HANDSPRING 1, HASTINGS 2

DWYER'S GREAT COLT CAPTURES THE WITHERS.

August Belmont's $37,000 Hastings Beaten at Morris Park by a Short Head—A Desperate Finish by the Two Leaders—Ben Brush Defeats Lady Inez at Louisville.

Morris Park Race Track, May 16.—P. J. Dwyer's great colt Handspring proved himself a worthy son of his famous sire, Hanover, by defeating August Belmont's $37,000 colt Hastings by a short head in the Withers Stakes of one mile to-day. It was a desperate finish for the last two furlongs. Griffin made a mighty effort with Hastings all the way down the stretch, but could not gain an inch on Sims, who rode a grand race.

Hastings took the lead at the start, Abuse second and Handspring third. Abuse leads at the quarter, a length in front of Hastings, a length in front of Handspring. Abuse leads at the half, and still by a length, Hastings second, half a length in front of Handspring. Abuse leads at the three-quarters, with Hastings at his neck, a short head in front of Handspring. Hastings leads into the stretch, a nose in front of Handspring, Abuse third. Handspring wins a nose on the post, Hastings second, Sherlock third, five lengths away.

BEN BRUSH WON AFTER DEAD HEAT.

Louisville, Ky., May 16.—Ben Brush and Lady Inez, "King and Queen of the Turf," are the titles that these two phenomenal 3-year-olds earned for themselves at Churchill Downs to-day in one of the grandest races ever witnessed on a race track. When the bugle sounded for the Schulte Stakes, Ben Brush, Lady Inez, Semper Ego and Penury responded to the call. After a slight delay they got off, with Dwyer's colt in the lead, Penury next and the Lady third. Brush kept a good lead until well down the stretch. Here Perkins on McGuigan's filly moved up, and at the last eighth her nose was in front, and Brush looked as if done, but Thorpe called on him, and, responding to whip and spur, he came again and Perkins and Thorpe, bringing into play all the skill they knew, passed under the wire as in perfect a dead heat as ever judges were called upon to decide. In the run off Brush took the lead at the outset and finished easily a winner by a length.

Chicago: Cassa, 50 to 1; Provident, 3 to 5; Longdale, 9 to 2; Woola, 3 to 1; California, 1 to 2; Lillian, 23 to 1.

RACING NEXT SATURDAY.

The O.J.C. will throw open its gates to the public next Saturday at Woodbine Park, and, from the present outlook, it will be the greatest race meeting ever held in Canada. Never before were there so many horses located at the track, and in the vicinity, and with those to arrive this week from New York and Windsor, the number will reach nearly three hundred. All classes are well represented, from the stake horse and selling plater to the steeplechaser and hunter, which indicates that every race will have large fields. There are many horses among them, however, that will have little chance under the conditions of the races, and the committee should, therefore, try and provide for such horses, and thereby give every owner an opportunity of securing a share of the money. The club, too, in the interest of horse-owners, might erect some sort of shelter for horses in the sodding paddock, especially for those quartered outside the track. There are some half dozen stalls in the paddock, but not sufficient to accommodate the number of horses that will be on hand.

The appearance of the weights for the Waterloo Street Railway Steeplechase and Jockey Club Handicaps on Saturday came in for considerable discussion among horsemen, and the general opinion was that Mr. Vosburg's work was anything but good. Of course, there were some owners who were much pleased with the result. It was difficult to understand why Mr. Vosburg put such an impost on the old jumper, Prize, in the Jockey Club Handicap, but it is said that it was at "Tody" King's request, so that he could ride the horse himself.

A RUN WITH THE HOUNDS.

The meet of the Country and Hunt Club on Saturday afternoon in Rosedale brought out a large gathering of the knights of the bigskin. Those in the saddle were: The master, Mr. George Beardmore, on The Maligned; Mr. James Carruthers on Grey Friar, Master Edgar Carruthers on Van Dyke, Miss Beardmore on Lassie, Dr. A. Smith on Sir James, Miss Smith on Hanover, Dr. Grasett on Madge, Mrs. Grasett on Jerry, Dr. Peters on Vedette, Mr. C. W. Clinch on a handsome bay, Mr. W. J. Douglas, jr., on His, Mr. Fred Doane on Bucephalus, Mr. T. P. Phelan on Driftwood, Mr. L. McCarthy on Melba, Mr. Wellesley Ricketts on Cockatoo, Mr. Bridgman Simpson on a bay, Mr. A. Morrison on Millbrook, and Master Tiffany Maclean on Bessie. Mr. McCarthy's Sleight of Hand and The Count were also out. The hounds, in charge of Huntsman Nichols, were cast off in the ravine, and ran eastward over the Doff flats to Mr. Robert Davies' Thorncliffe farm, thence southeast, finishing at the kennels and Scarboro' Heights. Though the weather was warm and the going dusty, the jumping was fairly good, and the run much enjoyed.

TRIALS AT THE TRACK.

As there are but a few more days before the flags will be flying and the horses will be striving for O.J.C. purses, trainers have begun to put on the finishing touches, and the work of the various candidates the past week has been very interesting. On Saturday the majority of the horses were sent along, and some excellent trials were recorded. Connoisseur, in company with Halfing and Silk Gown, covered a mile and a quarter in 2.14. The fractional time was: One-quarter 26, one-half 52, three-quarters 1.18½, seven-eighths 1.22, mile 1.45½, 1 mile 1.59¾, 1¼ miles 2.14. Stonemason, Eulalon and Mussulman negotiated six furlongs in 1.18¾. Millbrook a mile and a quarter in 2.21, while Saragossa was given slow work. Lord Nelson reeled off a mile in 1.46½, and Havoc the same distance a shade slower. Royal George worked a mile in 1.49¾, while Dundrie Plater, Lochinvar, traveled the Plate distance in 2.20. Mr. Duggan's Steppingstone and Minorca reeled off three-quarters in 1.22. The Kanaga colt, accompanied by Clipmont, worked a mile and a quarter in 2.23, and Campayne and Bradlaugh the same distance in 2.21¾.

The heavy rain during Saturday night left the track somewhat heavy yesterday morning, but with the aid of Old Sol by 10 o'clock the going was fairly good. Johnny Walker brought over two of the Seagram Platers, Moorland and Springal, and sent them a mile and a quarter, which they covered in 2.21½. Mr. Robert Davies' Plater, Garter King, negotiated a mile in 1.54, while his stable companion, Zeal, worked six furlongs in 1.16. Phaeton going the same distance in 1.26. The 2-year-old Parbuckle reeled off a half in 52½. Mr. Hendrie's Ogdensburg ran three-quarters in 1.20, and the hunter Royal Bob two miles in 3.52½. Ben Pope sent Laurel a mile in 1.53, and Red Monk and Sleepy Belle a half in 51. The 2-year-old Edna Fricis, from Accoville, L.I., worked five furlongs in 1.06. Charlie Phair sent Muscovite through the field.

Mr. Adam Beck's string, numbering 10, arrived from London yesterday morning, and are quartered on the track. The lot includes the hunters Grand Falconer and Long Run, Gamester, South Africa, Distant Shot 3 and the 2-year-olds, Stray Step, Snap Shot, Barometer, Wadsworth and Dogma. They are looking exceptionally good.

It is said that about 25 horses will come on from Windsor.

At a meeting in this office Saturday night it was decided to form The World Bicycle Club. After a committee was appointed to draft a constitution and a code of by-laws, an adjournment was made for a week.

Fourteen riders started in the R.C.B.C. handicap road race on Saturday from Crews' to the Halfway House and return. Result: Albert Leslie 1, C. Leman 2, W. Simpson 3. The best time was 19 m. 15s., made by L. Bounsell.

Wills wheeled a half-mile on Island track Saturday in 58 4-5 sec; first quarter, 27¼ sec. In the next quarter Wills spurted nearly the whole way, doing the last eighth in 12 1-5 sec. The timers were Chris Clune and Jimmy Rice.

ORTON'S TEAM BEATEN.

Philadelphia, May 16.—Harvard defeated Pennsylvania this afternoon on Franklin field. The visitors won by a good margin, scoring 65 points to 47. In four events—120 yards hurdle, 100 yards dash, 220 yards dash and 440 yards dash, Pennsylvania did not score, the "red and blue" representatives failing to qualify for the finals in the three former races. In the one-mile bicycle race, Pennsylvania captured the first, second and third places.

ROWING RIPPLES.

Mr. Bush Thompson has definitely decided to visit Henley in June and contest for the Diamond Sculls. He takes extensive training spins every day, rowing to the Woodbine every morning and around the Island in the afternoon.

AD B ..6..6..

Hanlan is also training carefully, and is looking after the interests of the Argonauts' many young scullers and oarsmen. They will have six fours, including three junior crews, two intermediates and one senior, which has not yet been made up.

CITY TEAMS AT LACROSSE.

TORONTO AND THE ELMS TIE AT ROSEDALE.

On the University Lawn Varsity and the Tecumsehs Score Two Goals Each—Schedule for the Holiday—Lacrosse Games Saturday on Many Fields.

The four big city lacrosse teams had good practice games Saturday afternoon before big crowds, that show interest in the national game is strong as of yore. Up at picturesque Rosedale the Elms and Torontos faced each other, and some capital play was witnessed. The result was a draw, three goals each. Peaker was an absentee from the Toronto ranks, while some of the Elms were also unable to participate in the practice. Next Monday Toronto plays Cornwall at Rosedale, and the Elms play their C.L.A. match at Barrie. The teams:

Toronto—Goal, Allan; point, Bark; cover, Henry; defence, Wheeler, McCulloch, McDougall; centre, Milner; home, Brierley, McDonald, Jackson; outside, Nolan; inside, Kells.

Elms—Goal, Angus; point, Turnbull; cover, Corr; defence, McIlroy, Armstrong, Jeffs; centre, Soules; home, Waghorne, Cornett, Wilkinson, Lennox; outside, Desjaurlers; inside, Martin.

The Tecumsehs lined up against Varsity on the lawn. Macdonald and Knowles scored for the Tecumsehs, while Snell tallied twice for the Varsity. Patterson, Grimes and Deverger, the Ottawa men, occasionally executed some brilliant pieces of play, and undoubtedly will shape into a fine defence. Kingston, Burns and Snell were Varsity's stars. Knowles and Macdonald combined nicely on the Tecumseh home field. The teams were:

Tecumsehs—Davis, Patterson, Grimes, Deverger, Yorke, Godfrey, Jack Macdonald, Knowles, Cross, Gurnan, Douglas, Capt. Clemes.

Varsity—Bryan, Kingston, Moss, Kirkwood, Jackson, Barr, Hendry, Snell, Cleland, Burns, Peaker, Cooper. The Tecumsehs will commence practice at Hanlan's Point this (Monday) evening. Boats will leave Yonge-street wharf at 5.40 and 6.20 p.m. for the Island. They play Brampton at the Island next Monday.

J. D. Bailey, hon. president of the Elms, and a gentleman well posted in general lacrosse, says that on practice form, so far, the Tecumsehs should defeat the Torontos, and that both must improve to be fast enough for eastern company.

YORK DISTRICT GAMES.

The York District schedule was drawn up as follows:

Boils

It is often difficult to convince people their blood is impure, until dreadful carbuncles, abscesses, boils, scrofula or salt rheum, are painful proof of the fact. It is wisdom now, or whenever there is any indication of

Impure Blood

blood, to take Hood's Sarsaparilla, and prevent such eruptions and suffering.

"I had a dreadful carbuncle abscess, red, fiery, fierce and sore. The doctor attended me over seven weeks. When the abscess broke, the pains were terrible, and I thought I should not live through it. I heard and read so much about Hood's Sarsaparilla, that I decided to take it, and my husband, who was suffering with boils, took it also. It soon purified our built me up and restored my health so that, although the doctor said I would not be able to work hard, I have since done the work for 20 people. Hood's Sarsaparilla cured my husband of the boils, and we regard it a wonderful medicine." MRS. ANNA PETERSON, Latimer, Kansas.

CANADIANS PLAY BASEBALL.

Opening of the Championship Season—Maple Leafs Win at London.

London, Ont., May 16.—The Western League championship season opened here to-day under the most favorable auspices, the weather being ideal, and a large attendance present. The game was preceded by a band and street car procession to the grounds. Mayor Little pitched the first ball over the plate. Carney, an ex-London man, and Woods, an ex-Maple Leaf, were the pitchers' points for Guelph and London respectively. Both were hit hard and often, but the Leafs won by bunching the hits. In the fourth innings Plummer succeeded Woods, who had been hitting batters freely, and was also very wild. Plummer sent several Leafs to first on balls and was hit freely, failing to put a stop to the Leafs' run-getting. The fielding of both teams was fair. Following is the score:

T. C. S. v. E. M. WATSON'S XI.

The first match of the Trinity College School season was played in beautiful weather at Port Hope on Saturday. The school took the field and disposed of their opponents for the small total of 65, to which Watson contributed 29 and Goldsmith 14. For the school, DuMoulin and Harvey succeeded in putting on 48 for the first wicket by good cricket, and were supported by R. R. Macgregor, Robertson and Chadwick. Goldsmith proved deadly amongst the boys, and secured eight wickets for 35 runs, while H. S. Macgregor bowled well for the school and got six for 27. The result reflects credit on the coaching of Shelton, the school's professional, and it seems as if the school eleven would be fully up to the average of former years.

ON THE FOOTBALL FIELD.

Gore Vales Defeat the Champion Riversides at Exhibition Park.

Between two and three hundred enthusiastic lovers of Association football turned out at the Exhibition grounds to see the crack teams, Gore Vales and Riversides, play their scheduled league game. The Vales won the toss, and decided to shoot down the slope, giving the Riversides the uphill work for first half.

After the kick-off by Murray, the Vales soon got possession, and kept the game hovering around the Riversides' goal, keeping Hart busy, both with hands and feet, until by a lucky shot from Singer the ball went through. This brought the teams down to business, and after some extra hard play by the defence and forwards Gentle succeeded in planting the ball into Franks' hands, and before he could get rid of it they had him through, thus giving Riversides a goal. Shortly after this Murray, from a pass from Singer, made the second goal for the Vales, and at the end of half-time the score still stood 2 to 1 in the Vales' favor.

In the second half the Riversides, with the grounds in their favor, made rush after rush on the Vales' goal, but owing to the able defence were unable to score. About the middle of half-time Franks, in knocking out a shot of Brown's, unfortunately the ball hit one of the Vales' backs, and bounded through, making the score 2—2.

In the second part of the half both teams worked hard, but the Riversides' defence, including Craymer and Moth, could not cope with the combination of Singer and Johnstone, or the runs of Purvis and Turnbull, and it was after one of the latter that Purvis made a hot shot and scored the last and winning goal for the Voles.
