Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia or Indigestion, Listlessness, Languor, and Loss of Appetite**, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Billious Headache, Sick Headache, Jaundice or Green Sickness, Billious Colic and Billious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery or Diarrhœa**, but one mild dose is generally required.

For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back, and Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy and Dropsical Swellings**, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Nursery Rhymes, No. 13.

All the world's a pill box,
And all the men and women merely swallowers
Of nauseous drugs, cunningly hid in capsules.
And one man at a time takes many pills.
At first the baby struggling and kicking in its nurse's arms,
With thumb in eye and fist on nose, wailing aloud
For *Winslow's Syrup and a box of pills,
And then, the school boy, who won't go to school,
But shams sick, and stays at home with feverish brain.
The doctor comes, and through his lantern jaws,
Inserts a † large and well-made pill.
And then comes forth the lover,
Seeking the magician's art or sorcerer's aid,
Seeking some patent ‡ powder from the god of love,
And he receives it, rounded in a mass,
Pilular in shape and sugar-coated.
Then the loose sailor, with ‖ shivering timbers,
And sanguineous eyes roaring for pills,
Seeking pills, loudly, with a reputation
Even at the *Pharmaceutist's,
And then the fat alderman, with his dog tax,
And night mare visions of an unbuilt hall
Dancing before his eyes, while his nose scents
A musty offal from ¶ Picator's mart.—
And he, too, wants a pill, to ease his troubled conscience.

The sixth victim, no longer blatant but subdued,
With low voice, timidly asks for *Bilious Pills,
And in shrill tones pipes, whistlingly, his thanks.
Last dose of all in this strange, wondrous pill box,
Is the old man turned child again—
Feebly he hobbles with cane along the strand
And asks of eager passers by with gummy mouth,
An easy antidote for pain—a mild blue pill—
This wasted form, oblivious to sense, moves on.
Sans friends, sans money, sans pills, sans everything.
—*Shakspeare.*

NOTES TO THE ABOVE NURSERY RHYME.
*WINSLOW'S SYRUP—an invaluable article for children's teething.
†LARGE PILL—a bolus.
‡LOVE POWDER—Generally composed of sugar and rhubarb.
‖SHIVERING TIMBERS—a free rendering of the phrase used by sailors, "shiver my timbers"—used principally by merchantmen carrying deals.
*A Drug Store.
¶PICATOR'S MART—The Fish Market.
*BILIOUS PILLS—price 25 cents a box.

B. C. KENWAY, C. E.,
102 Prince William Street,
ST. JOHN, N. B.,
Civil Engineer, Land Surveyor, Patent Draughtsman and Architect.

HAVING had over twelve years' experience in the science of Engineering, embracing practice in Europe, Asia and Africa—using none but the very best and latest instruments, and having recently imported direct from England a splendid five inch transit theodolite, I am in a position to put through field work with superior speed, accuracy, and consequent cheapness.

In consequence of numerous enquiries from friends, I have been induced to practice as an
ARCHITECT,
and am prepared to furnish DRAWINGS, ESTIMATES, and Personal Supervision for Buildings of all classes.
