Scored Runs Galore Indoors.

The two games in the Armories on Saturday night attracted about one thousand enthusiastic fans and they were treated to great exhibitions of free hitting and lots of sharp, snappy fielding. Altho the official records show loose fielding all round, the play was so fast that the errors were hardly noticeable in the game. It just took 60 minutes to play the first game, in which 61 runs were scored. The second contest was not quite so fast, but proved to be just as interesting and exciting. The Sergeants managed to squeeze victories out of both contests by narrow margins.

The indoor baseball season will close next Saturday night in what promises to be the game of the season. The champion 48th Highlanders and Stanley Barracks have completed arrangements for an exhibition game and the latter are confident they can turn the trick on the champs. It will be remembered that the Barracks were only beaten in the last innings by one run a week ago, when the Peuchen Cup hung in the balance, and they were without the services of Matt Cameron, their crack pitcher, who was laid up with grip. The champions will also be considerably strengthened with their old leader, Alex. Mackenzie, again in the game. Scores:

48th Officers ..	7	2	0	0	0	4	2	8	5	—28	R. 28	H. 13

Amateur Boxing.

Among the many amateurs already in training at the Good Luck Club, Elm-street, for the spring city boxing tournament, April 12, 13 and 14, is J. McKenzie, a well-known contestant in former shows. He will go in two classes, 112 lbs. and 118 lbs., and Prof. Moriarity says he will surely win one and has a good chance to land both.

Going at Hot Springs.

Hot Springs, Feb. 17.—Oaklawn opened its spring race meeting to-day under favorable circumstances. The weather was like a spring day and helped to bring out a large crowd. The Oaklawn Handicap, which was the feature of the card, drew the bulk of the speculation. Only eight books drew in, but the small number was accounted for by the fact that the poolrooms were undecided until about noon whether they would close. All of them decided finally to remain closed during the meeting. Radtke carried off the riding honrs, his mounts winning three events.

First race, 6 furlongs—Lazelle, 103 (Radtke) 4 to 1, 1; Kizil, 87 (Downing), 5 to 2, 2; Animosity, 107 (Mountain), 15 to 1, 3. Time 1.16. Cardona, Tom Bone, Pickles, Balmer V., Fruit, Sneer, Peggy Mine and Lavenia True also ran.

WISE AND CLARK.

Champion Batsman and Bowler of St. Cyprian's Cricket Club.

At the annual meeting of the St. Cyprian's Cricket Club the secretary's report showed it to be in a flourishing condition, both in membership and finances. During last season 22 games were played, of which the club won 13, lost 8 and tied 1, a very gratifying showing, as compared with previous years. In the western division of the C. and M. League the club headed the list, only having lost one game, (against St. Simon's) of the eight scheduled, but were beaten to pieces when playing off for the cup against the leaders of the eastern division. The batting and bowling averages follow:

Will Challenge for Davis Cup.

New York, Feb. 17.—At a meeting of the challenge committee of the National Lawn Tennis Club here it was decided to formally challenge for the Davis Cup, now held by Great Britain, by the United States National Lawn Tennis Association on the date required, March 1. It was announced that it was the intention of the association to raise $2000 by subscription among the clubs and followers of lawn tennis to defray the expense of the challenging team.

Whist.

A five-night Friday handicap pair competition, open to visitors and members of the Toronto Whist Club, was concluded on Friday. The winners were: Hunter and Campbell (5) with plus 34; Kidd and Casselman (5), plus 24; King and Berridge (7), plus 23, while Ledger and Beharriel (scratch), followed two-seventh of a trick short. The high score of the several nights' apart from the handicap were Hunter and Campbell, Kidd and Casselman, Hanrahan and Costello, Connolly and Beharriel, Galloway and Hartrich.

Fast Skating in Switzerland.

Some wonderfully fast skating was witnessed a little more than a week ago in the European championships which were held at Davos, Switzerland. New world's records were established for 500 metres (547 yards) and one hour, and in the other events the old marks barely escaped being shattered.

In the speed skating events the best old world cracks were entered. There was Rudolf Gunderson of Christiania, who won the European amateur championship in 1901 and 1904; C. C. J. de Koning, holder of the world's championship, and Fr. Schilling of Vienna, an old timer, who won some international events some 14 years ago. Along with these were St. G. Ashe, R. Muser and F. Rochat, of the International Skating Club at Davos. Instead of all the competitors being started together, as in America, they were paired and their individual times taken, the skater, of course, with the fastest time being declared the winner. The track measured 400 metres.

"THE PROOF OF THE PUDDING etc."

Every observing business man is more or less familiar with the fact that the Vertical System of filing letters, orders and invoices is steadily displacing the old, cumbersome, bulky flat file—but many hesitate to completely reorganize their offices without first satisfying themselves that they know what they want—Why not apply the rule you follow in buying merchandise—try a sample and if you like it—buy some? This is the way to do it; Order one of our new one-drawer Vertical File outfits, complete with 100 folders and 25 alphabetical guides, capacity 4000 papers, and apply it to one department of your business—say the correspondence.. BASEBALL IN THE WINTER 2 MEN' DRAFT SCHEDULE

President Taylor and Pat Powers Arrange Eastern League Games for Coming Season.

Buffalo, Feb. 18.—Upon the shoulders of President Harry L. Taylor and Pat T. Powers of Jersey City, now the owner of the Providence club, and former president of the league, fell the responsibility of arranging the playing schedule of the Eastern League for 1906. They were the only two that put in an appearance at the Hotel Iroquois yesterday. The schedule committee is composed of representatives from Toronto, Providence and Baltimore clubs.

The schedule is now complete and ready to be ratified or changed by the league, a meeting of which will be called in about three weeks.

Copies of the schedule will be sent to all club-owners and they will have about two weeks to look it over in order to ascertain whether they have been treated fairly and have all that is coming to them in the way of sugar-coated plums in holiday, Saturday and Sunday dates. If they are not satisfied with the committee's labors they will make note of their grievance and bring it before the general meeting later on.

The season will open about as formerly, along the latter part of April. There will be 140 games, the teams will open in the east and close in the west.

Copper Country Baseball League.

Lake Linden, Mich., Feb. 17.—The baseball situation in the copper country still remains unsettled. Dr. Percy Glass, secretary of the league, is authority for the statement that the organization will this year be made up of six clubs. Four of these will be located in the copper country—at Calumet, Lake Linden, Hancock and Houghton, the latter taking the franchise formerly held by Sault Ste. Marie, which has been dropped. The identity of the two other clubs continues a mystery. It is still thought there will be Duluth and Superior, but they may also be two iron country towns.

It has been decided to raise the salary limit this season. The figure has been boosted to $1000 a month. Last season the limit was supposed to be $850, altho several of the teams exceeded the amount.

Crystal Falls, a Menominee range town, which had an independent team last summer fast enough to win a majority of the exhibition games with Copper Country League teams, will have another semi-professional aggregation on the diamond this year. John H. Mackin, formerly captain of the Hancocks and Soos, will be in charge of the team.

HOW GALT WON TANKARD.

Players Give Views at Civic Reception—Galt Granites Want Trophy.

At Galt's welcome to the tankard winners on Friday each of the champion curlers was in turn called upon to mount a chair and tell how the game had been won. These stories varied.

Bob McAuslan couldn't tell the story, he said, but they would read all about it in the newspapers, a sally which provoked a hearty laugh.

Alex. Gourlay said it was because the ice was keen and that was the kind Galt curlers always played best on.

Arch. McAuslan said it was because every player obeyed the skip and sent his stone just to the place where the skip wanted it. There was remarkable harmony all thru the match. Alex. McKay declared that it was because Brock McAulay had lost his tartan jacket, and nobody ever knew Brock to curl successfully in a white sweater.

Billy Veitch attributed their good fortune to the fact that when they reached the Iroquois Hotel they found that some one in Galt had expressed four deer feet to them, which proved to be far less than rabbits' feet. These they took with them to the rink and brought them home again. W. McDougall and F. Hawke claimed it was good playing that had won, that the harder game was that against St. Mary's, and theirs was believed to be the only truthful story.

Dr. Dan Buchanan conveyed the congratulations from the Galt Granites' Club, and prophesied that they (the Granites) would win the tankard next year.

STRATFORD BEAT ST. GEORGES IN AN EXTRA TIME FINISH

Saints Outplayed Visitors in First Half, But Fell Away at Later Stages.

The St. George's were beaten by Stratford at the Mutual-street Rink on Saturday night, score 11 goals to 9, in the hardest fought hockey contest of the season. Extra time, periods of five minutes each way being necessary to decide the game. The visitors were outplayed in the first half, scoring only 4 goals to the St. George's 6. In the second half they scored 3 to the St. George's 1, leaving the score a tie, 7 all. They put on steam in the extra time and tallied 4 more to the locals 2. Two new faces were shown in the St. George line up. "Reddy" Hynes, the star forward of former years, was out for the first and only time since his retirement, and he put up a hard scrappy argument for the whole distance. The other recruit was Gordon Southam of Varsity, and he put up a fast, clean exhibition, his co-operation with Hynes being a feature. The Stratford men are a fast crowd with a strong combination, very nice to look at, but continually off-side. Lloyd, to whom several of Stratford goals were credited, was the worst offender in this respect. Edmunds at rover was the fastest man on the team, and he made many brilliant dashes on the St. Georges net with the puck. He scored the majority of the goals.

The St. George's started in to chase Stratford from the beginning, and scored two goals before the visitors got going. Then, goals in rotation were scored by each team until the end of the half, leaving the St. George's two to the good. McArthur and also Whale on the defence helped many times in
