

### Appointed Judges for Calgary Fair

The exhibition directors held a well attended meeting in the Board of Trade rooms yesterday afternoon, at which the general business matters and preparations for the approaching Calgary fair were discussed.

Mr. I. S. G. Van Wart occupied the chair, and the following were present:

Mr. Wooley Dodd, Mr. Thompson, Mr. Tregillus, Mr. Dewey, Mr. Laycock, Mr. Geddes, Mr. Fowler, and Mr. Weir.

After some discussion it was decided that the live stock exhibits would be allowed to leave at 6 o'clock on Friday, the last day of the fair, and that the various other exhibits could be removed at 4 o'clock.

The four days of the fair will be divided up in the following order: Tuesday July 9th, Farmer's day, Wednesday July 10, Citizens' day, Thursday July 11, Americans' day, Friday July 12, Ranchers' day.

It was arranged that the services of Mr. Peter Bain, of Brandon, be obtained as the official starter at the horse races, and this announcement will be heralded with unanimous approval, as Mr. Bain is well known to fulfill this capacity with the utmost satisfaction. Mr. McPhee of Red Deer, J. K. Thompson and G. Boss of Calgary, will act as the live stock judges.

The services of Mr. E. N. Barker will be secured as judge of the poultry exhibits; C. Marker of the dairy and bread, C. Lyndon, of Toronto, will fill the capacity of judge at the dog show, and A. Mitchell, chief inspector of noxious weeds for the province, will judge the grains, vegetables, grasses, plants, flowers, natural history and school work.

The art and photography exhibits will be judged by Mr. Winter; the manufacturers' exhibits by W. J. Fowler; and for the ladies' work Mrs. Wooley Dodd and Mrs. Foster will act in a similar capacity.

The advisability of providing a firework display for the evening attraction at the fair occupied a considerable length of time, during which Mr. L. H. Doll explained how he had been at a loss over the firework display contract on several previous seasons, and submitted a proposal to the directors to furnish the fireworks display. However, it was finally decided to reject this proposal, and substitute as an evening attraction a series of baseball matches. An arrangement will be made with the baseball club whereby the grounds will be leased to them during the four evenings of the fair for the sum of \$500, the exhibition directors to provide the band, and as an additional attraction an exhibition by trained animals and jugglers. The baseball club to take entire charge of the grounds for the remainder of the evening, commencing at 6.30.

After Mr. Tregillus and Mr. Wooley Dodd were appointed as delegates to the irrigation convention to be held in Calgary on July 17, the meeting was adjourned.

#### The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." This remedy is almost sure to be needed before the summer is over. Why not buy it now and be prepared for such an emergency? For sale by all druggists and dealers.

## SPRING SUIT

Don't make the mistake of being satisfied with anything short of the BEST style you can get in a Spring Suit or Overcoat.

No matter what your taste, let it be made as it should be—to your measure, and properly tailored.

There is down-right economy in getting clothing made for you from very best materials, with good linings and good workmanship throughout.

It holds its shape twice as long, wears twice as long and gives evidence of good tailoring up to the very last.

Why should a man wear clothes of indifferent fit, that always look "slouchy" after a week or two, when, for practically the same money, he can get something made to his measure that is made right?
