NORRIS & CARRUTHERS

135 Toronto, Ont.

Drummond & Brown received the following today over their private wire from W. G. McCormick & Co. of Chicago: The wheat market has been very active and nervous, exhibiting during the greater portion of the morning decided weakness. The Cincinnati Price Current's report as to the magnificent condition of the growing crop in the United States was the chief bear argument. This was backed up by a statement from the same paper that their information led to the belief that the damage to foreign crops had been exaggerated. The bears hammered the market vigorously and succeeded in closing it weak, although there was a little reaction caused by purchases against puts. The strength of foreign markets is losing its effect on our home trade somewhat, and it seems to require continued bull news to sustain our prices. We, however, believe in the long side and still advise purchases on all soft spots. Corn has been strong, although trading was not large and seemed confined chiefly to local operations. The cash demand is still large, taking all the No. 3 that arrives within 1½c to 2c of the May price of No. 2. The only bear feature we see is some increase in St. Louis stocks. Provisions have been fairly active and have shown strength, except in barrel pork, in which there seems to have been free realizing. The sellers of ribs have been outside longs, who are accepting big profits, while the bulls on both ribs and lard seem to belong to the local packing fraternity. The market for barrel pork seems to us strained, as it readily breaks under comparatively small offerings. The hog market continues strong and prices are slowly advancing.

NEW YORK STOCK EXCHANGE.

The opening and closing of the New York stock market as received by Tilt & Co. is as follows: Atchison, 26¼ and 26¼; Chi., Burlington & Q., 78¾ and 78¾; Canadian Pacific, 76⅝; Canada Southern, 50 and 49⅞; Cleve., Cin. & Chic., 60¾ and 59⅞; Del., Lac. & W., 138⅝; Del. & Hudson, 133¾; Erie, 19⅝ and 19¼; Jersey Central, 114⅝; Louisville & Nash., 73½ and 73⅜; Lake Shore, 110¼ and 109¾; Mo. Pacific, 67 and 66½; National Lead Trust, 19⅝ and 18¼; N.Y. & New Eng., 34⅞ and 34½; Northern Pacific Pref., 71 and 70¼; Northwestern, 103¾ and 103⅝; North Amn. Co., 17¾ and 17¾; Pac. Mail, 36⅝ and 36¼; Phila. & Reading, 38⅝ and 38¼; Rock Island, 80⅝ and 80¼; Richmond Term'l, 17⅝ and 17¼; Silver Certificates, 99 and 99; St. Paul, 55¼ and 54¾; Sugar, 73⅞ and 73½; Union Pacific, 49⅝ and 48; Western Union, 81¼ and 81.

Drummond & Brown received the following today over their private wire from W. S. Lawson & Co. of New York: The market was duller than ever this morning, and except a little room trading in St. Paul & Burlington, with some scattering transactions in other stocks, there was little to show that business was progressing. Later the market weakened. Someone seems to be peddling out Northwest stock. It is supposed that some of the Vanderbilt party had to raise money for the Watertown deal and is realizing on investment holdings. A bearish feeling is spreading regarding the Anthracite stocks, the cause of the slow movement of coal. It is said the amount at tidewater points is greater than ever was known in the trade except once.

INTERCOLONIAL RAILWAY OF CANADA

The direct route between the west and all points on the Lower St. Lawrence and Baie des Chaleurs, Province of Quebec, also for New Brunswick, Nova Scotia, Prince Edward, Cape Breton Islands, Newfoundland and St. Pierre.

Express trains leave Montreal and Halifax daily (Sunday excepted) and run through without change between these points in 28 hours and 55 minutes.

The through express train cars of the Intercolonial Railway are brilliantly lighted by electricity and heated by steam from the locomotive, thus greatly increasing the comfort and safety of travelers.

New and elegant Buffet Sleeping and Day Cars are run on all through express trains.

Canadian-European Mail and Passenger Route.

Passengers for Great Britain or the Continent leaving Montreal on Friday morning will join outward mail steamer at Halifax on Saturday.

The attention of shippers is directed to the superior facilities offered by this route for the transport of flour and general merchandise intended for the Eastern Provinces and Newfoundland; also for shipments of grain and produce intended for the European market.

Tickets may be obtained and all information about the route, also freight and passenger rates, on application to
