Business Embarrassments.

These business embarrassments are reported to-day: J. W. Graham, harness dealer, Beachburg, assigned in trust; C. J. Jackson, boot and shoe dealer, International Bridge, offering to compromise; R. W. Stoddart & Co., jewellers, Montreal, assignee in possession; Poutrot & Falardeau, carriers, Quebec, assigned in trust; N. Pare, boot and shoe dealer, St. Henri, Que., assigned in trust.

Dry Goods.

Dry goods have been unusually active this week. One house reports having received more customers than its large staff of salesmen could attend to. All of the houses have been busy, and though the individual orders were generally small, the aggregate of the week's business was larger than for a long time. There is no change in the situation; it is exceptionally strong. In the European markets all kinds of woolen and dress goods are very firm, and the bad crop news from cotton growing districts emphasizes the firmness in the manufactured article. Payments have been better this week than for some weeks past.

Groceries.

The grocery houses report that more people have visited them this week than during any fair week since the inauguration of the Industrial Exhibition. Orders received, though not large, have been numerous, and the trade is well satisfied with the week's business. There has been a brisk business done in low grade Japan and Hyson tea, in anticipation of advanced prices. There has been no change in sugars. Granulated is quoted at 6¾c for under 15 barrel lots and 6½c for 15 barrel lots and over. Yellows are firm at 6¼c to 7 1-4c, and bright yellows are very scarce. New Valencia raisins have arrived and gone out at 7 1-2c. Rio coffees are scarce and held somewhat firmer. Green Rios are quoted at 22c and Javas at 24c, to 30c. Canned goods are firm but the demand is light. Prices are in advance of those at this season last year. Strawberries are quoted at $2.50 a doz.; raspberries, $2.35 to $2.70 a doz.; pineapples, $2.25 to $3.20 a doz.; peaches, $2.25 to $3.25 a doz.; peas, $1.05 to $1.40 and tomatoes $1.30 a doz. Lobsters are scarce. One car load has arrived from St. John, N.B., which is reported to be the last held in bond by packers there. They are choice goods and are quoted at $1.80. Salmon is arriving, and is quoted at $1.70 to $1.75. One house has brought on a car of white salmon which is quoted at $1.50 to $1.60. New boneless cod have arrived and are quoted at 5½ to 6¼ for crates of 5 lb boxes, imperial brand, and 6½c to 7c for 25 lb boxes of white clover brand. Payments are improving.

Leather.

Business has been very good in leather this week. A great many people have visited the leather houses and nearly all are buying something. Buyers are more disposed to take goods at present quoted prices, and a large number of sales, principally small parcels, have been effected. There has been no inquiry from eastern mills this week but the lively local demand has fully supplied its place. There have been no changes in prices. Quotations are: No. 1 slaughter, B. A. Spanish, 25c to 28c per lb.; No. 1 ordinary Spanish, 21c to 23c; No. 2 Spanish, 19c to 21c; No. 3, 17c to 19c; heavy, No. 1 slaughter, 24c to 26c; medium slaughter, 22c to 24c; No. 2 slaughter, 20c to 22c; No. 1 harness, heavy, 27 to 32c; medium harness, 26c to 29c; upper, 25c to 35c; grained upper, 26c; splits, 18c to 19c.

Hides, Skins and Wool.

There has been a good demand for fresh green hides this week, but tanners refuse to take old hides at almost any price. There is at present a large stock of old hides held by local dealers. One holds 4000; another 3000; another 7000; another 15,000, and other smaller lots are held. Some of them have been in stock two years, being held for higher prices. There is no change in prices except in deerskins, which now bring 70c. Quotations are: No. 1 cured, 5½c; green hides at $4.75 for No. 1, $3.75 for No. 2 and $2.75 for No. 3; calfskins, 6c a pound for No. 1 and 5c a pound for No. 2; sheepskins, 70c each. There is a better feeling in wool, but as yet there has been no change in prices. Quotations are: Fleece wool, 20c to 22½c; 22c to 23c for Southdown; unwashed fleece at 11c; unwashed Southdown at 14c; rejects at 15c; supers at 27c to 28c and extras at 28c to 29c.

Live Stock.

To-day's supply of live stock at the Western cattle yards was 25 loads, including 500 sheep and lambs and 320 hogs. On account of the light receipts prices were firmer, though the general demand was not improved. Several buyers were present from outside points, and this had the effect of to some extent stimulating trade. Holders of stock, however, were firmer in their views than buyers were and some few loads were left over. Prices: Butchers' cattle, 3½c to 3 3-4c; export cattle, 4c to 4 1-2c; export sheep, 4c to 4 1-2c; butchers' sheep, $4 to $4.25 each; lambs, $3.25 to $4.10 each; milch cows, $35 to $50 each; hogs, $5.35 per cwt for medium fats and $4.75 to $5 per cwt for heavy fats and stores.

Horses.

At Grand's sale to-day 25 general purpose horses were sold at prices ranging from $80 to $150. In addition a car load of heavy draught horses, 17 in all, were shipped to Arnprior. The average price was $150.

REDUCTION

—IN—

The Price of Coke.

Now is the Time to Purchase a Supply of Cheap Fuel.

The Consumers' Gas Company have temporarily reduced the price of coke for immediate delivery to 7 cents per bushel.

This is by far the cheapest fuel in the market, 25 bushels being equal in bulk and 40 bushels about equal as fuel, to one ton of hard coal. It makes a quick, hot, bright fire; can be used in furnaces and is a splendid fuel for grates and for heating or cooking stoves.

Orders can be obtained at the company's office, 19 Toronto street, or at the works on Front street, between Berkeley and Parliament streets.

FRAUD! FRAUD! FRAUD!

LOCK OUT FOR COUNTERFEITS!

THE LARGE AND INCREASING DEMAND FOR

CARTER'S LITTLE LIVER PILLS

throughout the country has caused myriads of imitators to spring up in all directions. They have adopted various insignia, but all are designed to take advantage of a confiding public.

We purpose to prosecute all infringers and have set the cannon ball rolling, as the following injunction will testify:

IN THE HIGH COURT OF JUSTICE FOR ONTARIO,

QUEEN'S BENCH DIVISION

The Carter Medicine Company lately commenced action through their Solicitors, Messrs. Faulkiner & Masson, of Belleville, Ontario, against John T. Wait of Arnprior, Ontario, for infringement of their trade mark to their "LITTLE LIVER PILLS," and upon a motion coming on before the above Court on the 30th day of April, 1888, the defendant, John T. Wait (to save heavy damages and costs), agreed to destroy all labels, wrappers, circulars and packages marked with the plaintiff's trade mark or any part of said trade mark or any mark so nearly resembling such trade mark as to be calculated to deceive, and by consent of the said John T. Wait, the above Court did thereupon give judgment granting the Carter Medicine Company a PERPETUAL INJUNCTION restraining the said John T. Wait from using their Trade Mark as registered (Trade Mark Register, No. 6, folio 1692), or any part or imitation of such trade mark, or any part thereof, etc., etc.

In purchasing see that the word "CARTER'S" is on the wrapper. It should read thus

The name is printed Black, on Red Paper, the letters, size and styles here shown.

CARTER'S LITTLE LIVER PILLS.

FOR HEADACHE. FOR DIZZINESS. FOR BILIOUSNESS. FOR TORPID LIVER. FOR CONSTIPATION. FOR SALLOW SKIN. FOR THE COMPLEXION.

On the spurious some other name is substituted for "CARTER'S" or the words "LITTLE LIVER PILLS" alone are used.

Buy only of reputable parties and compare the Wrapper with the FAC-SIMILE on the back of Cover of our Book. 36

Until the whole is disposed of, at 11 a.m. and 2.30 p.m. each day. On view Tuesday, 24th. The subscriber requests particular attention to this large and costly consignment of Japanese Art, which will be found very interesting and instructive, as specimens of the various industries of the Japanese will be found among the collection, embracing examples of Antique ware of quaint and curious forms, hand-painted Porcelains from Satsuma, Kioto and Kutani Vases, Incense Burners from Biwa, Bronzes from Tokio and curios from Yokohama. The above company in selecting these goods have done so with the express understanding that none but the finest produced in each class represented; and we have no hesitation in pronouncing this collection the finest ever in Toronto.
