Baseball People Win.

Washington, D.C., Nov. 13.—Justice Gould in criminal court, in the case of Edward Velhmeyer, against the Washington Baseball Club of the American League, and Acting Manager Malachi Kittredge of the club, to-day directed a verdict in favor of the defendants upon the ground that a person attending a game takes the risk of injury from being hit by balls from the field, unless the patron purchases a seat behind the wire screens. Velhmeyer sued for $300 damages against the club because he was struck by a foul ball from Kittredge's bat as he was proceeding to a seat upon the bleachers.

Barrow After Player.

According to The Sporting Life, Manager Barrow is negotiating with Cincinnati for a catcher named Charley Stout.

Lacrosse at Cornell.

Ithaca, Nov. 13.—The outlook in lacrosse for the present season is good. There are 40 men reporting for practice at the armory daily. This number includes ten of last year's varsity squad, which is a good nucleus for this year's team. This year's freshman class has brought some very good material to the squad. This is due undoubtedly to the increased interest in lacrosse being taken in the preparatory schools and in cities like Buffalo. A new rule this year also permits the substitution of lacrosse for drill by some of the freshmen.

This afternoon a practice game will be played between the varsity and scrub teams on the playground of the new athletic field on the hill. This will be the last outdoor drill for the squad, and practices will hereafter be continued in the armory.

A tentative schedule shows that lacrosse games are being arranged for next spring with Harvard, Pennsylvania, Columbia, Johns Hopkins, Lehigh, Stevens, Buffalo, Hobart College and the Crescent Athletic Club of New York. It is likely also that a schedule of games will be arranged for a freshman team.

Promising Athlete.

Joe White, a young lad of 17 or 18 years, and one of Toronto's coming athletes, distinguished himself by winning the cross-country run held by the Parkdale Collegiate, covering the distance of three and a third miles over a very rough course, in the splendid time of 21 minutes and 35 seconds. Then, on Saturday, he had grit enough to run in the annual five-mile Y. M. C. A. race, and covered the distance in 30 minutes and 29 seconds, a splendid performance after Friday's run. He has won honors for the Jameson Collegiate in their interscholastic races, held in the fall, and was the winner of the half-mile at the collegiate games in the spring.

The first game in the Mulock Cup series, played at Varsity field yesterday, resulted in an overwhelming defeat for the Senior Arts team at the hands of S.P.S. The score was 40—0. Against a strong wind in the first half the Arts men held the scaool team down to 5 points, but in the second period of play the Science men, with the advantage of the wind, put it all over their opponents, and got over their line again and again. The game was played under the Intercollegiate Union rules. The teams:

Varsity and the Tigers.

President Clancy of the Canadian Rugby Union, in a telegram received yesterday by Rev. A. F. Barr, reiterates his claim to a double-barreled vote, and, as far as he is concerned, Hamilton Tigers should play in Ottawa. Against this the Ontario and Intercollegiate majority are standing on their rights and the constitution.

Thus, unless Hamilton volunteers to visit Ottawa, the Rough Riders may disband.

After Varsity closes up next Saturday with Ottawa College, the Intercollegiate and Ontario champions will likely arrange to play for the Canadian championship, probably home-and-home games, points to count.

Hamilton Tigers' Great Record.

From The Hamilton Herald.

The Tigers are O.R.F.U. champions for the fifth time. They first won the honor in 1899, next in 1897, and in 1903, 1904 and 1905. During the past three years they have gone thru the O.R.F.U. contests without being defeated once. They were defeated by Varsity in an exhibition contest here in 1903, which was their only defeat in the past three seasons. They have established records for big scores and have on more than one occasion shut their opponents out. The season just closed has been a remarkable one for the Tigers. They have not been defeated once during the season, altho they have played eight games, two of which were exhibition contests. During the season they have scored 248 points in O.R.F.U. contests and ave had only 23 points scored against them. Including the two exhibition games, they have scored 307 points against 25. During the season they have scored 40 touchdowns in O.R.F.U. contests, of which Art Moore has converted 21. In the two exhibition contests 10 touchdowns were scored in which Art Moore converted 4. During season he has converted just one-half of the touchdowns made. The touchdowns scored this year by the different members of the team are as follows:

O.R.F.U. games—Stinson 7, Moore 7, Marriott 6, Ballard 6, Isbister 4, Bickford 3, DuMoulin 3, Kirkpatrick 1, Simpson 1, Tope 1, Lyon 1; total, 40.

Exhibition games—Simpson 3, Stinson 2, Ballard 2, Marriott 1, Moore 1, DuMoulin 1; total, 10.

Dundas Beat a Varsity Team.

Varsity III. team played an exhibition game with the Dundas intermediates on Saturday. Dundas winning by the close score of 9—5. The game was both fast and exciting. Pollock, outside wing for Varsity, had to go off in the second half. For Dundas, Nelson and Martin played the best games. For Varsity III., Sheriff was the undoubted star, his tackling being always a feature. He also had the honor of being the first man to score a touchdown against Dundas at home this season. Nelson at centre half played a conspicuous game, in the first half, with a high wind behind them, Dundas scored four points, Varsity backs making no fumbles. Next half, against the wind, Dundas started off with a rush, and soon scored a touchdown, which they failed to convert. Then, on a bad pass of Nelson's, Wilkie secured the ball for Varsity, passed to Sheriff, who made a long run over the line for a try, which Newton failed to convert. This ended the scoring. The teams lined up:

Dundas (9)—Back, Grady; halves, Crawford, Nelson, Stock; quarter, Quackenbush; scrim, Smith; wings, Stutt, Voucher, Kelly, Martin, Cameron, Wilson.

Varsity III. (5)—Back, Shaver; halves, Holcroft, Harris, Newton; quarter, Strathy; scrim, Mavety; wings, Wilkie, Cruickshank, Walker, Shaw, Sheriff, Poljard (Carrol).

What They Think of English Rugby

Cambridge, Mass., Nov. 13.—The exhibition game of English Rugby football at the Harvard Stadium Saturday afternoon between the All-Halifax and Dalhousie University teams, both of Halifax, N.S., resulted in a tie, 73 to 3, each team scoring one touchdown. About 3000 people, including President Charles W. Eliot of Harvard and Prof. H. S. White, chairman of the Harvard Athletic Committee, saw the match.

After the game President Eliot was asked for his opinion of the English game as compared with American Rugby, and he said:

"The English game is a beautiful game to watch, and, altho it is 31 years since I have seen a Rugby game, it is thoroly up to my expectation. I am not prepared at present to recommend its introduction at Harvard, either as a minor sport or as a substitute for the American game. It has many good points as a manly sport, where skill rises to the top."

Prof. White said: "It is a better game than the association game, in my opinion, but I think that our game, with changes in the rules, would be made more interesting and at the same time as manly."

No Ottawa for Tigers.

Hamilton, Nov. 13.—The Tiger executive held a meeting to-night and notified the O.R.F.U. secretary by wire that they would stand by their former decision and would not play the Rough Riders at Ottawa, tho they are perfectly willing to meet them on neutral grounds.

Commends American College Rugby.

Washington, D.C., Nov. 13.—The tenth annual meeting of the National Association of State Universities began here to-day with 32 presidents of state universities present. The session was devoted to the annual address of Chancellor E. Benjamin Andrews of the University of Nebraska, president of the association, and to a discussion of the attitude state universities should take towards graduate work.

The address of President Andrews was an exhaustive review of the systems and courses of study pursued generally in state universities. President Andrews placed himself on record as the friend of football, and, in fact, all other college athletic sports. He said:

I approve, under reasonable regulations, all the usual forms of college sports, track athletics, tennis, baseball, basketball, football and rowing, tho rowing is not to be specially commended, partly because few can engage in it and partly because it is not a safe sport for matches.

"Football itself does not deserve the censure it is now fashionable to mete out. The game is strenuous, which is its glory, for young men need training in that quality, but it is not rough in the sense most usually assigned that word. Played under due oversight, football breeds not callousness, but kindness and restraint. As schooling in alertness, courage, self-mastery, motor-efficiency, exact discipline and determination to achieve it has no equal short of army or navy service. Evils, of course, attach to the sport, as to everything worth while. These are to be deplored and repressed, not exaggerated or paraded. No few of these we ourselves create by artificial and unreasonable regulations on eligibility."

No mention was made of amending the rules of football at this session, but the matter may be taken up later.

Football Kicks.

The Parkdale Albions will hold a meeting on Wednesday at 8 p.m. at the club room, corner of Massey and Queen-streets. All members and supporters are requested to attend the meeting, as the management of the club would like to know the feeling of the members in regard to entering a hockey team in the City League; also to settle arrangements for their new club room for the winter.

The total gate receipts at the Toronto-Tiger game on Varsity field Saturday were $1287. The Varsity-McGill gate last Saturday week was $1186.

The Beavers played a tie game with the Broadviews Saturday, the score standing 1-all, it being too dark to play off. This was the first goal scored against the Broadviews this season.

ST. LOUIS SOCKERS WON.

Five Goals to Nil Against Detroit and Would Like to Play Berlin.

St. Louis, Mo., Nov. 13.—The St. Louis picked team of Association football players defeated the Detroit team at League Park Sunday afternoon in decisive fashion, 5 goals to 1. Ideal football weather, and the fact that St. Louis won Saturday's game by playing clean football, attracted about 1500 persons to the park. It was a game in which there was plenty of exciting play, even more speed being displayed by the players than on Saturday. After the game Manager Watts of Detroit said that, with the possible exception of Galt, the St. Louis team could beat any of the northern elevens.

Detroit played desperately at times, but great playing by Eddie Ryan and Bernie McKeown, coupled with Tully's really wonderful work in goal, prevented the men from Michigan scoring more than one goal. Pulver, the stock little half-back of the Detroits, booted the ball as hard as ever, and his play attracted attention. McKenzie tried hard to score, but time after time his hard, well-directed shots for goal were stopped by Tully. Langford also did some good work and scored Detroit's only goal.

McInnes, a bantam weight, got considerable notice from the crowd by the way he managed to dribble the ball thru the St. Louis back-field on several occasions. The line-up:

St. Louis (5)—Forwards, Commerford, Ammans, Kelly, Cudmore, Cunningham; half-backs, Ryan, Shea, McKeown; full-backs, Abbstein, Bartliff; goal, Tully.

Detroit (0)—Forwards, McLarchnie, McKenzie, Langford, Stokes, McInnes; half-backs, Craig, Pulver, Gregory; full-backs, Stech, Dairympie; goal, Bass.

Goals—Kelly 2, Cudmore, Cunningham, Commerford, Langford. Score at end of first half—St. Louis 2, Detroit 1. Time of halves—45 minutes. Referee—Ed. Orrick.

Berlin, Not Galt, the Attraction.

Berlin, Nov. 13.—(Special.)—St. Louis (Mo.) footballers are anxious to have a visit from our team, that beat the English Pilgrims. The manager of the All-Star St. Louis team has written offering the Berlin Rangers all expenses to play a series of games in the Mound City this season.

Regina, Sask., Nov. 13.—(Special.)—J. Lockie Wilson made a statement to-day on the famous coat incident, in which he said Motherwell had refused to appear on a platform with him again at Abernethy to explain that matter.
