THE PEOPLE'S PASTIMES.

WHAT IS GOING ON IN SPORTING CIRCLES THE WORLD OVER.

Wanderers on the Wheel—The Charges Against L. E. Myers—Muldoon Hippodroming at San Francisco.

Baseball uniforms cost from $5 to $17.

The Young Montreal is the name of a baseball club in New York.

While shooting is poor fishing is said to be unusually good this season.

Joe Popp badly strained his left wrist while boxing at Hamilton on Friday.

Mr. J. R. Keene's Blue Grass has been scratched for the City and Suburban.

Charles Brightwell and John Largan, English scullers, are reported to be coming to America.

Anton Falch, the giant catcher of the Chicago Union nine, is 6 ft. 6 in. long and weighs 210 lbs.

A catcher's mask that flies open when a spring is touched is the most recent addition to baseball paraphernalia.

Princess is not to be raced at New Orleans for two or three weeks. She is to be given a well-earned rest.

A Pittsburg pugilist is charged with giving away the principals in a recent fight and his fellows of the ring have resolved to boycot him.

The Arabian race at Newmarket in July is likely to be an interesting one. Several Arabian horses are now on the way from India to take part in the race.

The managers of the Chicago driving park have great confidence of a trotting boom this season. They offer $75,000 to be trotted for at the June and July meetings.

E. Bither arrived at Louisville, Ky., on April 1, with Mr. J. I. Case's string, viz., Jay-Eye-See, Phallas, Victoria, and Gurgle, Endymion, from Cincinnati, has also joined them.

The Barrie turf club have decided to hold three days' races there in June, when $1500 will be given for running and trotting prizes. The track is in such good condition that training will be commenced immediately.

D. C. Ross and Mervine Thompson are meditating a boxing and wrestling tour. Naturally considerable interest will be manifested to see the man who is alleged to be a match for Sullivan, but people will be well advised to prepare for a disappointment.

Mr. J. T. Cable of this city, succeeded at the Cleveland bench show last week in carrying off first and special in the open fox terrier class with Vakeel, E.K.C.S.B. 12352, and first and special in the open bitch class with Village Belle, E.K.C.S.B. 12427.

Bob Miles is still the favorite for the Kentucky Derby, and those who speculate are plunging on his prospects of victory. After the race is run and he is beaten, which is more than likely, many will wish they had backed either Richard Loud or Powhattan.

James Keenan of Boston is out in a challenge to back John Kilrain of Boston to fight any man in America—except Sullivan,—with or without gloves, either revised Queensberry or London prize-ring rules, eight weeks from signing articles, for from $1000 to $5000 a side.

Says a New York paper in speaking of the "baseball stock market": "The fancy stocks at the opening of the season are Boston and Chicago in the league arena; St. Louis, Philadelphia and Cincinnati in the American, with St. Louis and Boston in the union association.

Charles Rowell was never in more rugged health than at present. He can run all day without distress. He has trained steadily for four months to bring himself in the best condition for his last great race, and hopes to push Hazael's 600 miles in the background.

Napoleon Corneau, a gentleman engaged in business at the mouth of the Goodbout river, Labrador, is probably the champion salmon catcher. Within a period of eighteen days in July he caught 365 fish, weighing in the aggregate 3861 pounds. The largest weighed twenty-six pounds. The average was over ten pounds.

The National association of trotting horse breeders will hold their next trotting meeting on the grounds of the New York driving club, September 9 to 11. The present value of the Wilson stakes for four-year-olds is $9100. Hinda Rose, Antonio, the unnamed brother of Hogarth, and Love Knot, by Smuggler, are in the list of nominations.

The following is a list of officers elected for the Dominion lacrosse club, Niagara Falls, Ont., for the year 1884: John Bampfield, president, Jas. Blount vice-president, Wm. Brennan, cor. secretary, Leonard Burns rec. secretary, John Dogherty capt., John Flynn treasurer: committee—Wm. Brennan, Wm. Farrel, Jas. Butters and D. O'Neill.

The following officers of the Forest City lawn tennis club have been elected for this year: W. P. R. Street, Q.C., president; Benjamin Cronyn, vice-president; H. S. Blackburn, secretary-treasurer; committee of management, I. F. Hellmuth, G. S. Hellmuth, C. S. Hyman, A. M. Smith, A. McRae, with three names to be added by the committee.

At a recent meeting the Star lacrosse club of Markham was reorganized, the name changed to Markham lacrosse club, and the following officers elected: President G. R. Vanzant, vice-president C.W. Crawford, captain H. H. McCaul, treasurer E. H. Wilson, secretary T. H. Spreight, committee of management J. G. Wilson, Wm. Wilkinson, Wm. Harper, James Fogg and Clifford Vanzant.

In his defence against the charge that he is a disqualified amateur, L. E. Myers declares that the hundreds of trophies which he has won were not valued by him because of their intrinsic worth. He had given seventy-five of them away, and no less than twenty-four of the golden medals which his fleet feet had captured were melted down to make a pair of bracelets for a young lady. What a waste of labor would have been avoided if the champion amateur had been given chunks of gold and silver instead of the chaste trophies.

Muldoon is catching it warmly in San Francisco for his conduct in his last wrestling match with Whistler. The Call says:

In a "contest" with Clarence Whistler, Muldoon refused to complete the third bout, after two inconclusive bouts, on the startlingly original ground that if he continued he would be thrown, which would be an "injustice" to his friends. It was a worse funk than Robinson's in every element that constituted it. His lame explanation of his funk was as though Hanlan, in a sculling race with Lee, should quit on the third quarter, because if he finished Lee would beat him; or as if Sullivan, in his coming mill with Mervine Thompson, should quit in the third round because if he fought it out Thompson would whip him. Just what Mr. Muldoon considers "justice" to his friends, and for what purpose he usually goes into a wrestling contest, his astonishing conduct last night left still unexplained.

But the most astounding feature of the whole affair is that the referee, after Muldoon's retirement, should have called the contest "a draw" In the large majority of sporting matches when a man quits he is considered beaten, but the ways of wrestlers and their friends always were peculiar.

Opening of the Baseball Season.

PRINCETON, N.J., April 5.—The opening game of the baseball season was played here to-day. Princeton university 9, Philadelphia 3.

PHILADELPHIA, April 5—Yales 5, Athletics 10; Trentons 2, Philadelphia 18.

A Prize-Fight and its Sequel.

CUMBERLAND, Md., April 5.—A prize-fight between the Hungarian Nickvest and an unknown, supposed to be Kilrain of Boston, was fought here to-day. Fifty-three rounds were fought, with no advantage. A cry of "foul" was raised. A riot followed, in which Nickvest was killed and a number of others seriously injured.

Wanderers on the Wheel.

The Wanderers met as usual for club drill practice on Saturday afternoon. Only nine riders put in an appearance at the appointed time, but before the practice was concluded there were over twenty mounted members present. Some of the wheelmen were anxious to turn out on the block pavement, but the high wind and the frozen condition of the roads were not favorable for pleasant riding.

The number of learners who meet for practice every evening is a fair token of the prosperity of the club, and the interest manifested by the older members bids fair for the success of the institution.

The Tuesday and Thursday "at-homes" of the club are still very popular, and the rooms are nightly filled with members.

Will Hurst, the bugler, will have a good horn to toot in future, as the club have ordered a couple of Keat's finest instruments.

Delegates to the Amateur athletic association convention on Friday will be appointed to-day.

BUFFALO'S REPLY.

An Explanation As to the Personality of St. Clair.

BUFFALO, N. Y., April 5.—In regard to the Toronto police force complaining of unfair treatment at the hands of the Buffalo police force in the recent tug of war, the Commercial Advertiser says: "Cleary was unavoidably prevented from taking part. St. Clair, a special officer was substituted. He is no more of a professional athlete than any man who like himself has followed fishing for a living and belonged to an amateur rowing club. The change of the team was of such little importance in the estimation of the Buffalos that they did not consider it worth mentioning. In fact they never gave it any thought until now."

[We should strongly advise that this matter be allowed to drop. It looks too much like squealing to raise objections after the affair is over. What is done cannot be undone, and the name of kickers is certainly not desirable.—ED.]

—Mr. H. F. McCarthy, chemist, of Ottawa, writes: "I have been dispensing and jobbing Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of lime and soda for the past two years, and consider that there is no better preparation of the same kind in the market. It is very palatable, and for chronic colds it has no equal."

—Hall's Hair Renewer renews, cleanses, brightens, and invigorates the hair, and restores faded or gray hair to its youthful color and lustre. People with gray hair prefer to use the Renewer, rather than proclaim to the world through their bleached locks that they are becoming aged, and passing on to decay.

—By lack of open air exercise, and the want of sufficient care in the matter of diet, the whole physical mechanism often becomes impaired during the winter. Ayer's Sarsaparilla is the proper remedy to take in the spring of the year to purify the blood, invigorate the system, excite the liver to action, and restore the healthy tone and vigor.

—The Star dyes are unexcelled for cheapness and fast colors. 135

—"They say love laughs at locksmiths" and we all know that a million combination locks won't keep the average small boy in the house if there happens to be a circus in town or a favorable opportunity open for fixing a tin pot attachment to an orphan dog's tail, but only give him one of the Li-Quor Tea—company's attractive boy's books and the enthusiastic way in which he will whistle "Home sweet home" —and stay there too, is surprising.

To Dyspeptics.

The most common signs of Dyspepsia, or indigestion, are an oppression at the stomach, nausea, flatulency, water-brash, heart-burn, vomiting, loss of appetite, and constipation. Dyspeptic patients suffer untold miseries, bodily and mental. They should stimulate the digestion, and secure regular daily action of the bowels, by the use of moderate doses of

Ayer's Pills.

After the bowels are regulated, one of these Pills, taken each day after dinner, is usually all that is required to complete the cure.

AYER'S PILLS are sugar-coated and purely vegetable—a pleasant, entirely safe, and reliable medicine for the cure of all disorders of the stomach and bowels. They are the best of all purgatives for family use.
