RED SOX "CHAMPIONS OF THE WORLD."

Thursday, Oct. 14.

The Red Sox clinched the championship of the world yesterday when they defeated the Phillies by a score of 5 to 4. Home runs by Harry Hooper and Duffy Lewis were deciding factors in the fourth straight victory over the Philadelphia team.

Mayer started to pitch for the Phillies, but was hit hard and was replaced by Rixey in the third inning. The Red Sox sent Foster in in an endeavor to end the series and he came through, although he was forced to extend himself to stave off defeat. Both teams were hitting the ball hard and the result was in doubt until the ninth inning, when Hooper's homer into the bleachers made the Red Sox "champions of the world."

After an existence of fifty years the Grand Army of the Republic of the United States held its last review and disbanded.

The Oath.

Translated from the French of Henri de Régnier, of the Academie Francaise by Walter Adolphe Roberts, in Life.

I swear to cherish in my heart this hate
Till my last heart-throb wanes;
So may the sacred venom with my blood
Mingle and charge my veins!

May there never from my darkened brow
The furrows hate has worn!
May they plough deeper in my flesh, to mark
The outrage I have borne!

By towns in flames, by my fair fields laid waste,
By hostages undone,
By cries of murdered women and of babes,
By each dead warrior son,

I swear to conquer or to fall, that Right
And Justice rule again—
I, France, whose voice austere shall thrill the hearts
Of all my valiant slain!

I take my oath of hatred and of wrath
Before God, and before
The holy waters of the Marne and Aisne,
Still ruddy with French gore;

And fix my eyes upon immortal Rheims,
Burning from nave to porch,
Lest I forget, lest I forget who lit
The sacrilegious torch!

CONDENSED NEWS; LOCAL AND GENERAL

Invitations have been issued to the marriage of Agnes Margaret, second daughter of Mr. and Mrs. J. J. Taylor, of Fredericton (N. B.), to Dr. C. P. Holden, of the same place, on Wednesday, October 27, at Christchurch Cathedral, Fredericton.

Mr. Justice and Mrs. Anglin announce the engagement of their daughter Muriel to C. W. Grey, manager of the Royal Bank. The marriage will take place very quietly on Wednesday, October 20. —Ottawa Citizen.

Judge Barry on Wednesday sentenced four of the prisoners tried at the present circuit court, as follows: William Thomas, five years in Dorchester penitentiary; Albert Daigle, six months in jail; Mary Romley, one year from July 15 last in the common jail; and Margaret Hazlewood six months from Aug. 15 last in common jail.

Thomas, who was a soldier, was convicted of a serious charge on complaint of a fourteen-year-old girl, Lillian Gray. Daigle pleaded guilty to escaping from the chain gang; Margaret Hazelwood pleaded guilty to a statutory offence; Mary Romley was convicted of common assault on William T. Hanley. The court adjourned until this morning at 11 o'clock, when Charles W. Stackhouse, who pleaded guilty to theft, and Sydney Hartt, a confessed bigamist, will be sentenced.

Chicago, Oct. 11—Alleging that the Mutual Life Insurance Company of New York contemplates investing $10,000,000 of its trust funds in the Anglo-French loan of $500,000,000, Olga H. S. Walsh, Chicago, holder of a $2,000 insurance policy in the Mutual, filed suit for an injunction in the Federal court here today.

Thamesville, Ont., Oct. 11—Two year old Vida Sheppard is dead as the result of being pecked by a mother hen. The child playfully tried to catch the hen, which had a flock of chickens about her. The hen flew at her and pecked her savagely on the cheek. Complications set in and lockjaw developed with fatal results.

Copenhagen, Oct. 13, via London—Another German steamship has been destroyed, as a result of the British submarine campaign in the Baltic, undertaken to prevent Germany from receiving supplies from Scandinavia.

The German steamer Walter Leonhardt, 1,261 tons gross, was blown up and sunk in the Baltic yesterday by a British submarine, and her crew had been permitted to take to the small boats.

Toronto, Oct. 13—Premier Hearst this evening made the anxiously awaited announcement regarding the decision of the cabinet in the matter of liquor restriction. Commencing November 1, and until the close of the war, all bars in the province will close at 8 p.m., instead of 11, as at present. The closing hours on Saturdays are unchanged. Social clubs and shops are not affected. Fourteen hundred hotels in the province will thus have their selling time curtailed by three hours.

Toronto, Oct. 12—The senate of Knox College, at its regular autumn meeting held this afternoon, ordered to be placed on record a resolution repudiating the views of Rev. Prof. G. L. Robinson, of McCormick Theological Seminary, Chicago, who, on the same day that he received the D.D. degree from the college, stated, in an interview that Great Britain was as much to blame as Germany for the war. His remarks were characterized as offensive, unjustifiable and extremely discourteous. The question of rescinding the degree was not mooted.

Paris, Oct. 13—The resignation of Theophile Delcasse, the foreign minister of France, was announced at noon today after the cabinet ministers had held a meeting under the presidency of M. Poincare. Premier Viviani presented the resignation of M. Delcasse at the conference, and his retirement was sanctioned. An official announcement issued in connection with the change in the ministry stated that Premier Viviani would take the portfolio of foreign affairs with the presidency of the council. Foreign Minister Delcasse's resignation aroused widespread comment in diplomatic and parliamentary quarters in France, owing to the prominent part he had taken in shaping the foreign policy of the government since the first months of the war, when he resumed his old place at the head of the foreign office. His retirement at this particular moment when the Balkan crisis has become acute caused some surprise, though those closely identified with governmental affairs were not entirely unprepared for the change.

One of the main reasons assigned for the retirement of the foreign minister at this time is that he is suffering greatly from fatigue, culminating in a recent sick spell and amounting to nervous exhaustion which has resulted from the burden of anxieties in directing France's foreign policy.

Mrs. Celia Steeves, aged 23, and Miss Beulah Currie, aged 20, sisters of Skowhegan, have left for Chouteau, Mont., where they intend to take up a claim and become ranchers.

BADGE AND SOUVENIR BOOKLET FOR 55TH

Valcartier Camp, Oct. 10—Saturday night was the coldest night yet experienced in camp, but today was fine and gave good opportunity for the Sunday parades. At 8.30 the usual services were held for French and English speaking Roman Catholics. Father Killoran has procured an organ which aids greatly in the English speaking service. At 9.30, Protestant camp service was held and Chaplains Wood, Shires, Burnett and Thomas assisted.

The question of a regimental badge has many times been considered by the 55th but with the uncertainty regarding the disposition which might be made of the battalion delay was made in taking action. Recently, however, steps were taken and the badges are now available. They are in the form of a maple leaf. The upper leaf contains the head of a deer surmounted by a crown and in the body of the leaf are the figures "55" over which there is engraved, New Brunswick and P. E. I., and underneath is "Overseas Battalion." Beneath this in larger letters is the word Canada on a scroll.

The battalion is having prepared a souvenir which will serve as a handbook of the battalion. Besides pictures of officers and men, there will be included a nominal roll of the battalion, a brief record of its history and an account of the military record of each officer.

Lieutenant R. A. Major is subaltern today, and Lieutenant R. R. Rankine, rations officer. Major Rowe is field officer of camp.

JOHN BROWN owns a prosperous grocery store in a thriving Canadian town. He is a live merchant and attributes much of his success to his novel methods of creating interest in his store.

Recently, he took several lines of his regular goods, put them under cover in boxes and barrels, and wrote the name of each article on the outside. Only he mixed up the letters in each name so that instead of spelling the right name of the article, it spelled something different altogether. For instance box 9 contains Raisins, but Mr. Brown jumbled the letters in the words Raisins until they read "Si Rains." Then he rubbed the word apples off the apple barrel, and jumbled the letters in that name until they read "Pies Pa," as you see on barrel 11.

Fourteen lines of goods in Mr. Brown's store were displayed this way, and a prize was given to any customer who could place an order for all fourteen and tell the number of the box each was in. Little Mary went to Brown's store to meet her father, purchased, guessed all the names correctly and won the prize. Can you do as well?

Two of the names are already given to you to start you right. What are the other twelve?

THIS CONTEST IS ABSOLUTELY FREE OF EXPENSE
If your answers gain 120 points you will win First Prize

A FEW HINTS.—The goods mentioned under each of the fourteen numbers, are staple lines such as are to be found in every grocery store and in regular use in every home. No trade-mark names or products of any particular firm or manufacturer are given,—just the regular name of each product or article. A good plan is to write down the names of all the things usually found in a grocery store and use the list as your guide. Be careful, because Mr. Brown was clever, and sometimes he made two or three words, and even more out of a name.

The judges will award the prizes in this contest, according to the points gained by each entry, and we will fully advise you of the method, when your answer is received. For instance, 60 points can be gained by sending a correct answer to each of the twelve names you can guess, there are ten points given for general neatness, ten for style, spelling, punctuation, etc., and when you qualify, 40 points additional can be gained. Take lots of time to puzzle out your answer, be neat and careful, and you can win a good prize.

THE OBJECT OF THE CONTEST.—Every loyal Canadian will approve of the object of this great contest. Frankly, it is to advertise and introduce EVERYWOMAN'S WORLD, Canada's greatest magazine, to hundreds of new homes, which should know that a magazine of such excellence and real worth is being published right here in Canada by Canadians for Canadians. You can help us to do this, when you enter the contest, but you do not have to be a subscriber nor are you asked or expected to take the magazine or spend a single penny in order to compete and win the touring car or one of the other magnificent prizes.

EVERYWOMAN'S WORLD is now the established favorite in more than 80,000 of Canada's best homes. Though that is the greatest circulation ever attained by any Canadian magazine, it doesn't satisfy us. Our motto is "Everywoman's World in Everywoman's Home." Hundreds of Canadian homes which may not know you will welcome this handsome, interesting, up-to-the-minute magazine, and once it is introduced they will want it every month.

If, therefore, when your answers are received, we find them to have gained sufficient points to merit standing for the judging and awarding of prizes, we will write and tell you so, and send without cost, a sample copy of the latest issue of this greatest of Canada's magazines. Then, in order to qualify your entry, we will ask you to do us the small favor of introducing it to three or four friends and neighbors. We will even send you sample copies to leave with each of your friends, if you will tell us they would like to have them. State your willingness to accord this favor when you submit your answers. The company agrees to pay you in cash, or reward you with a handsome gift for your trouble, entirely in addition to any prize your answers may win in the contest.

Follow These Simple Rules Governing Entry to the Contest

1. Write your answers on one side of the paper only, and put your name (state Mr., Mrs. or Miss) and address on the upper right hand corner. Anything other than names and addresses and your name and address must be on a separate sheet.
2. All letters must be fully prepaid in postage. Do not forget to use tax stamp.
3. Members and employees of Continental Publishing Co., Limited, and of EVERYWOMAN'S WORLD, also their relations and friends are not allowed to compete.
4. Boys or girls under fourteen years of age are not allowed to compete.
5. Contestants will be permitted to submit as many as three sets of answers to the puzzle, but only one set can be awarded a prize.
6. Different members of a family may compete, but only one prize will be awarded in any one family or household.
7. Judging will be done by three Toronto gentlemen, having no connection whatever with this firm. Prizes will be awarded according to the number of points gained on each entry; 120 points, which is the maximum, will take first prize. WRECKAGE ON P. E. I. COAST MAY BE OF MISSING COLLIER

Charlottetown, P. E. I., Oct. 13—A quantity of wreckage was washed ashore at Bayfield and Rockbars on the north side of the island on Sunday and Monday night, indicating that a large steamer had sunk in that vicinity. The wreckage, strewn along the shore for two or three miles, consists of about twenty hatches, some of them twelve or fourteen feet long, a door, pieces of a ship's rail and wicker baskets. On some of the parts are metal figures inset in the wood, such as S 14, M 8.

The wreckage is supposed to be part of the Dominion Coal Company's collier Kronprinz Olaf, which has been missing for two weeks on a voyage from Sydney for Montreal.

The provincial government met this afternoon as the board of education. The schedule was lengthy but contained little beyond routine. The usual grant of $200 was voted the St. John school board to assist in the maintenance of an evening technical school during the winter. The school trustees of Aroostook Junction, St. Marys, Gibson and Sunny Brae were given authority to borrow money to make improvements to school buildings.

Novel Forest Protection Methods.

One of the most important features in connection with the control of forest fires is their prompt discovery, thus rendering it possible in most cases to extinguish the fire in an incipient stage, at small expense and with slight damage. One of the recent developments in this work is the use of a hydro-aeroplane for the discovery of fires in the forest reserves of Northern Wisconsin. This is a lake region, and excellent results have been secured, one fire being accurately located at a distance of thirty miles.

In 1885 the number of murders in the United States was 1,808; in 1904 the number had increased to 8,482. The total number of executions in 1885 was 108; the number in 1904, notwithstanding the enormous increase in homicides, was only 116.

Preparing the 1916 Sportsmen's Show in New York

New York, Oct. 13—The annual round-up of sportsmen and outers at the next National Sportsmen's Show in March 1916, promises to be of unusual interest. The occasion of the twenty-first anniversary of the birth of sportsmen's show will be marked by an assemblage of veterans, many of whom attended the original show in 1895 at Madison Square Garden. A register will be ready for the creation of a roster for this "old guard" of those who "were among those present" at this popular show's premier. The coming exhibition will be under the auspices of the National Sportsmen's Association, W. H. Allen, of Penniac (N. B.), president, and Captain J. A. H. Dressel, of New York City, secretary-treasurer. The business of the show is vested in the National Sportsmen's Show Corporation of No. 1 Madison avenue, and the managers of the annual shows are Captain Dressel and Allen S. Williams.

From the beginning of things in the history of these yearly sportsmen's shows Canada's claims to the consideration of hunters and anglers have been brightly blazoned by exhibits and distributions of advertising matter made by officials of railways, proprietors of hotels and resorts and guides who attend the show and man their exhibits. New Brunswick and Nova Scotia especially have been prominent and strongly represented, and because of their leading position as big game regions these provinces should preeminently attract the attention and absorb the interest of all visitors to the 1915 Sportsmen's Show. The National Sportsmen's Association has a registration and information bureau for guides, camps and hotels, and the service rendered in purveying information to the public and special inquirers about them is covered by the annual membership fees of the Association which is but two dollars.

50TH ANNIVERSARY THANKSGIVING DAY

Bridesmaid Makes Motor Trip to Celebrate Happy Event With Mr. and Mrs. Geo. L. Hargrove, of Chance Harbor.

The celebration of their fiftieth wedding anniversary made Thanksgiving Day a notable occasion in the home of Mr. and Mrs. George L. Hargrove, of Chance Harbor. Half a century ago Mr. Hargrove and his bride, then Miss Drusilla Belding, were united in marriage in St. John by Rev. R. E. Bill. The bride was a native of Chance Harbor but had been living in St. John and the wedding took place at the home of her sister, Mrs. Partelow. At that time Mr. Hargrove belonged to Musquash but soon after his marriage he removed to Chance Harbor and there they have lived ever since.

Seven children were born to them and of these five survive, George L. jr., of West St. John; Bristall, of Dipper Harbor; J. Frederick, of Partridge Island; Miss Eliza, school teacher at Partridge Island and James W., at home in Chance Harbor. In the next generation there are thirteen grandchildren.

In honor of the golden wedding the entire family gathered at the old homestead with the exception of one son, Frederick, whose duties kept him away, and the eldest grandchild who is in Los Angeles. During the morning, on behalf of the members of the family, Rev. J. D. Wetmore presented to the aged couple a purse of gold.
