and Lemons a specialty."

A. J. STEELE.
