LINCOLN CITY BEAT LEICESTER FOSSE

And Now Lead Midland Section—Features of Saturday's Old Country Soccer.

London, Sept. 29.—A full schedule of soccer games was played in the four principal British leagues yesterday, several surprising results being recorded. The leaders in the Lancashire Section table—Liverpool—retained their unbeaten record and goal average by disposing of Preston North End by 2 to 0 away from home. The famous Blackburn Rovers beat Manchester United, 1 to 0, winning their first game in the competition this season. In the Midland Section Leicester Fosse received their first defeat, Lincoln City trouncing them by four clear goals, which allows their conquerors to occupy first position in the table. Bradford drew with Huddersfield Town, and are equal on points, but have an inferior goal average. A change is also made in the leadership of the London competition, Crystal Palace, who beat Fulham by the only goal scored, getting into first place, displacing the Arsenal, who could only draw with Bradford. Chelsea occupy second position by defeating West Ham United by 3 to 1. All the leading Scottish League teams earned full points, which leaves the positions at the top of the table unchanged from last week. Queen's Park and the Hearts received severe drubbings at the hands of Hibernians and Partick Thistle, respectively, the latter putting up the biggest win of the day by scoring nine goals to one. MAITLANDS HAD SLIGHT MARGIN ON THE DEFENCE

And Win From St. Catharines in Clean and Clever Game at Hanlan's.

Maitlands won the first home-and-home game Saturday from St. Catharines at Hanlan's by 5 to 2 before a crowd of nearly 2000. The play was clean and clever, and reminded you of some contests in the good old days at Rosedale or Jarvis street.

Both sides used splendid combination without resorting to illegal body checking. The teams were relatively about the same as when they met before, both having been strengthened since that time. St. Kitts imported from Montreal McCarthy, Farney, Doran and Walsh, and they were worth the money which was spent for them, said to have been $50 each and expenses. Without this quartet it would have been a Waterloo for the Athletics, but as it was there was more difference in the score than in the play, and next Saturday, when the return takes place at St. Catharines, where they look for a great crowd, there may be a different story. Maitlands won because they had a little margin in the defence.

Saturday's Amateur Baseball

Hamilton, Sept. 28.—Brantford eliminated Hamilton as contenders for the O. B. A. A. championship when they defeated the Beavers by a score of 6 to 2 before 7000 baseball fans in Victoria Park this afternoon. The game was a sudden-death fixture as a result of Brantford winning their protest against Beavers' victory last Saturday, and will bring the winners up against Kitchener next week.

Johnson pitched a splendid game, but at times was given ragged support. His under-hand shoots were effective in the pinches. Sullivan worked hard, but allowed eight hits.

The Toronto Arena Will Have Team This Year

Montreal, Sept. 29.—At a meeting of the National Hockey Association, held at the Windsor Hotel on Saturday afternoon, at which five clubs were represented, it was decided to suspend operations for another season. The suspension came from a motion of S. E. Lichtenhein of the Wanderers, and was seconded by George Kennedy of Canadiens. Torontos and Ontarios voted against the motion, and could see no cause for the suspension, while Ottawa, which club had the deciding vote, cast it for the motion, with the result that the N.H.A. will move out of the way for the National Hockey League, the new association formed a year ago, for another season. The suspension of operations by the National Hockey Association means that the Toronto Club will not be operated this season, as the owner does not hold a franchise in the new association. A year ago these players were leased to a Toronto Club run by the Arena Company of Toronto, and won the championship. This year the Arena will likely have a new team of its own.

Following the meeting of the N.H.A., an informal gathering of the members of the National Hockey League was held, and the plans for the season discussed. No definite action was taken, other than that a meeting was decided on, to be called within a couple of weeks. Frank Calder was re-elected president of the N. H. A., and the board of directors were all re-elected, and the sale of the Quebec Club franchise to Percy Quinn of Toronto was ratified.
