SHERWIN-WILLIAMS PAINTS & VARNISHES

The paint that protects the outside of a house should not be the same as the paint for a floor or a door or a wall. Different surfaces require different finishes. There should be but one thing in common—*Sherwin-Williams quality*—the quality that makes each paint, varnish, stain, enamel or other finish just right for its purpose.

If you know the paint and varnish you are using on your house or in your home are made by the same maker in the same sure, careful, painstaking way as the paint used on iron bridges, steel buildings, railroad cars and automobiles, we believe you will have more confidence in them.

Annual Report of Athens W. I.

In preparing a report of our work for the Institute year ending May 31st, I paused to think of how inadequately figures express the real work, benefit, profit and pleasure which filled the past year of our Institute life. We have met many times during the year as one large Canadian family.

In our keeping of the "Home and Country" motto we learn many things not the least of which are the sharing of our advantages with the one next door, the reaching out of a helping hand, the giving and taking of opportunities, blessings and pleasures. The strongest factor in Institute work is just this feeling of comradeship in the betterment of our surroundings, the furthering of social life in our community on broad and common sense lines.

We, as Canadian women, are proud of the response made by Canada's sons in answer to the call of our Motherland. We, as Institute women, feel that we have our part to play in this great stinggle in which thousands of our brave soldiers have fallen and in which thousands may fall before its close. We have worked and we intend to continue to work as long as our boys are called upon to defend the flag, the symbol of Liberty, Truth, Justice.

For the comfort of our soldiers we have sent to the Red Cross Society at Toronto :—

36 pair socks
5 flannel shirts
45 night shirts
38 towels
16 pillow cases
33 pair wristlets; 17 pair donated by W. C. T. U.
77 handkerchiefs
8 yards gauze
7 pillows 2 undershirts
1 pair sheets
2 lbs absorbent cotton
19 rolls bandages, Vaseline.

We sent 8 pair socks to the soldiers at Kingston,

Raised $80.25 for the Hospital Ship Fund.

Raised $100.00 cash for Red Cross Society.

Sent 5 bales of clothing to the Belgians.

Besides this our work for home has been to raise $100.25 for street lighting fund and $48,85 for library fund.

Farewell to Margaret Shaw

(From The Chesterville Record)

About thirty-five of the young people assembled at the Music Hall on Wednesday evening to bid farewell to Miss Margaret Shaw, before taking her departure to her new home in Athens, Ont. Games and dancing were indulged in.

A dainty luncheon was served, after which the following address was read by Miss G. Barkley :

Dear Margaret—On behalf of your young friends of Chesterville, we wish to express the regret we feel at your removal from us. On all occasions you have been one of our number, and we will miss your sympathy and the charm and sweetness of your personality. Especially will we miss you whenever it is our task to assist in concert work, for your musical talent as well as your many others, have placed you in a high position among us. Will you let us act the part of the prophet, by saying that we predict for you a successful musical career. Your sweet voice and your already masterful touch on the piano are valuable qualities in one so young.

As you go to your new home, you will carry with you the highest esteem of your many Chesterville friends, and we wish you happiness and success in every department of life. After leaving us you must form new friendships, but we trust that you will always keep a warm place in your heart for the friends you are leaving.

As a souvenir of our affection and esteem, we ask you to accept this camera.

Signed on behalf of your Chesterville young friends.

Presentation was made by Mr Bob. Hamilton.

Miss Shaw, although taken by surprise, thanked her friends for their kind remembrance of her.

After the singing of "Auld Layng Syne," the happy little band dispersed.

Patroness—Miss I. B. Merkley.

War Pictures Barred

No war pictures, real or faked, can be presented by the "movies" in Ontario. This is the decision reached by the Provincial Board of Censors, who have been in communication with the Militia Department. Pictures of troops marching, with bands playing and colors flying, are permitted but all films professing to represent the ghastly scenes of actual bloodshed—the large majority of which the censors have reason to suspect are "faked,"—will not be permitted. The order necessitated the recall of certain war scenes alleged to be reproductions of happenings in Belgium.

Brockville Business College

On the east side of the Fulford Block, Court House Avenue, Brockville, is a large sign bearing the words BROCKVILLE BUSINESS COLLEGE. This sign last year needed repainting and a sign Painter offered to do same for $10.00 per word or a total of $30.00. This sum Principal Rogers thought too much, so the painter made the following offer : To paint the first letter for one cent and the price was to be doubled on each succeeding letter of the three words BROCKVILLE BUSINESS BOLLEGE, i.e., that is the doubling process was to go on for 24 times after the first letter. To this the principal agreed. When the painter sent in his account the principal was alarmed and thinking there was a mistake sat down and worked it out. Finding that the account had been rendered correctly the business college manager sent the painter a check for $30.00. If the painter insists on his own proposal, how much is coming to him ?
