ALL SAINTS AND ALL SOULS.

To-day the Church is celebrating the festival of All Saints, the day set apart to do honor to those saints who have no special day throughout the year dedicated to their honor. It is also the day on which terminates the feasts of the liturgical year, commemorating the mysteries in the life of our Saviour and His Blessed Mother. To-morrow the sombre draperies of our Church will speak of death and all the faithful should feel it a duty to attend the solemn requiem Mass which will be offered up in all our churches. Sunday next His Grace has set aside as the day on which the pilgrimage to the cemetery will take place. At three o'clock the ceremony will commence, which will consist of two short allocutions in French and in English. The vicar of the Cathedral, Rev. A. Martin, will speak in French, and Rev. Father McCrory, of Cote St. Paul, will be the English speaker, after which a solemn Libera will be sung.

DEATH OF RT. REV. GERALD MOLLOY, EMINENT IRISH EDUCATIONIST.

There is widespread and poignant regret stirred in Ireland because of the death of the Right Rev. Gerald Molloy. He was found dead in Aberdeen, having passed away in his sleep. He had gone thither as the delegate of the Royal University of Ireland to take part in the celebrations of the fourth centenary of the Aberdeen University, and was one of those on whom the honorary degree of doctor of laws was conferred by the University the other day. With his death there disappears a unique figure from the Irish educational world. His active career as an educationist covered nearly half a century, for it wants but a year of the half century since, with one of the most brilliant reputations ever won in the National College, he passed from the student's desk to the professional chair at Maynooth.

ST. MARY'S FAIR OF NATIONS AND BANQUET.

The ladies and gentlemen of St. Mary's parish are putting forth every effort to make their forthcoming celebration of the 25th anniversary of the parish a grand success.

The entertainment decided upon by the committee in charge is to be a Fair of Nations and banquet. The different tables will be decorated with flags representing different nations, and the young ladies are to wear costumes corresponding to the nations represented.

The celebration will be held in St. Mary's Hall, corner Craig and Panet streets, Nov. 26th to 29th inclusive. Several meetings have been held, presided over by the Rev. Pastor, Father P. J. Brady, and the committees are leaving nothing undone to make the social celebration a big success. The first night will be devoted to the welcoming of the invited guests. Tuesday there will be a concert, and some of the best local talent will take part in the concert. Wednesday will be given up to the euchre players, and Thursday will be in charge of the married ladies, who are working hard to make their banquet a grand success. The admission tickets for the first three nights are now on sale at 10 cents, and banquet tickets for Thursday, Nov. 29th, are placed at $1.

No person should go from home without a bottle of Dr. J. D. Kellogg's Dysentery Cordial in their possession, as change of water, cooking, climate, etc., frequently bring on summer complaint, and there is nothing like being ready with a sure remedy at hand, which oftentimes saves great suffering and frequently valuable lives. This Cordial has gained for itself a widespread reputation for affording prompt relief from all summer complaints.

GOLDEN WEDDING AT GREY NUNNERY.

On the 16th of October a very interesting as well as imposing ceremony took place at the Grey Nunnery, on the occasion of the Golden Wedding of Rev. Sister Hamel, Superior-General. While the actual feast was very modest and simple, yet the homage paid together with the good wishes and handsome gifts bespoke the affection all entertained for the venerable jubilarian.

The eve of the jubilee delegates from all the houses of the order in the city, Quebec, St. Hyacinthe, Ottawa and even St. Boniface, went to the Mother House and paid their respects. Mgr. Racicot, the Rev. Charles Lecoq, and many of the Sulpician Fathers, also a large number of secular clergy also brought their compliments. It was on the eve, also, that the little orphans gave a very pleasing entertainment, consisting of the singing of cantatas, recitations of pretty verses full of love for the dear mother who is so devoted to the little orphans, and finally the presentation by two of the tiniest babies of the Crèche of a handsome basket of flowers. On the morning of the 16th masses were celebrated by some fifty priests in the chapel of the Mother House. His Grace Archbishop Bruchesi brought with his own congratulations a cablegram from His Holiness Pius X. bearing the Apostolic benediction for the jubilarian and her entire community.

Mother Hamel has always occupied important positions both at St. Boniface and in this city.

An End to Bilious Headache.—Biliousness, which is caused by excessive bile in the stomach, has a marked effect upon the nerves, and often manifests itself by severe headaches. This is the most distressing headache one can have. There are headaches from cold, from fever, and from other causes, but the most excruciating of all is the bilious headache. Parmelee's Vegetable Pills will cure it—cure it almost immediately. It will disappear as soon as the Pills operate. There is nothing surer in the treatment of bilious headache.

AUTUMN PARADE OF MOUNT ST. LOUIS CADETS.

The brilliant and popular cadets of this well known institution held their annual autumn parade last Saturday afternoon. In numbers it surpassed all former years. Leaving the college at 2.30, they marched to the Champ de Mars by Sherbrooke, St. Hubert, Dubord, St. Denis, Craig and Gosford streets. Their appearance on the historic parade ground was greeted by hundreds of citizens, who never fail to encourage our soldier lads.

The companies of the first battalion were then drawn to attention, and the captains put their companies through a series of evolutions which won for them deserved applause. Sergeant Charlton, of the Military Staff, acted as judge, and in giving his decision complimented the cadets on their efficient drill. The result of the first contest for the Wilson Smith cup was as follows:

No. III Company, 1st, 75 points out of a possible 100.

No. IV Company, 2nd, 70 points.

No. I. Company, 3rd, 65 points.

No. II Company, 4th, 55 points.

The Wilson Smith Cup was won by the Cadets in 1897. Since that time the trophy is competed for by the companies of the first battalion. Three contests take place annually, one in the autumn, one in February, and one in June. The company obtaining the highest percentage for the three contests holds the cup for the coming year. No. I company are the present holders of the cup.

On leaving the Champ de Mars the Cadets returned to college, after parading some of the principal streets, where their neat appearance and steady line were greatly admired.

The Mount St. Louis band, 60 strong, under the direction of Mr. E. Hardy, won great applause.

The Director and staff of Mount St. Louis College have every reason to be proud of their Cadets, and Sergeant Major Philips, their able and popular instructor, deserves to be congratulated on the great success of Saturday's parade.

A Reasonable Theory About CANCER

There is a peculiar condition of the blood that favors the growth of cancer, and neither knife nor plaster will effect a permanent cure without the aid of a constitutional treatment such as ours. CATHOLIC SAILORS' CONCERT.

Although the feast of Hallowe'en is proverbially a home one, yet to the credit of St. Anthony's Court, Catholic Order of Foresters, they appreciated the fact that the one destined to live for the most part away from home, the seaman, deserves comfort and encouragement as well as other people.

This was demonstrated at the weekly concert of the Club, before an exceptionally well filled hall, under the circumstances.

The programme was one well worthy of those in charge, and proved a befitting recompense to those who had laid aside the pleasures of the home circle to assist thereat. Special mention is due to Miss Mable Lynch and Mrs. T. W. Kane, as well as to Messrs. Howard, Willet, Glover, Kitts, McLean, Boston, Millar, O'Dowd, Howard, Cook, Miss and Mr. Laing, Miss and Mr. Asselin and Masters P. and M. Hart, all of whom did their utmost towards the enjoyment of those present.

Next week's concert will be in the hands of Prof. P. J. Shea, when a splendid evening's enjoyment is promised.
