LEAFS SUCCUMB TO BALTIMORE SKEETERS TRIM THE BISONS

Orioles Win Listless Game, 4 to 1, While Earl Moore Twirls Winning Ball at Buffalo—Newark and Rochester Win.

It was not a pitchers' battle, nor a hair-raising contest that enabled Dunn's Orioles to trim the Leafs by 4 to 1 in the first game of the series. On the contrary, it was a listless exhibition, marred by the punkest of mistakes on both sides, and the Leafs' poor base-running.

A hoodoo game might cover the whole affair, and, altogether, it was a marked contrast to the Providence series. No wonder Baltimore are acknowledged as Torontos' hoodoo. However, the Bisons went down to defeat before the Skeeters, and the blow does not kill father.

Getting back to the game: McCloskey and Applegate were the opposing fire artists, both twirlers being touched up with a will in the early stages, but, as the fight neared the closing round their work grew better, also, let it be mentioned, the fielding.

As before stated, there was nothing sensational to the affair, altho, perhaps, before going any farther, it might be well for Umpire Cusack to either get a pair of field glasses or else be a squaw and squat on the coaching line, near first base. Some of his decisions were bad around that turn.

Bill Carrigan had the misfortune to have his thumb injured in nailing O'Hara at the plate in the fifth, and was forced to retire, Hurley taking his place. O'Hara also injured his leg and had to take an enforced rest. Bill Phyle was at his old place, third base, again.

The Birds dinged the bell twice in the third. McCloskey got a life on a punk hit that spun away from Flynn. The runner stole second, going to a peg from home when no person covered second on Carrigan's throw. O'Hara was passed up. Hall pop filled to Schafly, while Kelly biffed a long one to Kelley, McCloskey scoring on the return and O'Hara going to second. Byers singled and succeeded in drawing the throw, but before he was run down O'Hara had crossed the plate.

The visitors annexed a couple more in the fifth. McCloskey was safe on Flynn's fumble. O'Hara singled, while Hall sacrificed the runner a peg nearer home. Kelly was hit by pitcher, filling the bases. Byers singled over second, McCloskey crossing the platter, but O'Hara was nailed on Kelley's throw. Dunn walked and Applegate followed it up by hitting Demmitt, forcing in Kelly, who previously had received one of Applegate's shoots. Rapp flied to Wotell, retiring the side.

The Pets had two singles in the initial spasm, but the necessary was lacking. Again, in the third, two more were recorded, but still there was nothing doing. In this innings Wiedy led off with a double to left, but was nailed trying to stretch it into a triple. Schafly followed with a hit and stole second, but Kelley and Phyle flied out.

The locals' lone count was notched in the fourth. Carrigan got a life on Hall's error and Flynn singled. Carrigan was caught off second, Flynn making the middle sack on the out. Frick failed to get on, while Wotell's infield hit tallied Flynn. Applegate was safe on Hall's second error, while Wiedy walked, but Schafly fell by the wayside. Score:

One Hit Off Moore.

BUFFALO, Aug. 21.—Pitcher Moore was in great form to-day, allowing the Bisons but one hit, but his wildness in the ninth came close to allowing Buffalo to tie the score, when one run was forced across the plate. The fielding of Nattress and Curtis was of the sensational order. The score:

Newark 5, Montreal 4.

MONTREAL, Aug. 21.—(Special.)—In a listless game, which was characterized by loose fielding, Newark took the first of their series with Montreal by 5 runs to 4 to-day.

Pardee and Keefe were on the slab, and, while the former was touched up for more hits than Keefe, still he was steadier, his control being excellent. Keefe hit three men and passed thre, and one he passed. Mullen, scored, and one he hit. Mahling did the same. The fielding behind Keefe was ragged, Corcoran and Snowden contributing expensive errors. Newark did not get a hit till the fourth, when Mullen walked and tallied on Zacher's double to left. They had a batting festival in the eighth, and, aided by a cuple of errors, won in four runs and clinched the game.

A one-handed catch by Madigan and fast double-plays, Clarke to Brown, and Shean to Corcoran to Brown, were the fielding feautres. McCarthy's umpiring was punk. A double-header will be played to-morrow, and another on Saturday.

Baseball Notes.

McCloskey kicked the water pail over on returning to the bench after Toronto had scored in the fourth. Perhaps he anticipated a shut-out. He was lucky to score a win.

Jimmy Tamsett, with Toronto early in the season last year, is putting up great ball for Steuben, in the P. O. M. League.

Earl Moore was in great form yesterday at Buffalo, only one hit being recorded off him, and that fell to the lot of Jimmy Murray.

Steamer Flanagan won the game for the Bronchos yesterday with a homer, with two men on bases.

Pitcher Joss of Cleveland has won from every American Club except Philadelphia.

Washington has lost 22 games this season by a single run.

Philadelphia Nationals have won more games from Chicago than any other club.

Detroit had two catchers put out of business yesterday by foul tips.

Detroit lost a chance yesterday to again lead the American League.

Otey, the crack pitcher of the Norfolk baseball team, in the Virginia State League, was yesterday sold to the Pittsburg team, in the National League, for $1500. He will report Sept. 21, at the close of the Virginia League season.

President McCaffery of the Toronto Ball Club has forwarded to Secretary Farrell of the National Association the names of the following Toronto players eligible to be drafted: Joe Kelley, Corrigan, Hurley, Flynn, Connois, Shafly, Frick, Phyle, Sentelle, Wiedensaul, Crooks, Wotell, McGinley, Mitchell, Rudolph, Pounds, Toren, Applegate, Hesterfer, Moffitt.

Only one player can be drafted, the purchase price being $1000.

It will be noticed Thoney is not included in the lot, he having been sold to Boston.

SPORT NEWS AND GOSSIP HAMILTON'S FALL CARD

Standing of C. & M. Cricket Clubs —Successful Police Games— Turf and Boxing.

The Hamilton Jockey Club has issued the program for the fall meeting of ten days, which opens on Sept. 25, the Wednesday after the Woodbine closes. Six races a day are carded, with a steeplechase nearly every day. The club has adopted a new idea in connection with the program. In it are splendid illustrations of the track and surroundings, and of the crowds that were in attendance at the spring meet.

The police games yesterday were again a great success, as the weather is always fine for the association's tournament that is always a source of recreation for the athletically inclined constables, as it is a pleasant outing for their friends. This was the greatest meeting in 25 years, both in point of attendance and the quality of competition. The crowd is estimated at about 8000 and they all stayed until after the Longboat race. The phenomenal Indian long distance runner was the cynosure of all eyes and Announcer Sergt Sendell was careful to introduce the topliner all round the enclosure. Longboat did not break the record, due probably to the fact that he sprinted ahead of his pacemaker at the conclusion of each relay. He had a great set of runners to carry him along, viz. Cummings, Central Y.M.C.A.; Dick Grant, of St. Mary's; Tom Coley, Irish Canadians, Haddington of Boston and Lou Marsh. Longboat's time was 20.45. Alfred Shrubb holds the world's record for four miles, 19.25 2-3. The American record is 20.15.

The visiting athletes from Hamilton, Ottawa and Montreal were royally entertained, if they were beaten. They seemed to enjoy themselves both on the field and at last night's banquet, just as they will their trip to-day to Niagara Falls. The officers of the Toronto Police A.A., to whom most is due the success of the 25th annual tournament are the hon. president, Wm. Stark, deputy C.C.; President, Inspector Dickson, Treasurer P. C Snell, Secretary Sergt. McFarlane.

Sporting Editor World: Your letter from Fair Play in The Sunday World sets forth some very patent facts regarding the decision at Fort Erie against Jockey Boyle. For the information of those who may not know, I wish to say that during the year 1905 Boyle had the highest percentage of winning mounts of all western riders. Early in 1906 he met with a serious accident, which prevented him from riding during that year. I have before me a copy of a Cincinnati paper, which, in referring to that accident, expresses the sympathy of the public for the unfortunate rider, and states that while he has ridden on that circuit for many years this name has never been associated with anything dishonorable." It is only during the past few months that he has been able to ride again, and I find that out of his last 16 mounts he has won nine times. If this decision be persecution, and what else can it be, it is the kind of action that places legitimate racing in ill-repute and places a premium on riders who may be less anxious to serve the public weal. C.H.

Poor old Trenct the Mere, the cross-country performer, came to grief on Saturday at Fort Erie, and the medium of his end was the Grand Canadian Steeplechase, an event in which in other years he has been wont to shine. Starting out at the Woodbine course years ago the son of Carlsbad-Buff and Blue, won distinction on his home ground and earned brackets in various sections of the country. An outsider, in the field of seven, which raced for the steeplechase stake thru the Fort Erie field, Trenct the Mere made a gallant struggle in the red, black and yellow of his owner, A. L. Poole. Trenct the Mere, however, game to the core, made a gallant struggle against the best timber-toppers that the northern circuit can boast and it was not until they started the last turn of the field that he succumbed. On the jump at the lead of the stretch the old fellow faltered and, hitting the bark, fell headlong, throwing Jockey Murphy to the ground. Murphy arose, shaken up, but not badly hurt, but Trenct the Mere struggled up on three legs, with his off front leg dangling, and shortly after the horses finished a bullet mercifully put him out of misery.

The City of Detroit this week enjoyed its first Sunday ball. Last Sunday afternoon, at Bennett Park, an American League championship game was played between the Detroit and New York Clubs. The last home Sunday dates played by a Detroit club were at West End Park, Springwells, since dismantled, in 1902. In the city proper Sunday ball has never before been played by a major league club, tho professional ball is played on Sunday in most of the other important cities of the State of Michigan.

Thomas J. Andrews of Milwaukee, Wis., believes another baseball war is on the way. He says:

"While many baseball followers and managers believe that another baseball war is not probable, there are others who are not so sure about it, and, in fact, they rather look for it in the course of another year or two, unless there is a change in the condition of affairs. There has been considerable talk about the American Association breaking away from the national agreement on account of the waiver rule and other drawbacks, which some of the association magnates claim are detrimental to them. A former well-known major league manager was in Chicago the other day and talked freely about the matter. This man is now a minor league magnate, and his views are given some credence, even tho they may seem rather vague at this time. In the course of a talk he said:

All Comers Tennis Tournament.

NEWPORT, R.I., Aug. 21.—The first and second rounds in the all-comers' tournament in the national lawn tennis championship, were completed to-day, with the exception of two contests, which were interrupted late this afternoon by rain. The default of Beals Wright and R. N. Little to-day, and the defeat of Karl Behr yesterday, have taken out three of the strongest contenders, and, with Clothier suffering with a lame knee, the chances of Larned's winning the event and permanent possession of the cup are considered very good.

The best match to-day was between Irving C. Wright and F. C. Colston. With the score 2 sets to 1, Colston made the fourth set 5 games to 3, when Wright rallied and eventually won, 8 to 6, which gave him the match.

Association Football.

The British United Seniors are asked to turn out to practice at the club house tonight for the five-a-side tournament Saturday.

All members of the Norway Lacrosse Club are urgently requested to turn out to practice Thursday and Friday evenings of this week in preparation for their last league match with the Victors on Saturday. It is particularly important that the following turn out: Rolls, Tilley, Humphries, Staples, LeHenguet, John Dunn, Jos. Dunn, Spurrier, Dixon, Brockie, T. Porter, Brown and Burns.

ELORA AND DURHAM HAD NO AFFIDAVITS

In Game at Fergus, Elora Winning 17 to 1—Guelph Juniors Win at St. Mary's.

When will the intermediate championship be decided is a question hard to answer. The beginning of the end happened yesterday at Fergus, when Durham, winners of group 4, and Elora, winners of group 6, met in a sudden death game in the intermediate semi-finals.

Both teams appeared on the field minus their affadavits and the Durham team arrived without their certificates, claiming it was only an exhibition game, owing to them not being able to get their affadavits.

However, the game was played before a large crowd, Durham playing four juniors in the place of Kearns of Orangeville, Calbeck and McCartee of Shelburne, and McKinistry of Bradford. The result was, Elora 17, Durham 1.

St. Mary's and Guelph played the first of the semi-finals in districts 9 and 2 at St. Mary's yesterday, Guelph winning by the score of 6 to 1. The score by no means indicates the playing, as both teams were very evenly matched. The Alerts had very hard luck in shooting, St. Mary's plays in Guelph on Thursday, Aug. 29.

The teams at St. Mary's:

St. Mary's (1): Goal, Ferguson; point, Hedley; cover-point, Routley; defence, Jones, Knight, Wilson; centre, Weston; home, Northgreaves, Lashbrook, Wilson; outside home, Marshall; inside home, Perry.

Guelph (6): Goal, Baker; point, Hugill; cover-point, Riddell, defence, Tunstill, Cook, Symons; centre, Allen; home, Rogers, Buchan, Gordon; outside home, Mulhern; inside home, Kelly.

Field captains, R. Northgreaves, Simpson; referee, P. Henry, Brampton; timekeepers, Ald. Thorpe (Guelph), F. McLean (St. Mary's); penalty time-keeper, C. E. Walker; umpires, H. Stewart (St. Mary's), H. Precious (Guelph).

It is likely western men will be the officials in the Montreal-Tecumseh game at the island Saturday.

President Cameron of the C.L.A. has called a meeting of the C.L.A. council for Friday night at the Iroquois, when the Young Toronto-Beaverton protest will be decided.

The plan for the Tecumseh-Montreal game at the island opens to-morrow morning at 106 Yonge-street.

Young Torontos will play an exhibition game at the Junction Saturday: F. C. Waghorne will referee.

Tecumsehs will practice to-night at the island. The Indians are taking things easy this week, so as to not overtrain for the National game next week in Montreal.

HIGHBALL WINS STAKE SONOMA GIRL IS THIRD

Walter Cox in Front With Thornway – The 2.12 Trot Goes to Wilkes Heart.

READVILLE, Mass., Aug. 21.—High Ball, with the master rainsman, Er. Geers, in the sulky, evened the score with Sonoma Girl to-day at the Grand Circuit meeting by taking the honors quite handily in the classic Massachusetts Stakes, valued at $9000. Both of the stars, High Ball and Sonoma Girl, entered the fray very lame, the former limping painfully when jogging slowly, while the mare warmed out of her ailment almost entirely after a couple of preparatory miles, but her fault of breaking in the first turn was her undoing, as in each heat she made a disastrous break at that point, falling to the rear.

Geers did not loiter during the race. He made every post on the track from the eighth a winning one, having then margin enough to take his gelding back to a jog towards the finish.

In the second, Sonoma Girl displayed great speed from the half home, trotting from last position up to second. The third quarter sh was timed in 30 seconds, and was compelled to race, but had the fifth horse position from the pole to pass those leading her.

Al. Thomas, the Nebraska trainer, secured second position in the first heat with Axtellay, and the Kentucky driver, Ed. Benyon just nipped the second final heat with Thornfield over Marechal.

High Ball is the property of Frank Jones. He defeated Sonoma Girl, July 4, Libertyville, but she turned the tables on him at the same place two weeks later, and again at Detroit, in the M. & M. Stakes, to-day being their fourth encounter.

"Long Shot" Cox turned a surprise on the talent by taking the Readville Stake with Thornway. Hidalgo, in each heat held the lead to the home stretch, when Cox would take his gelding wide and outpace the leader to the wire. The official time of the final half of the second heat was 1.01, and Thornway, did it in just a minute flat. Thornway isl owned by Owen Carney, Lowell, Mass.

The 2.12 trot went to the credit of Wilkes Heart, owned by F. Maybawn, Newark, N.J.

Nearly 12,000 persons saw the racing. Summary:

The Massachusetts, 2.14 trot, purse $9000, three heats:

High Ball, b.g., by Dr. Hooker (Geers)	1	1	1
Thornfield, b.h., by Silverton (Benyon)	5
