Sporting Gossip — **Rugby** — Teams are Ready for the Saturday Games — **Bowling** — League Scores

Note and Comment

The Detroit Free Press takes the Carlisle game here as the text for an editorial. The result shattered a provincial idol, it thinks. The Free Press takes for granted that the old boys were a well drilled team, and among other things says: They have believed absolutely in the superiority of two things in Canada, the kind of football they play and the kind of players of football they have. It has been a sort of fetich among them that Canadian Rugby is a much faster game than American college football ,and they have professed certainty that if ever two teams from opposite sides of the boundary should come together the end of the American sport would be in sight.

The Free Press continues: The teams played both styles of the game. In the first half, under American rules, the visitors scored almost at pleasure. In the second half, under the Canadian rules, there was a brief period of uncertainty, according to the newspapers, but the Indians speedily grasped the essential points and adapted themselves to the strange system with an ease that was in marked contrast to the inability of the Canadian players to master the novelties of the sport to which they were new. Thereafter the Indians outplayed the Torontonians at their own game.

Comparing the two games The Free Press believes the American style develops alertness and quickness to learn much better than the Canadian style. It resembles baseball as compared with cricket in this respect. The boys trained on the diamond will make a much better showing at the wickets than will the boy from the crease make when he essays the swifter sport.

Practical experience shows the reverse to be the case. The ball player may field better, except in the slips, but the cricketer can undoubtedly line out a base ball which is merely hitting a full pitch, whereat the straight bat necessary to make good at the wickets can only be acquired with difficulty and patience by the ball player.

Six students of Lake Forest University, Ill., are on a ninety-mile walk to Beloit, Wis., so that they may be present at the football game on Saturday with Beloit College. The students took 75 cents each to cover incidental expenses and the coach gave them complimentary tickets to the game. They carried food and blankets, and are sleeping in barns en route. They have been promised a free ride back if Lake Forest wins.

With a view to deciding on a successor to Jack Johnson's title as heavyweight champion of the world, W. C. Kelly, representing Hugh McIntosh, the Australian promoter, has signed a contract with Dan McKetrick, manager of Joe Jeannette. The contract calls for the appearance of Jeannette in five contests in Australia, the first of which will be with Sam Langford and the second with Sam McVey, both of whom are now in Australia. McIntosh agrees to give Jeannette $25,000, with the privilege of 25 per cent. of the gate, with five round trip tickets for himself, manager and sparring partners, and they will sail from San Francisco the latter part of November. In addition to these stipulations, McIntosh will give a gold belt emblematic of the world's heavyweight championship.

Adam Bede, that won the Cambridgeshire, is by the French stallion Adam which was imported to the States by the Newcastle staole at a cost of $50,000. When the anti-public betting laws went into effect Adam was bought by a French breeder. In the same sale Adam Bede, a yearling, was offered. He was a fine-looking chestnut. John E. Madden bought him for $2500. He did not show great form as a two-year-old, but improved with age. Madden sold him as a three-year-old at a big price to Louis Winans. Adam Bede recently won the Duke of York Stakes in which he beat August Belmont's Monotone by half a length. Because of his victory in that race, Adam Bede had to carry a penalty in the Cambridgeshire Handicap.

Thru the success of Tracery, in the St. Leger, principally, Mr. August Belmont is eighth on the list of winning owners on the English turf this year. More than $60,000 is to his credit in that country. Mr. H. P. Whitney is ninth on the list with $45,000. Mr. Duryea, with one colt, Sweeper II., is sixteenth on the list with $35,000. Top of the list is Mr. Thomas Pilkington, with $105,000, chiefly won by Prince Palatine, son of Persimmon.

TWO TEMPORARY FIRE STATIONS

For Earlscourt and Greenwood Avenue —Dairy Licenses Are Cut Off.

Ald. McBrien wanted a permanent fire hall in Earlscourt and a temporary hall built on the site which it is proposed is to be bought for a public library. The temporary firehouse will be built where the chief wants it.

A temporary firehall will be built on the site purchased on Greenwood avenue at a cost of $2000; the work to be done by the city architect.

Dairy licenses issued to J. Fletcher, 671 East Gerrard street, and J. Millacreda, 13 Sumach street, were cancelled because the premises were unsatisfactory.

CHOKED ON CANDY

Mrs. T. Webster Died Before Doctors Could Reach Her.

While eating peppermint candy and chatting with her daughter on Wednesday afternoon, Mrs. J. Webster, 205 Hamilton street, was seized with a choking spell and died before doctors could reach her.

The dead woman was sixty-two years old and was the widow of Isaac Webster. She leaves five daughters and a son.

SORTIES OF TURKS FAILED.

SOFIA, Oct. 30.—(Can. Press.)—It is officially reported that the Turkish troops at Adrianople have made several sorties, chiefly to the west and northwest, but have invariably been repulsed.

DECIDING GAMES ON SATURDAY

Argos and Ottawa and Alerts and Torontos — Rugby News and Gossip.

Those R.M.C. Cadets are not to be despised. The Kingston boys know how to play football and will give Varsity a good argument on Saturday.

Theodore York, right guard of the Yale football team, is dead, as the result of an injury received in a Rugby game. He received injuries in the Yale-West Point game that were only thought to be slight, and after leaving the hospital contracted pneumonia and died Wednesday night. All Yale practices have been postponed until after York's funeral.

Reports coming out of Ottawa are all praise for the Capital City, and go on to tell how badly they are going to beat our own Argos on Saturday. This blowing of one's own horn is generally a sign that away down underneath the "blowers" are just a little timid and are making a great noise to cover up their own fright. We hope so.

The scullers will be without the services of Ross Binkley, but they will trot out one of the strongest teams that have ever represented the oarsmen, and it will be a battle to the finish.

Torontos have the biggest task of their career on Saturday, when they do battle with the Hamilton Alerts in the latter's back-yard. Parkdale have twice met the Alerts, and have been beaten both times. Torontos have beaten Parkdale and look the best that could be sent against the Hamilton squad to give them a licking. A win for Hamilton on Saturday will assure them of entering the Dominion finals, and a defeat will give Torontos a chance for it.

It will be a heavy team that the Queen City team will take to Hamilton, and it is do or die for them. The line-up will likely be:

Alerts—Flying wing, Flannery; halves, Becher, Carr, Lechie; quarter, Harper; scrimmage, McCarthy, Craig, Spence; wings, Fitzpatrick, Craig, Clark, Gerrard, Grey and Fisher.

Torontos—Flying wing, Egan; halves, DeGruchy, Smith, Heffernan; quarter, Mills; scrimmage, Brown, Hoare, Marsden; wings, Moore, Crawford, D. Burkhart, Foster, Morrison, Burkhart.

Dr. Hendry will referee and Dr. Briggs is the umpire.

The Rough Riders received a severe shock last night when it was given out that Eddie Gerard's chance of getting in the game against the Argos was very slight, and that the red, white and black would have to find a man to replace him. Gerard was injured by a hard tackle from Kelly in the Montreal game last Monday, and after an examination it was stated that Gerrard had sustained an injury to his shoulder which would very likely keep him out of the game for the rest of the season. Jack Williams is the only man to take his place, and as Williams has been showing very little in the line of good work this season, Dr. Galvin is very much worried over his team. Nearly every play hinged upon Gerrard and his work this season has been exceptional. Jack Williams will very likely start out at centre-half, altho Fleming, one of last year's intermediates, may be chosen. This will greatly weaken the Rough Riders' back division, and the news of it has caused a slump in the betting locally.

With the exception of Gerard, the team is in shape for a great struggle, but his loss will be badly felt, and may hand victory to the oarsmen. Should the Rough Riders win, Coach Dr. Galvin intends to line up his best fourteen against the Argos at Toronto in an effort to finish the league season with a clear sheet, and thus make an interprovincial record.

West End Y.M.C.A. will have no signal practice until next Friday. All members are requested to attend the champions' banquet at 7 o'clock Saturday night.

Beach Canoe Club intermediate city team will practise this evening at 7 o'clock at Scarboro Beach. The following players are requested to be on hand: Gribble, O. O'Leary, H. O'Rourke, C. Commins, F. O'Leary, Hayes, Omeroid, Wilson, Sullivan, Jackson, Ford, Newport, Cahill, Barnes, Taylor, Wagner and any others wishing to make the team to play Riverdales on Saturday.

Manager Leonard of Colgate University, Hamilton, N.Y., wired the Varsity team yesterday to try and arrange a game with them on Nov. 2, owing to Yale having cancelled their game with Colgate on account of one of their players dying. Varsity, of course, will be unable to accept, as they play R.M.C. here on that date.

Parkdale Collegiate defeated Humberside yesterday afternoon, winning by the substantial majority of 13 to 2. The winners lined up as follows: Flying wing, Duthie; halves, Sanderson, Beatty, Holmes; quarter, Smith; scrimmage, Hall, Mahon, Linton; wings, McEwan, Orr, Merson, Symons, Birgsall, Hughes and Read.

The Alerts have sent down 300 seats for their game with Torontos in Hamilton Saturday, and they will be on sale at 189 Yonge street from 11 a.m. to 5 p.m. today. Railway tickets may also be bought at the same place.

BOYS CAUSE TROUBLE

More police protection is wanted in the New Beach district. The boys of the vicinity have been getting unruly since the evenings have begun to close in earlier. Three boys made themselves too free on a Buller avenue lot. After being sent away they returned and started a fire on the resident's back steps. It was discovered before doing any serious damage. Complaint has been made to the police.

HOCKEY PLAYERS FOR TECUMSEHS

Some of the Men Manager Nicholson Is After—He Opposes Six Men a Side Rule.

OTTAWA, Oct. 31.—(Special.)—Billy Nicholson, the old Montreal Wanderer and Haileybury goal-tender, and now manager of the Tecumseh hockey team of Toronto, was in town last night on the look-out for players. He wants Angus Duford, whom both George Kennedy of Le Canadiens and Bruce Ridpath of the Torontos are after, and also Punch Broadbent, Billy Smith, a brother of Alf and Harry Smith; Horace Gaul and Joe Dennison. Joe Dennison has been tendered a contract by the Ottawas, but might be allowed to go to the Tecumsehs should Nicholson make a dicker with the Ottawas. Both Ridpath and Nicholson are after local men, and expect to round out a good team, altho they will have mostly new men to fill up with. Nicholson claims to have practically secured Bellamy of the Winnipeg Monarchs and a couple of other amateur stars less known to the hockey fans in this end of the country. He claims to have twenty players under contract.

The Toronto Club's manager is strongly opposed to six-man hockey, claiming that it only makes the game faster in fits and starts, and that with six-man hockey the Toronto clubs might fail to please the Toronto public, who have always been used to the seven-man game. He will support the Ottawas strongly in their stand for the seven-man game. As a player known to fame whenever the game is played, his opinion is worth something, and Nicholson says that six-man hockey failed to make the game any faster than before.

"It breaks up combination and makes it purely an individual game," he declared. "In the old days teams used to play the individual style of hockey. Then combination came along, and the teams with combination could beat a team of all-stars. Now this six-man game throws the game back to the days before they developed any combination."

He would not express any opinion on the proposed hockey commission.

The Tecumseh manager is enthusiastic over the outlook for Toronto, declaring that he will have a good team, and predicting that Toronto will support hockey twice as well as any other city in Canada. He will be back in Ottawa within ten days to hunt up some of the players for whom he is angling.

INTERMEDIATE GAME VARSITY VS. M'MASTER

Varsity II. Submerge Baptists 29—1 and Will Meet R.M.C. for Champs.

McMaster went down and out yesterday when Varsity II. submerged them to the tune of 29 to 1. The score is as near a comparison of the team play as anything, and the way they walked over the Baptists was a shame. The game was half an hour late in starting owing to a misunderstanding between the numerous officials, in fact, the red tape controversy connected with these aggregations gets on one's nerves. Varsity were confident of winning, but they were surprised at the weight of McMaster when they came on the field. For the first ten minutes things were decidedly in the Baptists' favor, but Varsity gradually worked them away from the danger zone, and Crawford kicked for a rouge. McMaster bucked hard and gained their yards several times, but Muntz went thru on a buck and broke away, making the 25-yard line, where he passed the ball to Milne, who dodged his way over for a touch, which was afterwards converted. The quarter ended Varsity 7, McMaster 0. Graham did some fine plunging for McMaster, and Crawford and Milne played well on the half, making up what the line lost. Both teams were very erratic in passing, and were offside or worked interference at least once in every three downs, and continually lost the ball whenever they had secured an advantage. Crawford kept punting well and scored two rouges in succession. McGregor worked like a horse and continually ran the ball back thru the numerous tacklers and he was their chief asset in keeping the score down. McDowell intercepted a long pass and with a clean field ahead of him went over for a touch. McMaster warmed up and bucked continually, gaining their yards, until Freeman booted for a rouge and notched their first and only point. Crawford punted to the quarter line, but McGregor knocked the ball out of touch and Milne on a headlong plunge was carried thru, and he got away and after a zigzag run went over for a touch. Halftime score: Varsity 19, McMaster 1.

The third quarter was rather tame, and end to end play mixed with considerable roughness was the feature. Both teams seemed tired, but Varsity woke just at quarter time and went over for a touch. In the last quarter McMaster died hard with Hyde and McCrimmon tearing thru for good gains, while Ashmore had them puzzled with his trick plays and his criss-cross passing. The Baptists had the best of the argument all thru the last quarter, and Varsity only secured the last touch on a fluke, ending the game 29 to 1.

Campbell replaced Platt in the last quarter. Crawford is a sensation, and he carries the ball as well as any of the seniors. He has speed to burn, and his arm work and dodging is splendid. Symons, the man who will succeed Pete Campbell, played sensationally, all thru the game, altho he is handicapped without the necessary forty pounds of avoirdupois he needs to make a line plunger. Varsity will meet R.M.C. on Nov. 9 and 16, but from the outlook at present there seems to be nothing to it but the soldiers.

The line-up:

Varsity II. (29): Flying wing, Boddy; right half, Milne; centre half, Crawford; left half, Fawcett; quarter, Symons; right scrimmage, Allend; centre scrimmage, Davidson; left scrimmage, Schwalm; right inside, Robertson; left inside, Taylor; right middle, Platt; left middle, Muntz; right outside, MacDowell; left outside, Byrie.

McMaster (1): Flying wing, McCrimmon; right half, Freeman; centre half, McGregor; left half, Brown; quarter, Ashmore; right scrimmage, Haddow; centre scrimmage, Renno; left scrimmage, Whan; right inside, Hiesy; left inside, Hyde; right middle, Graham; left middle, F. Whan; right outside, Waters; left outside, Campbell.

Referee: L. Sifton.

CANADA HORSES IN N.Y. SHOW

Twenty-Eighth Annual Exhibition Opens Nov. 16 in Madison Square Gardens.

NEW YORK, Oct. 29.—The entries for the twenty-eighth annual exhibition at Madison Square Garden next month at the National Horse Show Association closed on Thursday last, but until all the mails are in totals cannot be computed.

The 623 entries for the opening show in 1888 have been trebled for the coming fixture, which begins on Nov. 16, and it is expected that the 2051 entries of last year will be equaled or exceeded.

There were 187 exhibitors at the first show and 224 last year, a ratio of increase indicating that owners keep larger strings of show horses. There have been two blank years, but the aggregate value of the premiums paid up to 1911 foots up to $713,075. The banner years were 1908 and 1909, when the premiums paid amounted to $35,145 and $37,186. The value of the premiums for the coming show is about $32,000. There will be a stronger representation in the military classes from Europe and Canada than at any previous show. The leading American exhibitors in every type of harness and saddle horse have sent in their nominations, and the home-bred driving and riding horses will be better represented than ever before. American-bred hackneys and half-hackneys will be a factor in all the heavy harness classes.

Holland will be represented this year in the international contests by three officers and six horses. The three officers have been here before, and three of the horses, too, have competed at the Garden. Black Paddy, which last year was ridden by Baron H. F. M. Van Voorst, will compete again, but this year the baron will not visit this city, and Black Paddy will be ridden by Lieut. A. N. Coblyn, who rode here in 1910. The three officers and their horses are: Lieut. C. H. Labouchere, owner of Dreadnought and Spes; Lt. A. N. Coblyn, owner of Black Paddy and Irene, and Lt. H. Mathon, owner of Powerful and Held. Dreadnought, Black Paddy, and Powerful have been seen in the ring at previous shows and have done well. Last year the representatives of Holland captured the American Cup, and this year will try to defend it.

England is sending here Col. P. A. Kenna, V.C.D.S.O., an aide to King George; Capt. Mervyn Crawshay of the Eleventh Dragoon Guards, and Lieut. R. M. Stewart Richardson of the Eleventh Hussars. Col. Kenna is an old friend and his won several prizes at the National Show. Just what horses he will bring has not yet been announced, but the next mail is expected to bring all details. Capt. Crawshay will ride Princess Charlotte and Sue, and Lieut. Stewart Richardson will ride Dan Leno and Blakestown. Great care has been taken in selecting the British trio for this year, and it is said that the horses and riders will do remarkably well, as they are experienced and capable.

Six United States officers have entered, and their horses are being specially prepared for the competitions when they will meet the foreign officers. In former years the home representatives have not done well. They have been handicapped because their mounts were not as good as those of the visitors, but this year they are confident of doing better and will strive hard to keep some of the prizes in this country.

The Canadian string will be a strong one, and if reports are true, the Canadians have some wonderful jumpers, which will be seen at the show. Canada always does well in the hunting and jumping classes, and Canada now holds the Canada Cup, donated by the Hon. Adam Beck, and the men from across the border are confident that they will retain it another year.

SENATORS WIN CLOSE GAMES

Islanders Made Them Hustle All the Way—What the Pin Spillers Are Doing.

In the Toronto Bowling Club Five-pin League last night, the Senators had their work cut out to defeat the Islanders in two out of three games, the latter doing good work for novices at the game, while the old boys had to extend themselves in the last spasm to put over the odd game on the night. Tom Litster, the old master, showed the most class, and was easily high roller with a 424 collection, while George Hotrum, a good name for the Islanders with a 391 total. Scores:

NEW HORSE AMBULANCE

Humane Society Will Pay $4900 For Motor Cars.

At a meeting of the Toronto Humane Society held yesterday afternoon it was decided to invite the newly-formed team owners' association to have two representatives present at the monthly meetings of the society. It was pointed out that in this way the two associations, both working along the same lines, could co-operate.

It was finally decided to purchase an electric ambulance for horses at a cost of $4900. This is being specially constructed to answer the needs of the association in Toronto and will be ready before New Year, by which time it is expected the new headquarters and stables which the association are to purchase in the downtown section of the city will be acquired.

MR. ROWELL SPEAKS

"Imperial Conference" Explained to Canadian Club Members.

N. W. Rowell, K.C., addressed the members of the Empire Club at luncheon yesterday. The subject of his address was "Imperial Conference."

Mr. Rowell stated that the imperial conference was the evolution of the colonial conference, by which it was constituted in 1907, and he showed the progress that had been made by these two bodies in promoting union and co-operation between the colonies and the mother country.

The speaker pointed out the difference between the imperial conference and the committee of imperial defence. Th former is a conference of governments, and the latter a conference between individuals.

"Both of these bodies cannot be equally powerful," said Mr. Rowell, in conclusion. "Which of them is to be paramount?"

HOUSES COLLAPSED.

A pair of two-storey brick veneered houses at 134 and 136 Argyle street fell into the excavations which were being made under them about 9 o'clock Wednesday evening. Earlier in the evening several children had been playing in the danger zone, but when the collapse came none of them were near the place.

ALERTS MAY PLAY M'GILL

Montreal College Wants to Meet Ontario Union Team —Place Not Decided Yet.

Montreal and Hamilton will fight it out for the cellar position again.

There is a possibility that the Alerts and McGill College teams will clash before the regular football season is over. A telegram was received at noon yesterday from S. G. Ross, president of the McGill Club, asking for a game either in Hamilton or Montreal on Nov. 9, which is an open date for the collegians in the intercollegiate schedule, says a Hamilton despatch. The Alerts are willing to meet the eastern team, and have notified them to that effect, but a decision as to whether the game will be played in Hamilton or Montreal will not be arrived at until Saturday. The collegians have promised to wait until that date for a definite answer.

It is said that Jim Kennedy and Reid Halden may figure in the Ottawa scrimmage on Saturday.

Should Ottawa lose to Argos on Saturday they would have to beat the scullers at Rosedale the following week to win their union. There is no chance of a tie.

The Y.M.C.A. Rugby team will hold a signal practice tonight on the gymnasium floor at 6 o'clock. A meeting of the players will be held immediately after the practice, at which important business will be discussed. The rooters will meet at 9 o'clock.

The Kingston Collegiate Rugby team defeated the second team of the Royal Military College by 17 to 11 in the Junior Intercollegiate series yesterday.

Queens and McGill have agreed upon Hugh Gall of Parkdale as referee for Saturday's game. No decision has been reached as to umpires. H. C. Griffith was to have come down with Gall, but McGill objected. Queens wished to have Griffith for the game with Varsity, and thought he would be satisfactory for this match.

BERLIN, Oct. 31.—It has been decided by the local hockey management to play both in the intermediate and junior series of the O.H.A.

TERRIBLE ATROCITIES BY TURKS.

ATHENS, Oct. 30.—(Can. Press.)—New and more terrible Turkish atrocities in twenty Christian villages in the Janina region are officially reported. The villages were destroyed, the inhabitants massacred, women and children being burned alive.

It is also officially reported that three-fourths of the Turkish wounded at the beginning of the fighting were Christians. Now only about one-fourth of the wounded are Christians, which is taken to mean that the Christians were placed in the forefront of the battle.

AUSTRALIA AFTER IMMIGRANTS.

OTTAWA, Oct. 30.—(Special.)—According to official reports received here the Australian commonwealth during the first seven months of this year received 93,592 immigrants, while no less than 45,623 left the colony, thus showing a net gain in immigration of only 49,968 during the period stated. Of the total arrivals 83,640 were British, the balance being composed of Germans, Italians, Russians, Greeks, Danes and a limited number of Asiatics and colored people.

The activity of some of the Australian states in sending capable officers to Great Britain and the extensive circulation of immigration literature are, in the main, responsible for the increased figures.

SULTAN'S CONGRATULATIONS.

CONSTANTINOPLE, Oct. 30.—(Can. Press.)—The sultan today sent the following message to Nazim Pasha:

"Your two telegrams announcing the success of our army caused great satisfaction. I congratulate you, as well as the commanders, officers and men. May the good God make you worthy of His clemency and the favor of the Prophet. May blessings be showed on you in this world, as they surely will be in the next. May it please God that we shall hear soon of your complete success."

EATON'S
Our $1.00 Cape-Skin Glove for Men

EXAMINE this particular line in our Glove Section — judge it, not by price, but by quality of material, of finish and of workmanship throughout; you'll find it a glove that will compare favorably with many of higher price. It is of English capeskin, with outside seams, gusset fingers, spear-pointed backs and Bolton thumbs. Shown in the latest shade of French tan.

Parkdale at Hamilton For Inter-City Honors

Parkdale Collegiate, the High School Rugby champions of Toronto, have arranged home and home games with Hamilton Collegiate for the inter-city championship. The first game will be played at Victoria College grounds next Saturday morning at 10.30.

THREE HUNDRED TURKS PAY DEATH PENALTY.

CONSTANTINOPLE, Oct. 31.—(Can. Press.)—(By wireless to Kustendje, Rumania.)—Three hundred Turkish officers and men have been executed in connection with the panic among the Turkish troops at the taking of Kirk-Killisseh by the Bulgarians.

According to narratives told by a refugee from that city, the troops at Kirk-Killisseh were composed almost entirely of reservists. They were under-officered, ill-trained and badly fed. Several of the regiments at the time of the fighting had been without rations for 48 hours.

A night attack upon the Bulgarian advance guard was ordered by the Turkish commander, but the energetic defence offered by the Bulgarians disconcerted the Turkish troops and a panic set in. The troops dispersed, abandoning in their flight their guns, rifles and ammunition.

TURKS IN UTTER ROUT.

SOFIA, Oct. 31.—(Can. Press.)—The Bulgarian army is vigorously pursuing the Turks, who are retreating in disorder and panic on Seral and Tehorlu. Many guns and large quantities of ammunition have been captured. Aivali, near Lule Burgas, and Maras, have been burned. All the Christian inhabitants, according to the Bulgarians, were massacred.

As Pleasing to the Eye As it is to the Palate
COSGRAVE'S XXX PORTER

Rich in color, delicate in flavor, it delights you before you drink and while you drink.
And afterwards you reap the stimulating tonic effect of its invigorating malt and fragrant hops.
Cosgrave's XXX Porter is recommended by physicians for invalids and nursing mothers.
