IMPORTANT TESTIMONIALS.

Copy of a letter from "COLONEL HAWKER," the well known Author on "GUNS & SHOOTING," Longparish House, near Whitchurch, Hants October 23rd, 1846.

SIR,—I cannot resist informing you of the extraordinary effect that I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks, that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges, which I find are the only ones that relieve the cough without deranging the stomach or digestive organs.

I am, sir, your humble servant,
P. HAWKER.

ANOTHER INSTANCE OF THE GOOD EFFECTS OF KEATING'S COUGH LOZENGES, UPWARDS OF TWENTY—ONE YEARS' STANDING.

LIVERPOOL, 6, Hold Place, Jan 26, 1848

MY DEAR SIR,—I have great pleasure in informing you that my wife has received great benefit from the use of Keating's Cough Lozenges, you recommended her a short time since. Previous to this she had been troubled with a severe cough, and was under some of the first medical men here without experiencing any relief; however, Keating's Lozenges have done wonders.

With respects, believe me, your's truly,
THOS. MAYOR.

RESTORATION OF VOICE BY KEATING'S COUGH LOZENGES.

GLASGOW, 12th January, 1847.

SIR,—I have great pleasure in informing you of the great good your excellent COUGH LOZENGES have done me. In December, 1845, I caught a severe cold from riding two or three miles, one very wet night, which settled in my lungs, and quite took away my voice, so that I could not speak above a whisper from that time until December last. I tried all kinds of medicine, but they were of no avail. I was then advised to try your Lozenges which I did only to please my friends; but before I had finished the 2nd tin, my voice, to my great joy, came back as strong as ever.

I am, Sir, your's respectfully,
JAMES MARTIN.

BOSTON, Jan. 18, 1847.

Dear Sir! Having for some time purchased of your agent the article of hair-restoring preparation for the hair, and having found it the most valuable preparation for the hair, in my estimation, ever offered the Public, I feel it a pleasure, as well as a duty, to offer you my humble testimonial as to its worth, hoping you to make such use of it as may best suit your interest.

The article has long been detested and imposed upon, and indeed, by thousands of assertions, promising a benefit to the hair, whilst they have proved but an injury. But the article you have produced, I feel a pleasure in saying, is the most favorable preparation for dressing the hair, and keeping it in a healthy, vigorous condition, that I have ever known. And wishing you the full success, in its sale which its merits so fully and pre-eminently entitle it to, I am, dear sir, very respectfully, your obedient servant,

LUXURIANT HAIR.

Rose's Hyperion Fluid.—One bottle of this truly valuable liquid is worth more than its weight in gold. Thousands testify to its astonishing and almost miraculous effects in producing a luxuriant growth of hair, in cases where all else had proved fruitless. Baldness will at once depart, and a luxuriant growth of hair take its place. Grey hair will return to its pristine brilliancy, much hair will strengthen and grow, and the skin take a proper and healthy action by the use of the inestimable Hyperion. As an article for giving fullness to the hair, and a brilliant gloss, it cannot by any compound be equalled. 150

£100 REWARD.

WHEREAS some malicious person or persons have circulated a report that my celebrated TEA, DRIED CHERRY OF DRAGGED TEAS, had in their quality, and (from the effects of salt water) poisonous in their nature, lately sold in this City, were purchased by me, I hereby offer a REWARD of the above amount to any person who will bring to light the author or authors of such a slander, as such report is false, malicious, scandalous, libellous, and intended to injure my reputation.

It is well known that I have always been the regenerator of the Tea and Coffee Trade in Canada, that mine (the Canton House) is the only establishment for the exclusive sale of Tea and Coffee in either the Upper or Lower Provinces, and, by my unremitting exertions, has been placed in the proud position which it now holds, notwithstanding the immense amount of malicious opposition I had to encounter. It is also well known that I have never interfered with others; that I have never exposed the known fact of the utter impossibility of keeping Teas in a proper condition where in pentine, oil, soap, molasses, candles, snuff, tobacco, &c., &c., are kept; but when my good name is so cruelly and maliciously assailed, as in this case, I cannot overlook it, and have only to say, that should this calumnious slander be persisted in, the Public may have a list of the names of the purchasers of the Damaged Teas, above referred to, which is now in my possession, as I again repeat, no man shall sport with my hard-earned reputation with impunity.

TO THE LADIES.

THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of the pious quotation;
Preserve it then, ladies—your glory may fall,
Unless you protect it with this preparation.

If you wish a rich, luxurious head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition, appears to be no obstacle whatever; it also causes the field to flow with which the delicate hair tubes is filled, by which means thousands (whose hair was gray as the Asiatic eagle) have had their hair restored to its natural color by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used.—A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled. It holds three times as much as other mixed hair restoratives, and is more effectual.

☞ CAUTION.—Never buy it unless you find the name of Comstock & Co., Proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

PLANTAGENET WATER.

SIR,—In compliance with your desire communicated to me for my opinion upon the use of the PLANTAGENET WATER, I do not hesitate to state that, according to their analysis by Mr. T. S. Hunt, Chemist of the Geological Commission, and by reason of their tonic, alterative, diuretic, and purgative properties, which result from their constituent parts, they may be applied with advantage, according to the mode of application, in the treatment of rheumatism, gout, dyspepsia, affections of the liver, scrofula, dropsies, and in many other diseases when employed in a proper manner. Such medicaments, in my opinion, are by far more preferable to to many others which crowd in upon us from all quarters—the composition, and consequently the properties, of which are unknown—and yet are unscrupulously recommended, without discernment, for the cure of all diseases.

The testimony given in favor of these Waters for the cure of Cholera, deserves attention. The medicine seems to be wholly in accordance with the case highly recommended by Mr. Stevens, and which was also made publicly in Montreal.

Yours, &c.,

Prof. Anatomy McGill College, Montreal.

MONTREAL, June 3, 1850.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favorable opinion of their efficiency as aperients in various derangements and diseases. I have used both in my family, and have found, in the course of use, for accomplishing all the purposes of the ordinary saline aperient draughts, over which their tonic and alterative ingredients give them, for continued use, a superiority.

URQUHART'S
CONCENTRATED COMPOUND DECOCTION,
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopeas of London College of Physicians.
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best Medicine for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the palliation, or, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, pains of a Rheumatic character, &c., &c.

Drs. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly favored the Proprietor with the following Certificates:—

ALEX. URQUHART, Esq.:—DEAR SIR,—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects, I can, therefore, without the least hesitation, recommend your preparation as one possessing all the Medicinal qualities of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the Stomach. Your most obedient servant,

W. FRASER, M.D.,
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 9th February, 1847.

MONTREAL, February 10th, 1847.

I beg to certify, that I have employed very extensively, the "Fluid Extract of Sarsaparilla," made by Mr. URQUHART, in all those diseases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. "DEATH'S DOOR."

How frequently do we hear this expression, which is meant to convey to the mind the last stage of sickness that a patient can be reduced to, and live. Mrs. Harrison, a member of the Trinity Church, was, as she expresses herself, brought down to "Death's door," by Rheumatism and Nervous Headache, when, like an angel of mercy, *Radway's Ready Relief* relieved her of her severe pains, and restored her to her friends in perfect health.

The very instant Radway's Ready Relief is applied, its beneficial effects are experienced, it soothes, heals, cleanses and purifies; it instantly allays irritation, reduces inflammations and swellings, relieves the most severe Neuralgic pains, gives ease to Colds, Coughs, Sores, Eruptions, cures Rheumatism, Lumbago, Gout, Paralysis, Sprains, Strains, Spasms, Stiff Neck, Weakness in the Side and Back, Sores of all kinds, Gals, Bruises, Chafes, Sore Throat, Influenza, Hoarseness, Coughs, Colds, &c.

TOOTH ACHE CURED IN ONE SECOND.

This torturing affection can be cured in an instant, for the moment the Relief touches the nerve, the pain is mitigated. So with Tic Doloreux and Hemicranea, Neuralgia and Sick Headache—bathe the parts where the pain is most severe, and in a few minutes you will be entirely relieved. Taken internally it will arrest the most violent Spasms and Cramps, stop vomiting or too much purging; in all cases it will give strength for weakness, ease for pain, health for sickness. No Ready Relief is genuine unless signed by RADWAY & Co., 162, Fulton Street.

BOGLE'S HYPERION FLUID,

FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

Mr. WM. BOGLE,—Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and plenes the skin of all impurities, without producing any disagreeable deleterious effects, which are so frequently the result of many well-known patented compounds.
