McGUIGAN IN TORONTO.

Denies Story of Striking Louis Hill —Will Take Complete Rest.

F. H. McGuigan, until recently of fame in railway circles, but at present retired, and an ordinary citizen, spent yesterday in Toronto.

He was on his return from the west, and on his way to Portland, Me., for a prolonged rest.

Mr. McGuigan has been a large figure in railway circles, and his difficulty with the Great Northern has given him what he calls "undue prominence."

He spent a good part of his time yesterday at the Union Station, where he had chats with a number of the local officials.

He was accosted by The World, but the ex-vice-president of the Great Northern had, he said, nothing to say, about his sudden resignation from the management of the Hill road.

"What about the conditions in the west?" Mr. McGuigan was asked.

"I do not care to discuss them," was the reply.

"How about your plans for the future?"

"I have none," replied Mr. McGuigan. "I am going to take a good rest, which I think is about the best thing I can do."

"Is there any truth in the report that you are to return to the Grand Trunk?"

"The papers seem to know more than I do about it," he said. "I don't know anything about it ,and don't care to discuss the question.

"There is one thing I wish you would do, and that is to discredit the nasty story, published a few days ago, about me striking James J. Hill. The report is absolutely false. I had difficulties with Mr. Hill in regard to the operations of the road, but my resignation was a matter of business, and there were no blows, hard feeling or harsh talk in all the proceedings."

Mr. McGuigan was traveling in a private car, and was accompanied by his wife and daughter, and private secretary. His resignation takes effect on Sept. 1.

DEATHS IN THE CITY.

BAD BURGLARS ARE BOYS POLICE GET A SURPRISE

Offenders Will Be Summoned—Sandsucker to Quit Work—James Simpson Dead.

HAMILTON, Aug. 13.—(Special.)—The city has had a burglar scare for the past month. Regularly a store a week was broken into, and it was thought a daring and skilful gang of desperadoes were at work. The police to-day traced the stolen stuff to two little boys, so small that the officers were ashemed to arrest them, and they will be summoned to appear before the magistrate. The stores broken into were those of Kartzmark Bros., R. Martin, Thomas Ramsay and Baby and Ecclestone. Two rifles, a dozen revolvers, a bushel of ammunition and a uantity of knives figures amongst the loot. It has nearly all been recovered. The burglaries were committed early in the night as a rule, and the stuff carted off while the streets were crowded. "Jimmy" was used to force the doors and windows.

James Simpson, sr., father of R. R. Simpson of the Hotel Royal, and of Andrew Robson, the actor, died at the city hospital this evening, at the age of 75. Altho failing for some time, his illness took a serious turn only a few days ago. At one time he was president of the James Simpson Co., wholesale grocers, and for many years was prominent in business circles, living retired for a number of years past. Out of doors sports always found an enthusiastic supporter in him. The following family survives him: R. R. Simpson, Archie, James and Edwin; rMs. McIndoe, Toronto; and Thomas and John Hood.

No Funds, No Work.

The fire and water committee held a mysterious star chamber session this evening, and after it was over announced that the cleaning operations at the filtering basins had been suspended. The members were very mysterious as to the cause of this action. One of the reasons given was that the funds for that purpose had been almost exhausted, and the aldermen decided to suspend operations until they found out where they were at." Fault was found with the progress made, and it was agreed that what the sand sucker required was a new crew. The services of the whole crew will be dispensed with and operations will not be resumed until a new crew is engaged.

Charities Suffer.

The will of the late Abraham Levy was filed for probate this morning. He left an estate valued at $290.205. He left nothing in his will to charity, explaining that the reason for that was the succession duties. The beneficiaries are: Adolphus Levy, $58,300; Joseph Levy, $41,800; Gabriel H. Levy, $41,800; Miss Rose Levy, $22,880; James Ruben, $18,040; nieces and nephews, all of Hamilton.

Herman Levy of Hamilton, grand nephew, $440; Elsa Levy, Hamilton, grand niece, $220; Jacob Levy, Toronto, nephew, $12,000; Alma Levy, Toronto, grand niece, $440.

Julia, Lena, Max, Clara, Zetta and Rudolph Ruben, nieces and nephews, all of Lulm, Germany, $6600 each; Bertha, Bobette, Solomon, Leopold, Rosa and Tehela Levy, all of Leciven, Germany, $3900 each; Herman Levy, Leciven, Germany, $8800; Lena and Esther Prum, Lulm, Germany, $2200 each, and Ida Prum, Cleveland, Ohio, $2200.

It is said that a writ will be issued by Miss Goghlin against a prominent merchant in the Coghlin-Barker assault case.

Before they break up for the season the Beach residents will elect a waterworks committee, parks board and board of health.

Thos. P. Clappison, inspector of customs, and Mrs. J. H. Havill were quietly married at 12 o'clock to-day in the Church of St. Thomas.

To-day H. B. Whipple secured an injunction restraining the Terminal Station Company from digging under an alleyway separating Mr. Whipple's property and the Bennett Theatre.

Thomas W. Watkins has bought the Stinson property at the corner of Hughson and King-streets.

Children's Close Call.

Eleven children of English immigrants quartered in the old customs house on Stuart-street narrowly escaped being burned to death this morning when a candle set fire to the bed in which three of the tots were sleeping.

The office of the G.N.W. is partly tied up here because of the trouble in the other offices of the company, but the opefators are not on strike.

TRANS-SIBERIAN ROUTE MAY KNOCK C.P.R. ROUTE

Japan May Get Faster Service From Europe by the Overland Route.

OTTAWA, Aug. 13.—According to a report from Canadian Trade Agent MacLean of Yohokoma, the Pacific end of the proposed fast service all-red line will find the Russian trans-Siberian route a serious competitor.

Recently a traveler from Kobe, Japan, made the trip to Glasgow by the Russian route in 18 1-2 days, and this time, it is stated, may be cut down to 12 days, with improved service and prompt connections.

The British ambassador at Tokio is also said to have recently made the trip from London to Tokio across Russia in 21 days, altho three days were lost between Vladivostok and Jesuruga. The time now taken by the C. P. R. route is 23 days.

The entire far east mail carrying from Europe, says Mr. MacLean, taking Tokio and Hongkong as objective points, will probably come under the Russian route in consequence. It is current news that negotiations for a thru mail service from Japan to Europe via Siberia have been in progress for some time past.

The Japanese postal authorities are very anxious to utilize this rapid means of communication with Europe.

The agreement with Russia is now under discussion, and the department hopes to reach a settlement at an early date.

WOMAN BURNED TO DEATH.

Fatal Fire at Fenelon Falls Early Yesterday Morning.

LINDSAY, Aug. 13.—Fire at Fenelon Falls at 12.30 this morning destroyed two frame houses, one owned by Mr. Thomas Lane and the other by Mr. William Pyne.

Mrs. John McGinnis, a woman of over 80, mother of Mrs. Lane, was burned to death in the fire.

The fire was started apparently in Mr. Lane's kitchen, and the old lady's room was off the lktchen and the blaze had assumed such proportions when discovered that it was impossible to rescue Mrs. McGinnis.

Both houses were totally destroyed, with the contents.

PRIEST PASSES AWAY.

Priest at Ayton for Twenty-Five Years is Dead.

MOUNT FOREST, Aug. 13.—Rev. P. S. Owens, parish priest of Ayton, passed away to-day in the House of Providence at Dundas.

He was born in the County of Fermanagh, Ireland, and came to this country in 1870, and was ordained priest by the late Bishop Farrell of Hamilton in the same year. He did duty in Formosa, Fergus, Elora, Macton and Ayton, spending over twenty-five years in the latter place. The subject of our sketch was of a quiet and unassuming disposition and a whole-souled Irishman, ever ready to sacrifice himself for the good of others. The funeral will take place at Ayton at 1 o'clock Friday morning.

Heur of the engineer corps, U.S.A., retired, has practically completed the plans for the comprehensive improvement on San Francisco's waterfront, and the building of 350 modern wharves, which will give fifty miles of berth room for vessels engaged in the commerce of this port.

THE NEW FRENCH REMEDY.

This successful and highly popular remedy, used in the Continental Hospitals by Ricord, Kestan, Jobert, Velpeau and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed.
THERAPION No. 1 is a remarkably short time, often a few days only, removes all discharges, superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases.
THERAPION No. 2 for impurity of blood, scurvy, pimples, spots, blotches, pains and swelling of joints, secondary symptoms, gout, rheumatism, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to destruction of sufferers' teeth and ruin of health. This preparation purifies the whole system through the blood, and thoroughly eliminates all poisonous matter from the body.
THERAPION No. 3 for exhaustion, sleeplessness, impaired vitality, and all distressing consequences of dissipation, worry, overwork, late hours, excesses, &c. TURBINE BOATS RACE.

Record Holder and New Steamer to Try for New Record.

NEW YORK, Aug. 13.—According to The American to-day, shipping men have learned with interest that the new turbine steamer, Lusitania, and the fast Lucania, now the Trans-Atlantic westward record holder, are scheduled to start from Queenstown practically together on Sept. 7.

The object, it is said, is to determine how the two vessels compare in speed under exactly similar conditions. The test will be watched from the decks of each by crowds of people, who represent not only men high in the shipping world, but by many financial and social leaders, who have paid premiums for their cabins for the voyage.

The Lucania will return to Liverpool almost immediately, but the Lusitania will remain here until Sept. 21.
