CLIPPERS AND PHILLIES.

THE FORMER MAKE A GOOD STAND AGAINST THE LATTER.

London Once More Beats Guelph—The Coming International Athletic Meeting—English Cricketers vs. All New York.

HAMILTON, Ont., Sept. 21.—The exhibition game here to-day between the Philadelphia league team and the Clippers was attended by 1200 people, who saw a very pretty game umpired by J. Bain of this city. The Clippers won the toss and sent the Philadelphias to bat to face the pitching of Chamberlain, supported by Moore. Chamberlain pitched well, and the Philadelphias were shut out until the third innings, when, on errors of Rainey at third and Morrison at right field on hits by Myers and Manning, Cusack, who got first while Myers was being put out between second and third, came home. Andrews flied to left field and Nolan hit to pitcher and was fielded out at first, but in the fifth innings the Philadelphias pounded the sphere merrily, and, aided by fielding errors, ran around the bases in a sort of circus procession and scored six runs. When they again went to bat they had to face the pitching of Morrison, backed by Hunter as catcher and from that time forth by strong pitching and sharp fielding the Clippers shut the Americans out.

Londons 9, Leafs 5.

LONDON, Sept. 21.—The Maple Leafs of Guelph and the Londons played another league game here this afternoon, which resulted in an easy victory for the home team with an innings to spare. The score stood 9 to 5. Reardon, late of the Syracuse Stars, and the latest arrival on the London team, pitched while Purvis officiated behind the bat. They proved to be a very effective battery. Fitzgerald and Jones were the battery for the Leafs. Hugh McLean of this city acted as umpire.

The Philadelphia club is billed for a game here with the Londons on Friday.

New York's Picnic With Buffalo.

BUFFALO, Sept. 21.—Only one league game was played to-day. The departure of the Buffalo's big four robbed the contest of all interest to Buffalo citizens and the attendance was of the smallest.

At Buffalo: New York 10 r., 10 b. h., 6 e.; Buffalo no runs, 6 b. h., 12 e.

The International Athletic Meeting.

The famous Irish athletes who compete in the international athletic meeting on the Rosedale grounds Saturday next will arrive in Toronto this morning. They will be met at the station by Messrs. Harry Brock and Jack McLaren, on behalf of the association, and by a number of other athletes, and escorted to either the Rossin or the Queen's hotel, as their fancies strike them. They arrived at Rimouski in the Sarmatian on Sunday evening and were met at Quebec yesterday by several Montreelers, who will see them safely bound for Toronto. All necessary arrangements have been made for the meeting, which will undoubtedly be the greatest and most interesting affair of the kind ever held in Canada. Entries close with Mr. Harry Brock, the honorary secretary of the association, at 76 Bond street, Toronto, to-morrow (Wednesday) evening.

Aching for a Good Game.

Editor World: Is it out of the bounds of the possible to have the Clippers and Londons play one or more of their championship series in this city? I say championship because any one who saw the last exhibition game between the Londons and Torontos here will never be likely to spend time or money to see the London club repeat the farce of that occasion. Such frauds on the public would soon kill baseball in the estimation of the general public. But one of the series spoken of above should give us genuine baseball. It may not be possible to have it, but certainly there would be "money in it."

SPECTATOR.

[The World thinks such a match as that mentioned if brought about would prove profitable, but the arrangement must be made through the Toronto baseball club, who hold the franchise for the Jarvis street grounds. This means that four profits have to be made, one for the grounds, a second for the Toronto club, a third for the Londons and a fourth for the Clippers. Our correspondent will thus see that the expense incurred would be a serious item. However so keen is the desire for a base ball match of decent calibre in this city that The World thinks the venture would pay—with fair weather, and there is another big risk in the undertaking.—ED.]

Play—Cricket!

Editor World: What has come over the Toronto bank clerks? I hear they have challenged the East Toronto cricket team and also the Toronto? The former match will be played on Saturday next on the East Toronto grounds and the latter on Saturday, Oct. 10, on the Bloor street grounds. I admire their pluck, and judging from what I know of some of their representatives of the noble game they will give good account of themselves in both matches. Ten years or so ago the latter match was looked forward to with great interest by nearly every one, being one of the great events of the season. Why should this not be the case now? Those who are fond of the game and wish to witness good cricket will, I am sure, not be disappointed in either match. Hard practice is the order of the evening this week for the banking team. Good luck to them.

ESPRIT DE CORPS.

Handicapped Yacht Regatta.

At a well attended meeting of members of the various city yacht clubs, held at the Queen's hotel last night, it was decided to hold a race on Saturday next, open to yachts from all recognized clubs in the province. A joint committee, consisting of Messrs. Hupart and Duggan, Royal Canadian Y. C., and Messrs. Armstrong and Arnoldi, Toronto Y. C., was appointed to handicap the various yachts entering, according to their size and record. The prizes will be sweepstakes, to be divided as follows: Fifty per cent. to the first, thirty per cent. to the second and twenty per cent. to the third. Entries must be made by Friday night. The secretary will be at the Queen's hotel that evening between 8 and 9 o'clock. The entrance fee is $10.

England v. All New York.

NEW YORK, Sept. 21.—The cricket match between the gentlemen of England and all New York commenced this morning at New Brighton, Staten Island. In the first innings the New Yorkers scored 66 and the Englishmen 111. Play will be resumed to-morrow.

General Notes.

The Amateur athletic association of Canada have unanimously reinstated R. E. Brown of Guelph as an amateur.

Hanlan, Lee and Courtney were at Troy yesterday. They have agreed upon the course off Pleasure island in the Hudson river as the place for the double scull contest of Oct. 10.

The employés of Kilgour Bros., and the Barber & Ellis Co. played baseball Saturday. At the end of six innings, when the game terminated, Kilgour Bros., had 28 runs and Barber & Ellis 13.

The final heat of the canoe race of the Argonaut rowing club, which was postponed last Saturday, was won by A. H. Scott & J. Scott, H. O'Brien, and E. Bayley paddling a close second.

On Saturday an interesting game of baseball took place on the corner of Sackville and Amelia streets, between Davidson & Co., and Copp, Clark & Co., which was won by Copp, Clark & Co., by 29 to 28.

A game of baseball was played in the Exhibition grounds on Saturday afternoon between the insurance base ball club and the wholesale leather nine, resulting in an easy victory for the insurance club by a score of 27 to 4.

SATURDAY, Sept. 19.—Match race, luggers: Petrel of Arthur Lawson, Mascot of Jim Adamson: Toronto bay from Don buoy to Eastern gap, thence to Western channel, and back to Don buoy. Won by Petrel in 43 minutes; Mascot 47 minutes.

To-day being ladies' day with the R. C. Y. C., a cruise will commence on the arrival of the Esperanza at the club house on her 3.30 trip. The Alarm, Aileen, Oriole, Verce, Winona, Cygnet and, it is hoped, all the yachts of the R. C. Y. C., and T. Y. C., will participate.

The Toronto Gun club holds its annual pigeon shooting tournament at Woodbine park on Oct. 7 and 8 next. Mr. Whyte Millar, 99 King street east, is the secretary, and to him must be addressed all communications. Fifteen hundred pigeons will be required for the shoot. The club has resolved to allow no outside shooting, so that birds getting away from the competition will have a clear chance for their lives.

—Those who have not had the smallpox and have no desire to get it, and have a taste for a fine Havanna cigar, should not let dealers palm off Montreal made cigars on them, but ask for and take none other than the "Brave Boys" and "General Middleton" brands, manufactured only by W. E. Dobson, 23 Church street, Toronto.

JOTTINGS ABOUT TOWN.

The public vaccinators have inoculated 4000 persons, and are still busy.

An anti-tobacco society is being organized in the west end, A. Farley being prime mover.

Wagner, Zeidler & Co. have given the firemen $50 for their services at the fire on their premises last week.

Henry F. Hillary was yesterday arrested for stealing several bottles of champagne from the Richardson house, where he boarded.

Miss Waterman, the Sackville street smallpox patient, has been discharged from the hospital. The patient from Bellair street is steadily improving.

Yoot Lay's laundry, King street east, was plundered Sunday afternoon, $40 being stolen. Thieves also got away with $35 from Sam Kee's place on Queen street.

Increased accommodation in the way of reading rooms is being provided at University college for female students. About twenty are expected to enter this fall, double the number of last year.

Assessment Appeals.

Judge Macdougall was engaged yesterday in hearing appeals against assessments. E. A. Macdonald of St. Matthew's ward appealed against being assessed for the extensions of Boulton and De Grassi streets. The appeal was not entertained. The trustrees of the church of the Redeemer asked to be excused from the assessment for the blockpaving of Avenue road. The judge refused to make any change. The assessment of certain property owners on the extension of Boulton avenue was amended so that one-half of the taxes should be borne by the new part of the street. In the De Grassi street case the same change was made. Catharine Mortimer, a resident of Smith street, appealed against being assessed for 640 feet. Her assessment was reduced to 100 feet.

Billee Taylor at the Gardens.

Solomon & Stevens' nautical opera was the bill of fare at the Gardens last night, the cast being as follows: Captain Flapper, A. D. Holman; Sir Mincing Lane, T. C. Johnson, Ben Barnacle, J. T. Dalton; Crab, a schoolmaster, J. Bradshaw; Billee Taylor, J. C. Garr; Arabella, Blanche Holman; Susan, Violet Fell; Eliza, Mrs. M. A. Bradshaw; Phœbe, Sallie Holman. There was a good house and the piece went off well. Mrs. M. A. Bradshaw, who made her first appearance here in five years, was accorded a hearty reception. Billee Taylor will be put on again to-night.

Amusement Notes.

P. F. Baker, who has been laid up for over a week by reason of an accident at Buffalo, will join his company in A Soap Bubble at Port Hope to-night. Harry W. Rich has been playing his part very successfully.

At the Toronto roller rink last night Clarence H. Smith and Minnie Rochelle gave a clever and charming performance on bicycles. They will be on hand two more nights and to-morrow matinee.

The Price of Silver.

From the New York Evening Post.

The continued and rapid decline in the price of silver has produced something like a panic in the London market, the quotation having fallen to 47d. per ounce. The cablegram announcing this fact says that it is the lowest point ever touched. This is a mistake. In July, 1876, silver fell to 46¾d., but did not long remain at that figure. It advanced almost as rapidly as it had declined, and remained comparatively steady for a year or two after the American coinage began under the Bland-Allison bill. Then it began to sag little by little, but the decline did not become very rapid until the present year. Since the 1st of January the fall has been 2¾d. per ounce. But nearly all of this decline has been made within a few weeks. It is not easy to divine the causes of so rapid a fall, but it is probably due mainly to apprehensions of a suspension of coinage in the United States, and of a disruption of the Latin Monetary Union, and of demonetization in Holland. The great decline in 1876 was certainly due to apprehensions of general demonetization in Europe, for when these apprehensions were dispelled the price quickly recovered. It is worthy of remark that great as has been the decline in silver within the past two years, the prices of both wheat and iron have declined even more.

"Believe in me," the prophet cried,

A Wild Rose.

Since on my suit, alas!
My lady sweet doth frown
I lay where she may pass,
A wild rose down.

But first, lest it should grieve,
Thus to be placed so low,
Into its heart I breathe
All my heart's woe.

"Her nature is so sweet,
Save only unto me,
Even her little feet
Will not wound thee!

"Where thine own color glows,
Warm on her dainty cheek,
She'll lift thee, happy rose,
Then, dear rose, speak!

"My intercessor be,
And in her tiny ear
Whisper: 'He loveth thee,
Who sent me, dear!'"

ALONG THE ESPLANADE.

Schooners Tied up—Harbor Expenditure—The Coal Trade.

A number of schooners have furled their sails and tied up owing to the stagnation in trade.

Workmen are still engaged removing the debris of the big fire. A number of new buildings have been erected.

The amount expended in dredging the harbor for the current year foots up to $7326.

The coal trade is still quiet. Consumers are holding off purchasing their winter's supply thinking prices will be cheaper. As a consequence dealers are not putting in large stocks.

The reports inward yesterday were: Schooners Mary Baldwin, fruit, Charlotte; Paragon, 317 tons of coal for Bailey & Co., Oswego; Mary Taylor, 45 tons of hay, Brighton; Baltic, 347 tons of coal for P. Burns, Oswego; M. A. Hall, Newsboy, Fora, John Wesley, Ariadne, Acacia, stone, lake shore; Eliza White, coal for Bailey, Charlotte; Jessie Drummond, light, Oswego; propellors Dominion and Persia, merchandise, Montreal; steamer Corinthian, passengers and freight, Montreal. Departures: Schooners—Clara Youell, lumber, Oswego; Eugenie and W. G. Luffel, light, Port Hope; Elgin, Charlotte; P. E. Young, Patrick Boyle, attempting to rescue a prisoner from Policeman Coulter, $5 and costs or thirty days. William Sweeney, assault on R. Haskeys, $2 and costs or thirty days. John Leconte was bound in two sureties of $100 each to keep the peace towards his wife.

High Play in London.

From a London Letter.

An American friend asked me the other day what was considered high play in London. I put the question to an English friend whose authority is unimpeachable. "Well," he answered, "it is a little difficult to say what would be considered high, it depends so much on where you play. But the highest I have lately heard of was at the Turf club—pony points and a monkey on the rubber." A pony being £25 and a monkey £500, this meant that each of four players might win or lose on a rubber of eight points, the respectable sum of £700 or $3500. A rubber of two-trebles may easily be played in ten minutes or less, so that it may be safe to describe play where you can win or lose over $20,000 an hour as tolerable high. It would be wrong to infer that stakes of this amount are frequent at the Turf club or anywhere else. The comment of another friend on this story is significant. "Men who played for such sums as that are sure to have been bad players." And he thought the average would not exceed $10 points, with $25 on the rubber. It is said of an exalted personage that he does not care to set down to whist for less than $25 points—in fact, there are persons who impute to him the prevailing taste for high play. The Turf Club is one of the "smartest" in London. At other clubs of high standing, the usual rule is ten shilling points ($2.50) and £2 (10) on the rubber. But there are always men who will accommodate a player who likes the excitement of risking larger sums.

Thompson & Son continue selling the immense stock of Forbes Convey & Company at extraordinary low prices. They show a big wheeler full of Fine Merina and fine Aliva Knit Socks, which they are selling three pairs for one dollar, worth nearly double.

The Ladies of Ancient Rome.

—If the reader would go away back into the mythical sayings of the ancient Romans he would find that in the days of Julius Cæsar, Mark Anthony, etc., the dark eyed beauties who dwelt in luxurious palaces on the banks of the grand old river Tiber were wont on certain festive occasions to adorn their handsome forms with furs taken in tribute by the Roman emperors from the various tribes who at that time paid obesiance to the rulers of the imperial city. But in this enlightened age furs are within the reach of all, whether the person be of royal blood or of ordinary, but just as good parentage. Dineen—the furrier—has a splendid stock of furs, ladies' mantles of all descriptions. The best and cheapest in town. Corner of King and Yonge streets.

The Princess Roller Skating Rink.

The above is the name of a new candidate for the patronage of those who love the giddy glide on rollers. The rink measures 100x200 feet, and can accommodate 5000 people. On Saturday evening last a good start was made, with 1130 pairs of skates in use. Prof. Lubar's band furnishes music for the skaters and other visitors. The management has taken a decided stand upon the question of conduct, and insists strictly upon the good behavior of all comers. On Saturday night four young men were put off the floor for not conforming to this wholesome rule. The Princess, which is situate at the corner of Ontario and Duchess streets, is bound to be popular during the coming season.

A Speedy Cure.

—As a speedy cure for dysentery, cholera morbus, diarrhœa colic, cramps, sick stomach, canker of the stomach and bowels, and all forms of summer complaints, there is no remedy more reliable than Dr. Fowler's Extract of Wild Strawberry. Dealers who sell it and those who buy it are on mutual grounds in confidence of its merits.

Exhibition Notes.

—We believe the Canadian Harness Co. are going to have one of the finest displays in the exhibition. Their exhibit will be composed of harness taken out of their regular stock and not got up on purpose, which will give all those using harness a grand opportunity to prove that they use nothing but the best of stock and all hand stitched. They guarantee all work turned out of their factory, 104 Front street east. 246

Union-Made Cigars.
