Memphis, Tenn., April 16.—In the hearing before the executive committee of the New Memphis Jockey Club this morning Edward Corrigan and Mike Daly appeared with their witnesses to establish the charges they had made against Starter William Murray. No decision was reached and the hearing was postponed until Monday morning, because of the failure of the starter to have his witnesses present. It is expected the case will be concluded on Monday. At the track this afternoon Mr. Corrigan said he had introduced reputable witnesses to substantiate his statements and that he felt assured the decision would be in his favor.

No Run With the Hounds.

There was no run with the hounds on Saturday on account of the heavy fall of snow.

HUNTED 20 MILES AFTER FOX.

Meadow Brook Hounds' Long Chase and the Sly Reynard Escaped.

Hempstead, N. Y., April 16.—At the Meadowbrook hunt to-day a fleet-footed fox was driven from cover near Jericho and afforded one of the longest hunts that has taken place on Long Island for a long time. The chase lasted for nearly twenty miles, and the fox led his pursuers across corn stubble, ploughed fields, pastures, scrub oaks, woods and meadows. When the huntsmen thought they had their quarry run to earth the fox eluded the pack, and, finding a hole, resisted all efforts to dislodge him.

All the skill of the huntsmen was brought into use, and when the open grass country was reached there was plenty of fast galloping. Many fences also loomed up, but all were taken with ease and not one rider was held. The fox was started from Jericho and ran east to a point beyond Central Park, where he was holed. Among those in at the finish were Mrs. Barger Wallach, Foxhall Keene, M. F. H.; Morgan Grace and H. S. Page.

On Monday there will be a drag hunt, which meets at Locust Valley, and on Tuesday a fox hunt will be held, with the meeting place at the Piping Rock show grounds.

This is a new American record, the previous one being 219 feet. The world's record is 304 feet.

ST. KITTS CAUSE OF DELAY ATHLETICS ARE UNDECIDED

Senior C.L.A. Committee Meeting Not Yet Arranged—Brantford's Team.

(Special to The World.)

Brantford, April 16.—President F. W. Frank of the C.L.A. to-day received applications from Owen Sound, Mount Forest, Seaforth and Fergus, asking for admission to the senior C.L.A. series. He also received a communication from the secretary of the St. Catharines club, asking that the meeting of the senior committee of management be not held for a few days, so as to give the St. Kitts people a chance to arrive at a decision as to their intentions.

The Athletics will not play senior unless they can secure a first-class team. President Frank is very anxious to have St. Kitts enter a team, and for this reason he has not yet called the senior meeting. He is in favor of each club being compelled to deposit a good guarantee to finish the season, for there are bound to be some losing teams, and should they drop out the schedule would have to be rearranged.

The Alerts of St. Mary's are also considering playing senior, and Orangeville also has a notion. If all these clubs step up, the C.L.A. will have the largest senior series in its history.

The Brantford club is silent, and when the season opens a winning team will be in Brantford.

"The team will be much the same as last year," said one of the management today.

"Will Dade and Hendry be on the line-up?" he was asked.

"Well, Dade will, but the public won't stand for 'Tack,'" was the reply.

Cory Hess is a surety, and the report that Eddie Doyle will not play is not correct. There will be few new faces on the team.

Lacrosse Games Across the Line.

New York, April 17.—Greater New York Irish Athletic team, 7 goals; second team of Stevens Institute, 1 goal, at Celtic Park, L. I.

Johns Hopkins team, 12 goals; Harvard, 2 goals, at Baltimore, Md.

NICK ALTROCK IN WINNING FORM

Pitched Chicago to Victory Against Cleveland, Also Made Timely Hit.

Chicago, April 16.—With the mercury in the thermometer hovering below the freezing point yesterday afternoon, Comiskey's white sox, with Nick Altrock on the slab, went out and redeemed themselves for the defeat in the opening game at the hands of Cleveland. Cleveland had the game all tied up, but Altrock let the sticks ledger in the seventh, when two were out. The sox really got their war tactics to working then, and set off a mine under the Cleveland pennant ship which sent it to the bottom. Flick contributed largely to the undoing of the team by dropping two flies in the fatal seventh. His two breaks and Altrock's hit brought the sox one score ahead of the visitors. Altrock kept his nerve in good shape in the ninth, when two men were lingering on the sacks waiting to tie the score. Bradley and Lajoie were disposed of on pop flies, and the first game of the year was won by the white sox. The score:

Baseball Games on Sunday.

At New York (National)—For the first time in the history of the National League a championship baseball game between two of its teams was played in Brooklyn on Sunday. The Brooklyns and the Bostons were the contestants. There were over 12,000 persons present, but everything was orderly and there was no interference on the part of the authorities. No admission fee was charged at the entrance gates, but all persons who passed thru the inner turnstiles had to purchase a score card, according to their color, admitting the purchaser to the grand stand or the field stands and bleachers. The local men won easily by 9 to 1. Score:

TEAM OF 30 LAWN BOWLERS CANUCKS FOR OLD COUNTRY

They Sail From Montreal May 26—Tour Ends in Ireland July 30.

The selection of the Canadian lawn bowling team which is to tour England, Scotland and Ireland this summer, under the auspices of the bowling associations of those countries, has finally been made. This tour, it is hoped on both sides, will be the beginning of a series of periodical visits between Canada and the mother country.

Not only is the team fairly representative of the playing strength of the clubs, but it is equally so of that element which has taken no small part in the development of this country. Lawyers and doctors, distinguished in their respective professions; capitalists, manufacturers and successful merchants make up a typical team which will worthily represent the Dominion, not only on the greens of the old country, in friendly rivalry with the devotees of the oldest of games, in which king and peasant alike take pleasure, but also in banquet hall and at functions which will be given in honor of the western men.

Upon the receipt of the invitation to send a team to the old country in 1901 the Ontario Bowling Association took the matter up, and appointed a committee to get the necessary information from the secretaries of the associations in the old country. When that information was obtained, circulars were sent out last fall to the clubs in affiliation with the Ontario Bowling Association, stating that it was intended to send a team of five rinks, this being the number which can be accommodated on the majority of the greens to be visited. Clubs with a membership of 40 or under were requested to nominate one representative for the team, clubs having between 40 and 80 active players two representatives, and clubs with over 80 active players, three representatives. Nominations had to be made by Dec. 20, 1903. Other information dealing with minor details of the tour were given, and thus the scheme was fairly launched. It met with instantaneous approval.

A committee consisting of President M. J. McCarthy, Vice-President George R. Hargraft, Secretary Q. D. McCulloch, A. S. Wigmore, D. Carlyle, George Anderson, A. Faill, T. S. Ford, J. S. Willison and George Bennett was appointed to select the team. In an undertaking of this kind there was much work to be done before the committee's object was accomplished. To a subcommittee was delegated the work which a larger body could not so efficiently handle. As the result of their combined efforts this team of 30 has been selected:

A. P. Maclaren, M.P., Stratford Club.
T. S. Ford, Mitchell Club.
Alex. Faill, Stratford Club.
C. E. Nasmyth, Stratford.
James Jackson, Brampton Club.
D. E. McDonald, Guelph Club.
Dr. James Russell, Thistle Club, Hamilton.
Alex. Yule, Harriston Club.
David Dexter, Thistle Club, Hamilton.
W. Jackson, Clinton Club.
John Welsh, London Club.
