FAST WHEELING AT BRANTFORD.

Axton Wins the 25 Mile Championship in Record Time—Sherritt Beats John Davidson.

Brantford, Aug. 19.—The postponed bicycle races in connection with the Niagara District championships took place at Mohawk Park to-night in the presence of about 2000 spectators.

The 25 mile record was broken in the amateur championship. R. E. Axton, Brantford, 1; John Davidson, Toronto, 2; E. McEachern, St. Catharines, 3. Time 59.36.

McLeod rode an exhibition mile in 1.50 4-5.

Mile open, amateur—R. Thompson, Toronto, 1; A. Sherritt, Brantford, 2; A. Mott, Brantford, 3. Time 2.17⅕. Graves, Murray and Killeleagh also ran.

Y.M.C.A., 1 mile—H. Pease 1, W. Muir 2, Allan Muir 3. Time 2.42. Declared no race, over time limit.

Five mile, district championship—A. Sherritt, Brantford, 1; John Davidson, Brantford, 2; J. Graves, St. Catharines, 3. Time 12.11. Mott, Brantford; Murray, Hamilton, also started.

R. John Schulte of Toronto was in the city yesterday and has engaged McLeod, Westbrook and Harley Davidson to ride a triplet to pace T. B. McCarthy in his match against Jimmy Michael next Wednesday at Toronto.

WILL HAVE PACERS GALORE.

The match race between T. B. McCarthy and Michael at the Island Wednesday night promises to be an interesting race. Both men are in great form, and a new record should be established. Each rider will have his own pacers. This is the first time individual pacing has ever been done in Canada. McCarthy will be paced by three tandems, the Canadian champions, McLeod and Davidson, on one, Chris Greatrix and F. Westbrook on the second and Tucker and Boake on the third. Michael will pace behind over a triplet team, and if McCarthy can get a machine, McLeod, Davidson and Westbrook will pace him on a triplet. Besides the big race there will be quite an invitation extended to R. A. Axton, R. Thompson and John Davidson to ride a paced mile for an amateur record. There will also be a mile novice put on, with a tandem to pace the competitors in the final to try and lower the record of 2.10 2-5, made by Robinson at Chatham. D. Colville of the Ramblers is tipped for this event. After the novice Michael will try to lower all Canadian records, paced by his triplet team, while it is likely McCarthy will go out after some of the records.

MICHAEL ON A 118 GEAR.

New York, Aug. 18.—A big sextet whirled about the bicycle track at Manhattan Beach late yesterday afternoon with Jimmy Michael tagging its rear wheel like a gentleman in hard luck holding fast to a man of means and benevolence.

Talk all they please at Manhattan about the Welsh rarebit being stale and out of condition, the ten miles that he reeled off yesterday look like anything but poor work. Snugging up to the sextet, he rode the first mile in 1.52. He would have made the second at about the same rate of speed had not the sextet and the quad got mixed up a trifle on the land turn.

In the third the first quad and the second quad got down to business and carried him a mile in 1.58. The fourth mile was a trifle slower than two minutes.

Dave Shafer got mixed in timing the miles separately, and wasn't quite sure what the ten miles of work were made in. Bystanders declared they were done better than seventeen minutes. However, as they had paid more attention to separate miles than to the time for the ten mile work out, the seventeen minute limit wasn't accepted as absolutely accurate.

The gear of his bicycle will be raised. Shafer says he can ride a gear 10 per cent. higher with the greatest ease, and that he will put him in the race on Saturday with an 118 gear. This comes pretty near being a record breaker, but the men behind the Welsh rarebit are confident of his ability to push it. This means that the bicycle will travel about 50 feet with each revolution of the cranks.

BICYCLE BRIEFS.

At the races at Ottawa on the 14th inst. Geoffich Res-Flex tires had placed to their credit five firsts and four seconds.

All members of the Ramblers Club who intend going to see the road race on Saturday are requested to report to Capt. Watts at the club house at 2 o'clock.

The Queen City Bicycle Club held a meeting last night and decided to apply for incorporation as the Queen City Bicycle and Athletic Club. Besides having a bicycle club, there is a rowing club and other athletics out at Sunnyside.

The R.Q.T. Road Race Committee report that the arrangements for this big race are in good shape, and prizes are coming in rapidly. A glance in the windows of the showroom, 183 Yonge-street, will reveal two handsome pianos, four bicycles, clocks, tires, hat rack, extension table, an elegant leather-covered lounge for the first fat man to score, a fine solid oak sideboard, chenille curtains, rugs and many other valuable presents. Entries close Sept. 1, and only 300 will be accepted.

FERGUS BEATS TWIN CITY.

Fergus, Aug. 19.—One of the fastest games of lacrosse ever played in Fergus took place on Victoria Park to-day between the Twin City Lacrosse Club of Berlin and Waterloo, and the Thistles of Fergus, resulting in a victory for the Thistles by six games to five. The times:

Game.	Won by	Time.
First	Twin City	2 min.
Second	Thistles	3½ min.
Third	Twin City	3 min.
Fourth	Twin City	½ min.
Fifth	Twin City	2 min.
Sixth	Thistles	7 min.
Seventh	Thistles	23 min.
Eighth	Thistles	5 min.
Ninth	Twin City	5 min.
Tenth	Thistles	8 min.
Eleventh	Thistles	4 min.

The game was won on its merits, and, judging from the play, the score should have been more favorable to the Thistles. D. J. Sinter of Arthur refereed the game to the entire satisfaction of both clubs.

TORONTO OFF TO OTTAWA.

The Toronto team for Ottawa leaves tonight at 9 o'clock and will be selected from the following: Allan, Patterson, Griffiths, Wheeler, Moore, Murray, Read, Gale, Connors, Moran, Smith, Nolan.

It is much to be feared that Burns has played in his last game this year, acting on his doctor's advice, who has told him to take a rest.

The officials will be: Referee, Mike Grant; umpires, John Murphy, William O'Brien.

The excursion going down to-night promises to be one of the successes of the season.

The Red Men are taking no chances in their game with Stouffville at Hanlan's Pt. Saturday afternoon, and they had a full practice last night. A special train of rooters will be run, thus assuring rooting of the first class order. The game will be called at 3.30 p.m. Admission 25c, and no extra charge for grand stand.

TWO INTERESTING GAMES.

Toronto and the Bisons Split Even.

BUFFALO WON IN 10 INNINGS

Dineen Allowed Them Two Hits in the Second. Score 6 to 0.

Poor Judgment on the Bases Lost Toronto the First Game—Rain Saved the Syracuse Stars at Montreal—Buffalo Winds Up at the Island This Afternoon—Notes of the Game.

Two very interesting games were played yesterday afternoon at the Island between Buffalo and Toronto. There was not the unnecessary wrangling that usually occurs between teams so evenly matched, although the umpire got mixed up with himself on several occasions.

The Bisons appear to be a pretty decent lot of chaps, and all their coaching was strictly of the good-natured order that everyone enjoys. Even Jim Feld seems to have fallen in line. It was rather unfortunate, though accidental, that Snyder collided with him in the second game. As each team won a game and Syracuse did not play, the relative positions of the leaders are about the same as yesterday. Springfield and Scranton won close games from Providence and Wilkes-Barre.

The Toronto team, having to make a long jump to Wilkes-Barre, the game with Buffalo to-day will be called at 2 p.m., instead of 4 p.m. This will be the last game played here until Sept. 7. The battery for Toronto will be Gaston and Casey and for Buffalo Farmer Brown and Urquhart.

They sized them up at Hamilton on Wednesday, and still some of the rooters failed to get a correct line on the two teams. Even the wide-awake young man of The Spectator got in the game all right. He said: "In their class the Hams are all right, they are the kings of the Canadian League, but when they tackle the Torontos, the leaders of the Eastern League, the company is too fast for them. To be defeated by the Torontos, as they were yesterday afternoon, is no disgrace, because those who do not allow their admiration for the Hams to warp their judgment never considered that they could successfully cope with Manager Irwin's stalwart players. To use the language of the turf, it is like running a selling plater against a stake horse."

HAMS TOO GOOD FOR LONDON.

London, Aug. 19.—About 800 people witnessed the Canadian League game here today between London and Hamilton. London made a grand attempt to win out in the ninth innings, piling up six runs, just one short of the number required to tie the game. They were made on two three-baggers, a double and a single, coupled with a series of fumbles on the part of the visitors. The absence of Reidy, the regular catcher of the home team, proved very disastrous to them. Score:

London	7	12	4

BUFFALO IN 10 INNINGS.

Toronto and Buffalo played a double header at the Island yesterday afternoon and each team won a game. The Bisons managed to take the first by 4 to 3 in 10 innings, with the aid of the umpire, the Irwinites outhitting them by several bases and fielding just as well. Besides unfavorable umpiring, bad work on the bases was a factor in the defeat.

Dineen pitched the best game of the year, and Buffalo were lucky in getting their two hits, and the fielding was sufficiently perfect to apply a coat of kalsomine in the second game. Souders was in great form for seven innings, and then the Torontos went at him for keeps, bunching two singles and two doubles with two Bisons' errors.

Gray, who pitched for Toronto under the Chapman regime, was on the side lines to start the first incident, and was pretty fortunate to win out in the game. Wagner started the hitting in the second innings, a double, after two men were out, but he stayed on second base. They opened up in earnest in the third. Casey's single, White's sacrifice, Sullivan's generous fumble, McHale's safe hit and Freeman's two-bagger, but only two runs. McHale being caught off third and Smith fouling out. Williams had the Bisons guessing and the score stayed at 2 to 0 until the fifth, when Freeman lost Sullivan's fly in the sun. Urquhart drew a pass, and after Gray flew out on an attempted sacrifice Gilboy sent in a run with a clean hit to right. In the sixth Smith threw Wise's grounder to the track, after a pretty stop, and the old man reached second. Greminger got a life on his grounder to Wagner, the fielders failing to run down Wise between second and third, and Sullivan came along with an inopportune hit that sent in a pair of runs.

Taylor, Casey, White and McGann all singled in the seventh, but only one run resulted. Lush coached Williams in from third on a short right field hit and he made an easy out and spoiled the chance of two more easy tallies.

It looked promising for Toronto in the ninth. Lush batted for Williams and made a pretty hit after Taylor flew out to Gilboy. Casey singled between Greminger and Sullivan and White was hit by the pitcher, bases full, only one out and McGann to bat. He sent a hot grounder to Greminger, who started a lightning double play via second base, and Torontos' chances were spoiled.

Dineen went in to pitch and retired them in order in the ninth. McHale opened the tenth by striking out and Freeman sent a long fly that Clymer was applauded for catching near the track. Dr. Smith rapped out a single to left field and Wagner a double over third bag. But Pop Smith said it was foul and old Germany could only follow with a grounder to the other short stop.

Bill Clymer opened Buffalo's half with a two-bagger over White's head. Wise made a sacrifice hit that wasn't needed, as Greminger pushed out a clean single to right centre that would have sent an ice wagon in from second base. Williams pitched a better game than Gray and did not let his opponents have a single earned run, while Toronto batted around two.

TORONTO BLANKED THEM.

The second game was close enough for seven innings—1 to 0—the only run scored being McGann's in the first on his two-bagger and Souder's muff of Field's throw to first base. Wagner showed the twirler that he was doomed in the seventh, banging out a corking two-bagger over Gilboy's head, but no one followed it up. Then they went at him in the eighth, which Dineen opened by fouling out. Snyder sent a grounder to Sullivan, who threw wild. Field got in the road of the husky catcher and was bowled over for his carelessness and Snyder sprinted to third. White singled, McGann doubled and McHale cracked out a hard one that Gilboy allowed to go between his legs and everybody scored. Freeman sent a grounder to Field, Smith dropped a double in short left field and Wagner was out short to first.

Taylor scored Toronto's sixth run in the ninth, which he started with a single. Dineen sacrificed him up neatly. Snyder singled to left, and while they were running Smith down between first and second Taylor scored.

All this time the other fellows essayed in vain to score. Williams gave two of his three bases on balls in the second and a force out to Taylor put a man on first and another on third. Field was caught napping at first and Wise thought he had tally, but he didn't nearly reach the plate. That was a good lot the nearest they came to scoring, only Field thereafter passing first.

Gilboy dropped a hit in short left in the sixth and Field put a high one to the wire in the seventh, and that was all they did with the twirling of Toronto's clever slab artist.
