## RACING AT SARATOGA SPRINGS.

**Garrison Rode a Desperate Finish and Lost by a Nose—Ballarat Won the Steeplechase.**

Saratoga, Aug. 4. — The sport today was first-class, though the track was heavy and holding, and as the slow time in which the races were run will show. Interest, of course, centred in the race for the Bitter Root Stud Stakes for 2-year-olds at five furlongs. Lissak, who, according to the visitors, is the best colt in the West, was started with the top weight, 128 pounds, and Garrison in the saddle. There was a long delay at the start, over half an hour being consumed in false breaks. Doggett managed to get the Lorillard candidate home ahead of that which wore the Keene colors, after a hard drive. Garrison rode one of his most desperate finishes on Lissak, and was beaten but by a head for the place, but the weight in the heavy track told against the horse. Keenan and Gutta Percha finished the last two, pulled up. Sadie ran a disappointing race, never being prominent.

In the other stake race, the Beverwyck Steeplechase, over the course of two and three-quarter miles, for which Sam Corey was a hot favorite, but Corey broke down during the race, and had to be led from the field, as he could not finish. Ecarte and Prize fell after half the course had been run. Fortunately neither horses nor riders were injured. Ballarat, the grand jumper, won the race very cleverly by a half dozen lengths from Glenfallon, who just beat Cicero a nose for the second money. Both were dead tired.

John Cooper, who was an even money favorite, made a runaway race of the opening event of seven furlongs. Ferrier was about as heavily played as was the winner, because the Dwyer money was on, but Ferrier was not up to beating Cooper, and was even beaten for the place by Thurston in a drive through the stretch. There was the craziest kind of a tip over Faraday to win the second, which was a run of a mile, and for which Candelabra, who won it in the commonest sort of a gallop, and in very slow time, was very properly the favorite. Faraday made a dismal showing, and was beaten for the place by Stowaway, who was a mark outsider in the betting. Domingo made considerable trouble for Tom Skidmore in the first of the races at 6 1-2 furlongs, for which the latter was the favorite, Griffin having the mount on him. Domingo practically led all through the running, but in the run through the stretch Skidmore had speed enough to beat Hyderabad home. Pearl Song was a favorite in the race for 3-year-olds. She actually romped in when Perkins had given her her head, but he held her while she made the last hundred yards. She beat Pulitzer, who had made the running by half a length with West Park the same distance away. Summaries:

First race, 7 furlongs — John Cooper, 115 (Clayton), even, 1; Thurston, 96 (Griffin), 6 to 1, 2; Ferrier, 117 (Sims), 7 to 5, 3. Time 1.29 1-4. Del Norte also ran.

**Lively Betting at the Beach.**

NEW YORK, Aug. 4.—The very pleasant weather and the Saturday half holiday brought a large crowd to-day to the Brighton track. There were 50 books in operation and betting was lively. At the very outset the talent were victorious. Dr. Garnett, a warm favorite, won the opening race. In the succeeding race, however, the well-laid plans of the talent went wide astray.

Golden Valley, at 30 to 1, beat George Dixon, the favorite, by two lengths. In the third the talent were again roughly handled, First Light, a 1-2 outsider doing the unexpected. Summary:

First race, 1 mile—Dr. Garnett 99, Reiff, 6-5, 1; Robusta 105, Hamilton, 3-1, 2; Herdy Fox 109, Cloy, 5-1, 3. Time 1.48¾. Harry Alonzo, Best Brand, Marguerite, Vagabond, Tom McC. also ran.

**The Grand Circuit Races.**

Buffalo, Aug. 4.—Hal Braden (2.08 1-4) won the 2.09 sensation pace at the local grand circuit meeting to-day, and the event did not prove as great as what was expected. In one of the opening pools the selling was: Online $55, Hal Braden $40, Crawford $10, Reflector $5 and field $10. It was $25 on Braden and even on field after the first heat, but when Braden got the second heat it dropped to $20 for the field. This was Braden's first start of the year.

Azote took the 2.15 trot off the reel and he went the first mile in 2.10 1-4.

Mary Best had it all her own way in the 4-year-old event, and Roseleaf, another favorite, was toppled over. She was unsteady and erratic and made losing breaks in every mile. The weather was not at its best and the track not very good. About 5000 people attended to-day. The summary:

## FAST TIME ON THE WHEEL.

**Final Day of the Bicycle Meet at Chicago —Big Winnings.**

Chicago, Aug. 4.—The final day of the National Circuit bicycle meet attracted 4700 people to the Baseball park. Arthur Gardiner of the Columbian Wheelmen, who took three firsts and a third in the events on Friday, made a clean sweep of the board. He started five times, and was returned a winner each time, winding up by riding an unpaced mile in 2.17 1-5, taking the prize for that event, and incidentally covering one-third in 40 1-5 seconds, the record. His winnings for the meet were $440.

The class B races were badly broken up by a series of accidents. In the mile open Burt Taxis and Bliss received terrific falls, and were laid up for the day, although Bliss had the nerve to ride an exhibition half mile while covered with damages. **Tyler's Mile in 1.53 3-5.**

Waltham, Aug. 4.—Another full second has been sliced off the world's record for a mile with flying start and pacemakers. Harry C. Tyler of Springfield did it very easily this afternoon and lowered the 1.54 3-5 record of J. P. Bliss of Chicago, made on this track, to 1.53 3-5. Cutter and L. Berlo were the first tandem team, and carried the quarter in .38 3-5 and the third in .37 4-5 seconds. Bliss's time for the distances was .28 1-5 and .37 2-5, and it looked blue for Tyler. He was hugging the tandem within a few inches of its rear tire, but the pacemakers were at their limit and could go no faster. At the second lap P. J. Berlo and Rich made a fine pick up. Tyler again hugged the tandem's tire, but this team also was unable to improve on the half and two-thirds mile time of Bliss, who had made them in .55 3-5 and 1.15 1-5. Tyler's time being .56 3-4 and 1.15 4-5. On the last lap Lambert and Ed McDuffee again made a brilliant pick up. The distance never was more beautifully ridden. Faster and faster went the tandem, but Tyler still hung on and showed no sign of weakening. At the third quarter they had tied Bliss' time of 1.35, and in the final spurt for the tape gained exactly one second on the Chicago man's record, finishing in 1.53 3-5, the new world's record. There was a light breeze blowing, and the back stretch was a little heavy. There is no doubt in the minds of those present that, if faster pacemaking can be had, Tyler can get nearly two seconds lower. Tyler later attempted to break Sanger's record for the unpaced mile of 2.11 2-5, but failed. His time was 2.14 2-5.

**Local Clubs Capture Five of Six Races at Hamilton—In the Sixth They Had No Starter.**

HAMILTON, Aug. 4.—A strong northwest wind was blowing all night and continued to blow this morning, making the course on the bay side of Hamilton Beach too rough for the second day's events in connection with the Canadian Association Amateur Oarsmen's regatta. The course on the lake side, however, was comparatively smooth, although there was more than a ripple on the surface of the water. The first and second heats in the senior singles were rowed this morning and the final was rowed in the afternoon.

Less than 500 people were present when the oarsmen went up to starting point for the first heat at 10.30. The starters were Charles L. Van Damme of Nautilus Club, Detroit, Mich.; W. S. McDowell of Delewares, Chicago, Ills.; J. J. Donohue of Nautilus, Hamilton, Ont., and W. Ward of Leanders, Hamilton. J. J. Ryan and Joseph Wright of Toronto were scratched. The betting was all in favor of Donohue at $10, with the field at $8 and in the books Donohue sold at 2 to 3. The favorite, however, was not in as good condition as his admirers were led to believe, and at no time did he show any of his old form. Van Damme took the lead and made the pace for his opponents. He rowed in easy style and won the heat without extra exertion, with McDonald about three lengths behind and Donohue a bad third. Ward finished about a length and a half behind Donohue. Time 11 minutes 31 seconds.

The second heat in the senior singles had four starters: W. E. F. Paine of Argonauts, Toronto; F. H. Thompson of Argonauts, Toronto; Alfred Russell of Toronto, Toronto, and Edwin Hedley of the Vespers, Philadelphia. E. A. Thompson of Toronto, and E. Newton Atherton of Hartford, Conn., were scratched. Hedley sold favorite in the books at 2 to 5. The four scullers were bunched for the first ¾ of a mile with Thompson slightly in the lead. Russell and Thompson fouled three times and at the mile were on even terms, when Thompson crossed over into Russell's water and deliberately fouled him. The two broke away immediately, however, and started for the finish, Thompson winning by about two lengths with Russell half a dozen lengths ahead of Hedley, who was third and Paine a bad fourth. Russell claimed a foul on Thompson, but both rowed in the final this afternoon. Time 11 mins. 25 secs. Van Damme, Russell, Thompson and McDowell rowed in the final. Results:
