Drop Kicks.

The Argonauts have no game scheduled for Saturday, but are holding daily practice and expect to give Peterboro a hard run in Toronto on Nov. 5.

Housser may be able to play with the Torontos on Saturday.

The Montreal Gazette, speaking of the O. R. F. and the Q. R. F. U., says: With due respect to the western rules they do not appear to have thoroly satisfied the Rugby lovers, while here there can be no doubt as to the popularity of the Quebec game. It is true enough that the style is not perfect, but it is a good game and there is more to it than the author of the Ontario rules was able to realize.

Football interest in Ottawa now centres in the match between Ottawa College and Montreal on the latter's ground next Saturday, the Rough Riders under any circumstances being out of the fight.

The Torontos' back division will be changed some for Saturday's game. Trow will not be on the back division. Earl Gibson will be one half-back. Housser or Hynes will play full. Ardagh will probably be put on in Trow's place.

Varsity had another splendid practice last night and will be in prime condition by Saturday, when they meet Queen's on the Athletic Field. Southam of the intermediate team was tried out on the scrimmage line and may possibly catch a place. Varsity should be very strong behind the line and have added weight to the wings since the McGill match two weeks ago. The scrimmage is working well together and the chances of victory for the local team seem bright. Varsity can win the championship by capturing the next three matches, and the blue and white are determined to make a big effort to do so. With no other football fixture for Saturday a big crowd is expected to witness the match. The reserved seat plan opens at H. A. Wilson's this morning at 9 o'clock. Queen's will bring a large following to Toronto Saturday. Two senior teams, the Rugby and the Association teams, will be here. Before the Rugby match in the afternoon the Association teams will play what is now an annual Association game. Besides, in the morning, commencing at 10.30 o'clock, tennis teams representing Queen's and Toronto will play a match on the Varsity courts. It is probable that this tennis match will become an annual event.

The iVctorias have been practicing hard this week and will hold their final turnout against the Tigers at Ketchum Park. The team has been greatly strengthened; some of the old players who were out of town have returned and will be in the line-up next Saturday against London. Jack Sheppard will captain the team from his old position of centre half and is confident that he will be able to deal out a win for the Vics. All members are requested to be present at eight, as the team will be chosen immediately after the practice. The following players are requested to be on hand at 7 p.m.: Tooze, Cotton, Gowans, Rolph, Hudson, Brown, McWhirfer, Whale, Sheppard, Renton, Dilworth, Anglin, Hewitson, Palmer, Henderson, Burton, Yeaman, York, Miller.

Association Football.

What should prove to be a very interesting game of football will be played on Saturday at 3.30 p.m. on the grounds at the College-street entrance to High Park, between the Canada Foundry team and the Gutta Percha of the Senior League.

The Junior Gutta Perchas will play the St. Stephen's Football Club on Saturday at 2.30 p.m. on the former's grounds, at the Dundas-street entrance to High Park.

The following players of the All Saints Intermediate football team are requested to turn out to practice in Sunlight Park on Thursday and Friday nights, as the team to play against York will be picked: Harrison, Penny, Anderson, Still, Oldfield, Morrison, J. Laing, C. Laing, J. Murray, H. Murray, G Smith, H. Smith and Mann.

Special care has been taken to provide a most complete assortment of deer hunting and duck hunting supplies, so that sportsmen will find everything they can possibly require at this up-to-date store, and that, too, at prices much more reasonable than at most stores.

S.P.S. DEFEATED ARTS, 3-1 IN SENIOR COLLEGE GAME

Intercollegiate Association Opened—Greene Arts Captain for Season.

The School of Science defeated University College Wednesday afternoon in the opening game of the Inter-College Association League. The score was 3 to 1 in the School's favor, and the winners sustained their reputation for all-round good play and steadiness. Arts in the first half were strong and play was about even till near the close, when Arts had a little the best of it.

School scored first, Macdonald on a pass by Rutherford putting the ball cleanly thro by a very long shot of over 40 yards. The Varsity backs by good play could have prevented this score. S. P. S. took the second goal by a fast forward combination rush and pass by Rutherford and Macdonald. Ross notched the goal by a clever shot. University College now took a hand in the play and made their only goal in the latter part of the first half, Phillips by a well-placed shot scoring.

In the second half but one goal was scored. Macdonald again shooting one thru about ten minutes before time was up. The game was over 40 minutes late in starting and was finished in the dark. A good deal of tripping and knee-checking was indulged in. A little more strictness on the part of the referee early in the game would probably have put a stop to much play. The School of Science made no claim that Arts' goal was scored by an offside play. It also looked as tho the School forward was offside when he put the final goal thru. The School of Science had the better team on Wednesday, their forward line were good sure passers and did not play an individual game. The Arts men had less combination but more individual work. Man for man the Arts team was probably just as good as the School eleven, but the former were deficient in team play. Dix was injured by a kick in the side and had to retire. Mustard, a freshman, taking his place at centre forward.

The second half was pretty much in the School's favor, the the Arts men made persistent efforts to tie the score and again and again worked the ball to the north end of the grounds. But when School got their third goal Arts were done for. The game was played on the field. Macdonald and McInnes were the stars on the School forward line. Johns was a strong back for the Arts team. The teams:

School of Science (3)—Goal, Broadfoot; backs, Dowling (captain), Blackwood; halves, Patten, Beeman, Williams; forwards, Brigham, Young, McInnes, Ross, Macdonald, Rutherford.

University College (1)—Goal, Gardner; backs, McLean, Johns; halves, Greene (captain), Jackson, Hayes; forwards, Jamieson, Dix, Fraser, Dowling, Phillips, Mustard.

Referee—Joe Rogers, Medical College. Goal umpires—R. M. Motherwell, University College; W. G. Swan, Medical College. Linesmen—Trimble and Pauline.

Before the commencement of the game the University College team elected Halfback Greene captain for the season.

Jack Hayden and Archie McCarthy are on Clancy's team.

MARLBORS' AMATEUR BOXERS.

Peter Smith, Welterweight Champion, has Four Tournament Candidates.

Peter Smith of the Marlborough Hockey Club, champion of the welterweights at last spring's amateur tournament, announced last night that he would enter four or probably half a dozen from his club for the fall championships, and he is confident of landing at least two firsts. Tho the opening night (Nov. 17) is just three weeks away, his men are already in fine physical form, which is their initial public performance, and they are taking no chances on condition. In fact, at H. A. Wilson's, where entry blanks can be had, most of thet applications seem to be from newcomers. The Marlboroughs are assured of these four: Special class, 125 lbs., John Campbell; lightweight, 135 lbs., J. Martin; welterweight, 145 lbs., Robert Blair; middleweight, 158 lbs., Albert A. Nichols.

Britt and Gans Next Week.

San Francisco, Cal., Oct. 26.—The one conclusion to be reached after watching Jim Britt and Frank Rafael work with the gloves is that the boy intends to make the pace next Monday, and thus make it a terrific one from the moment the negro enters the Baltimore ring until somebody drops or the gong brings the twentieth round to a close.

Britt has shown his friends a speed that has made them open their eyes with wonderment.

The talk that aGns is having trouble about getting to 133 pounds is all bosh. Gans is now below that scale well and strong. aGns looks better than he has for years, and his friends are more than confident that he will whip Britt. Al Herford, Gans' manager, says that his man can get as low as 131 pounds without much trouble. Britt is plodding away, and will be in condition to fight for a king's ransom. Betting on the mill is light thus far. It is believed that Gans will enter the ring the favorite at 10 to 9.

"The report that Britt will confine himself to attacks on the stomach can hardly be correct," remarked one expert yesterday. "Gans will kill him before the gets started on that line. The only manner in which to lick Gans, to my belief, is to take the fight to him quick and hurry him all the time. At long range, scientific work, he will cut the best of boxers, but both Jim Hawkins and Frank Erne, in his first fight, showed that the man who makes it sharply with the black has the best hope of licking him. Gans don't like punishment and the only way to give it to him is to keep going all the time. If Britt tries this style he stands an excellent chance of being the new lightweight champion inside of five or six rounds—or being knocked out."

Shuffleboard.

The second game in the Toronto Shuffleboard League, played on Wednesday night, was won by the Wellingtons. They defeated the Quakers, 5 to 0. The score:

DAN PATCH PACED IN 1.56 WORLD'S HARNESS RECORD

First Half in 57 Seconds—Runner by His Side and Pacemaker Carried Wind Shield.

Memphis, Tenn., Oct. 26.—With a pacemaker carrying a windshield in front and accompanied by a runner at the side, Dan Patch, driven by Herz, paced the fastest mile ever made by a horse in harness, circling the track in one minute and fifty-six seconds flat. The former record, 1.56¼, was made by Dan Patch in 1903. With clocklike precision the brown horset stepped to the quartetr in 29 seconds. Turning down the backstretch Dan Patch crowded the pacemaker. He fairly flew to thet half in 57½ seconds. On the far turn Dan Patch seemed to falter, but only for an instant, and on passing the three-quarter pole the time board showed 1.26½. When fairly straightened out for the flight to the wire, the brown pacer responded to gathetr renewed courage and, coming on at a terrific clip, passed the judges' stand in 1.56 flat.

Another sensational performance was that of Major Delmar, when she trotted a mile to a high-wheeled sulky in 2.07 flat.

Major Delmar was driven by Alta McDonald and startetd off at a fast clip. He went to the quarter in 30½ seconds, and without a faltetr passed the half-mile in 1.02¾. At the three-quarter mark the timer's board showed in 1.14. Turning for home, McDonald urged the horse to his best effort, and the dun of Del Mar passed the wire in 2.07 flat, clipping 1¾ seconds off the mark set by Maud S. twenty years ago.

The day's sport was marred by an accident. Edward Gears, the veteran driver and trainer, was exercising Joymaker, a local trotter, and on turning into the stretch at a fast clip collided with a track wagon. Geers was brown heavily to the ground and sustained serious injuries, one leg being broken and the other badly injured. Summary:
