POLICE CONTINUE MUM IN THE NEVILLE ARREST

Won't Disclose Evidence Until Week From To-day—Happenings.

HAMILTON, April 9.—(Special).—The police are still mysterious about the evidence they have against Jack Neville, arrested yesterday on the charge of shooting Constable Smith. They won't take the public into their confidence until the evidence is given in police court a week from to-morrow, to which date he will be remanded, as the constable is not well enough to appear. He claimed he would be able to identify his assailant.

The authorities say Jimmie Baum is not wanted as a witness in the Kinrade case.

Coroner McNichol has decided after consulting Crown Attorney Washington not to hold an inquest into the death of Edward McGeehan, aged 57, of Fingal, inmate of the asylum, who committed suicide by throwing himself under a coal wagon. He had been in the asylum 15 years.

The Centenary Church Choir under the direction of W. H. Hewlett rendered Spohr's "Last Judgment" this evening before an audience that filled the church. The soloists were Mrs. Ida McLean-Dilworth, soprano; J. Redfern, Hollingshead, tenor; and Arthur Blight, baritone, all of Toronto.

H Company won the challenge cup in the annual marching and firing competition of the Thirteenth Regiment to-day with 450 points, B coming second with 397 and C third with 396. A fourth with 379.

The promenade concert by the combined bands of the 13th and 91st Regiments given in the new armories attracted a large crowd.

The police raided 76 North Ferguson-avenue to-night and locked up Mrs. Martin, Marion Howard and George Moore, 98 North John-street.

WEST TORONTO WANTS SCHOOL STATUS KEPT

Citizens All Agree That Improvements Are Imperative—County News.

WEST TORONTO, April 9.—Generally over the city of West Toronto the holiday was well observed, practically all building and work being at a standstill. The inclemency of the weather rendered outdoor sports impossible, and among the citizens there much friendly intercourse and many family reunions. The suburban lines to Lambton and west were well patronized all day, while hundreds left on the early morning trains for outside points.

In St. John's Anglican Church to-night a delightful concert was given by the choir, the rendition of "Stainer's Crucifixion" being given with marked excellence. A large and delighted audience were present.

The action of the property committee of the board of education in turning down the recommendation of the inspector of collegiate institutes and the local board of trustees re the placing of $50,000 in the estimates for the improvement of the building and equipment is viewed with the greatest disfavor. If this educational institution is reduced from the rank of a collegiate back to a high school the result would be most unfortunate.

"We have more than 300 pupils and eight teachers in West Toronto Collegiate," said Principal Colbeck to The World last night, "and what the school needs badly right now is three new rooms and a gymnasium." The school is in the front rank as shown by the results at the university.

"It would be most unfortunate if anything occurred to impair the efficiency of the school," said Dr. Clendenan, a member of the board, "but we have hopes that we will get the amount asked for."

NORTH TORONTO.

Building Activity Gives Good Evidence of Being Phenomenal.

NORTH TORONTO, April 9.—A pretty wedding was solemnized at the home of Rev. and Mrs. George Nixon, Eglinton, Thursday afternoon, April 8, when their youngest daughter, Fannie Janet, was united in marriage to Mr. Derwood S. Hunter, son of Mr. and Mrs. James Hunter, also of Eglinton. Owing to recent bereavement in the groom's family, only immediate relatives were present. The ceremony was performed by Rev. Mr. Wellwood of Eglinton Methodist Church.

The dainty bride was attired in cream net and carried a shower bouquet of cream carnations. She wore a pearl brooch, the gift of the groom. Attending her was her sister, Miss Mary Nixon, wearing pearl silk. The groom's gift to the bridesmaid was a pearl crescent and to his best man a gold stickpin. The groom was supported by his brother, Garfield.

After a wedding repast, the happy couple left amid showers of confetti, for a short trip, the bride wearing a navy blue tailored suit and hat of violets. Mr. and Mrs. Hunter were the recipients of many beautiful and useful presents.

Indoor Baseball at Central Y.M.C.A.

Senior business boys of C.Y.M.C.A. of indoor baseball defeated Sanderson's Bible class teams, champions of the School Boys' League by a score of 19—14, thus making the senior business boys champions of the gym. The winners lined up as follows: Millar, White, Manifold, Armour, McDougal, W. Johnston, J. Johnston, Putney, Putney. In the afternoon they met and defeated the collegiate class, Dunns, who was playing centre, was very much off color. The fast combination of the business boys was too much for him. The score at full time was 102—25. The line-up for the winners was: White, Millar, forwards; Manifold, centre; Armour, McDougal, defence.

Hal Chase is Worse.

AUGUSTA, Ga., April 9.—Hal Chase is worse to-day, but is not confined to bed. He states he will not rejoin the team until May 10.

RICHMOND, Va., April 9.—The New York American League baseball team, one of whose members, Hal Chase, was taken ill with smallpox in Augusta, Ga., arrived in Richmond to-day from Lynchburg with a clean bill of health from the officials of that city. They were, however, met at the depot by Richmond's chief health officer, Dr. E. C. Levy, and State Bacteriologist Dr. Allan Freeman, who, after subjecting them to a careful examination, permitted them to go to their hotel. Later Dr. Levy and State Health Commissioner Dr. E. C. Williams went into consultation with Dr. Sternberg, with the U. S. Public Health and Marine Hospital service. A second examination and investigation was made, and these officials also gave the team a clean bill of health.
