PROSPECTUS OF THE CANADA DIRECTORY.

THE Subscriber proposes to publish, by Subscription, so as to be ready for delivery in the Fall of 1851, or earlier, if possible,

A DIRECTORY OF CANADA,

CONTAINING THE NAMES OF BUSINESS AND PROFESSIONAL MEN IN THE PRINCIPAL CITIES, TOWNS AND VILLAGES,

ARRANGED

1st, ALPHABETICALLY BY CITIES, TOWNS, AND VILLAGES,

AND

2d, ALPHABETICALLY BY BUSINESS AND PROFESSIONS IN EACH,

When the place is so large as to make the latter arrangement desirable.

A short description of each Town or Village will also be given, with its distance from the City with which it is most centrally connected, and the Steamboat or Stage line usually charged to reach it, together with such other information relative to the place as may be useful or interesting to the Public.

The Work will be got up in ONE LARGE OCTAVO VOLUME, PRINTED WELL, UPON GOOD PAPER, AND BOUND SUBSTANTIALLY, and will be offered to Subscribers at 15s. per copy.

As the expenses incurred in travelling and otherwise, to collect information for the Work, will be necessarily great, the following terms have been decided on:—

For inserting the Name and Business in small type	No Charge.
For inserting the Name and Business in large type, not exceeding two lines	1s. 3d.
For inserting the Name and Business in large type, not exceeding four lines	2s. 6d.

These rates to be paid at the time the information is received from the parties; but, as an inducement to subscribe for the Work, it has been resolved, that every person ordering a copy, and paying 2s. 6d. at the time of so doing, will be entitled to have FOUR LINES inserted WITHOUT CHARGE, receiving credit for the 2s. 6d. so paid, when the book is delivered.

ADVERTISEMENTS

Will be inserted at the rate of 25s. per Page, when one Page or more is taken, and at the rate of 30s. per Page, when less than one Page is taken.

As the edition of the CANADA BUSINESS DIRECTORY will be a large one, and will circulate extensively, not only in the Province, but in the Commercial Cities of Great Britain and the United States, it will be a most eligible medium of advertising.

Persons in business in the Country and the smaller Towns will find that the appearance of their names in the *Canada Business Directory* will be of great advantage to them, as in many instances Merchants doing business in the large towns, in matters of importance; but from the absence of a Work such as the one projected, they are unable to do so, whilst its appearance will at once obviate that difficulty.

It would be almost superfluous to point out the many facilities which such a Work will afford to Merchants in the Cities and Towns, for extending their business connections, and no care will be taken that Copies shall be placed in the Merchants' Exchanges and Reading Rooms of the principal Commercial Cities of Great Britain and the United States, it will be for them, also, the very *best channel of publicity* which has ever been offered in Canada.

The Work is intended to appear in the Fall of 1851, or earlier if possible, and as a guarantee that it will be faithfully carried out, it is, perhaps, sufficient to say, that the information will be collected by the Subscriber, personally, in the principal Cities and Towns, and that it will be printed and published by John Lovell, of Montreal.

Gentlemen desirous of subscribing to, or advertising in, the Work, are respectfully requested to address, post-paid,

ROBERT W. S. MACKAY,
At John Lovell's, St. Nicholas Street.

FREDERICK R. STARR, Esq.,
General Agent for the B. N. A. Colonies.

THIS INSTITUTION offers to the Assured very many advantages, at quite as low a rate of Premium as guarantees safety to the Office.

Policies will hereafter be issued—the Assured entitled, whether at the payment of his first Premium, or at any future period, to borrow, upon interest, to the extent of one-half of the Annual Payments made, without any responsibility or guarantee, personal or otherwise, and will the Policy (the only security) be required to be lodged with the Society, as such Loan will be endorsed thereon.

Under this arrangement, the value of each Policy will at all times be known, and the great objection to Life Assurance entirely removed, as the Assured can at any time present his Policy, and demand of the Society an immediate payment of one-half of the Annual Premiums paid thereon, thus giving to each Policy a known actual cash value.

Existing Policies will continue upon the former system, or may be converted into one of the new form.

As the Policies received from London are signed in Montreal, under special Power of Attorney from three of the Court of Directors in London, to the Local Board in this City, there is no *Stamp Duty*.

Applicants are not charged for the Medical examination.

The Assured has the right of paying his Premium within *Thirty Days* after it falls due, thereby preventing the forfeiture of his Policy, which would otherwise frequently occur.

The Society will, on satisfactory proof of the health of the party, receive the Premium within a year after it falling due.

By the establishment of the General Agency here, *Risks are Accepted, Loans Granted, and Losses Paid* by the Montreal Local Board, without referring to London.

Information may be obtained, or Blanks and Pamphlets had at the MONTREAL OFFICE, or at the AGENCIES established throughout the PROVINCES of CANADA, NOVA SCOTIA, NEW BRUNSWICK, NEWFOUNDLAND, PRINCE EDWARD ISLAND, and BERMUDA.

THIS COMPANY, which has been established 30 years, commenced with a subscribed Capital of $3,000,000, and was the first, 30 years ago, to offer to the Public two Scales of Premium—the lower, to insure only a fixed amount; the higher, entitling the Insurers to a participation in the profits.

Advantages offered to Insurers.

Very low Rates of Premiums on Young Lives.
The security of a large realised and invested Capital.
Large Bonuses on Policies effected on the high Scale.
Prompt settlement of Losses.
The full value given for Policies when discontinued.

On Insurances for the Whole of Life: one-half of the Premiums, if desired, permitted to remain unpaid for the first seven years, as a Loan at interest, and then to be paid, or to remain as a permanent Loan, at the option of the Insurer.

Loans upon Policies for the Whole of Life, after payment of three Premiums, in proportion to the value of same.

The acceptance of Naval, Military, Climate, and Special Risks of all kinds, on payment of a commensurate Premium. Age admitted on the Policy when issued, if desired, on proof of date of birth.

Permission for the Liege assured to reside in any part of Europe, without extra premium or special license, and to go and from California, at a small extra premium.

Insurances, if required immediately, may be effected any day between the hours of 10 and 4.

BRITANNIA LIFE ASSURANCE COMPANY.

CAPITAL—ONE MILLION STERLING.

Empowered by Special Act of Parliament, 4 Vict., Chap. 9.

REDUCED RATES OF PREMIUM—HALF CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at *much lower Rates of Premium than those of any other Assurance Company transacting business in Canada.*

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of PREMIUM, which have been so highly approved, and are so generally adopted by Policy Holders in the United Kingdom. The most liberal conditions are likewise offered to the Assured in the limits in which they may proceed by sea or land, to other parts of North America without affecting their Interest in their respective Policies.
