GOLFERS PLAY NEXT WEEK

Meet of the Royal Canadian Association on the Toronto Club Grounds.

Much interest is being taken amongst the golfers of Toronto and Canada generally regarding the meet of the Royal Canadian Golf Association, which takes place on the grounds of the Toronto Golf Club the week beginning September 27. The secretary, Mr. Gordon, expects to have at least thirty entries for the open event, probably as many as sixty for the open handicap. The open event should, on form indications, be among Smith, Kerr, Lyon, Pattison and Gillespie. The American team are expected to arrive in Toronto on Friday, and many of them will probably take part in the open handicap.

Owing to the limited accommodation at the Golf Club and the number of men who will be residing there, the House Committee have to publish an intimation that they cannot serve lunch or dinner to ladies or private parties. The clubhouse and grounds are, of course, open to members of the clubs of the Royal Canadian Golf Association or to any of the general public who have taken an interest in the game.

Afternoon tea will be served on the verandah up to 5 o'clock, and it is hoped that the ladies of the Toronto clubs will be present in full strength.

Varsity Fall Tournament.

The most successful season tennis has ever known in Toronto will be brought to a close with the annual fall tournament of the University of Toronto Lawn Tennis Club, which takes place Saturday, Oct. 1, and following days. The tournament is being brought off later this year in order to allow students residing out of town to take part, and the University undergraduate championship event promises to be of unusual interest this year. Many players out of town have signified their intention to enter the open events, and valuable prizes will be given in each event. With the exception of the undergraduate championship, all the events will be open, and, as in previous years, Varsity's fall tournament will be one of the most important events of the tennis season. Events will be: Open singles, handicap singles, doubles, undergraduate University championship. Entries must be in the hands of the secretary-treasurer, Charles E. Treble, 443 Jarvis-street, not later than 6 p.m., Friday, Sept. 30. Play will commence at 9.30 a.m. Saturday, Oct. 1.

ROUND THE PADDED RING.

Gossip of the Boxers — Wonderful Record of George Kerwin, the Chicago Mystery.

George Kerwin, the Chicago Mystery, has one of the most remarkable records in the ristic arena to-day. He has no less than 17 knockouts to his credit, and has only been beaten twice during his ring career, both, his friends claim, on the veriest flukes. One was by Chappie Jones, whom he defeated twice afterwards.

He is under the management of Harry Gilmore, and was born Nov. 15, 1876.

His record: Stopped Jack Sheedy, 3 rounds; knocked out Hennessy, 6 rounds; knocked out Sheedy, 2 rounds; decision, Henry Lyons, 7 rounds; knocked out Hennessy, 3 rounds; decision, Joe Mathews, 4 rounds; decision, Al McCormick, 4 rounds; knocked out Hennessy, 1 round; knocked out Jack Moffitt, 4 rounds; decision, Otto Seibold, 4 rounds; decision, E. Ruhlin Beat Dunkhorst.

New York, Sept. 19.—Gus Ruhlin, the Akron Giant, met Eddie Dunkhorst of Syracuse for a 25-round bout at catch-weights, before the Greater New York Athletic Club to-night, and out-fought and outpointed the Syracuse boxer for 22 rounds, but was unable to knock him out. The referee stopped the bout in the 22nd round and awarded the fight to Ruhlin. Dunkhorst was hog fat and weighed about 230 pounds. Ruhlin gave him weight as 195. Dunkhorst was simply an animated punching bag, and took enough punishment to settle half a dozen boxers. At the outset no one thought that the bout would last 10 rounds, and the power of endurance exhibited by the Syracuse pugilist surprised Ruhlin equally as much as it did the spectators. The preliminary bout of 12 rounds at 140 pounds between Tommy Ryan of Philadelphia and Billy Payne of Baltimore, looked as if it would go the limit, but early in the 12th round Payne fell backwards from a combination of a left-hand jab and a shove, striking his head violently against the floor of the ring, and he was unable to get up within the prescribed 10 seconds.

Pugilistic Gossip.

There is a letter at this office for Teddy Chandler, the local lightweight boxer.

S. L. Trevor, a Boston heavyweight, is in the city, anxious to get on a match with anyone. He scales at 170 lbs., and has met and defeated many good men in his day.

George Kerwin, the Chicago mystery, will arrive to-morrow from Chicago in company with Prof. Martin. Harry Gilmore cannot leave his big gymnasium class until Friday. The party will stay at Ed Hyland's place, corner of Queen and Cameron-street.

Prof. Halfpenny has commenced his autumn boxing classes in Forum Hall with a goodly list of athletic young men anxious to learn all about the manly art. The professor's instruction is scientific and up-to-date and pupils under his care always come out on top.

George Kerwin is putting in some hard licks at Harry Gilmore's place training for his 15-round contest with Jerome Quigley, which is scheduled to take place Saturday night under the auspices of the Crescent Athletic Club of Toronto. The mystery of the local boxing game is putting in his hardest work doing road work.

There is a hitch in the arrangement between Corbett and McCoy, the latter insisting that the fight can be pulled off in Buffalo, while Corbett wants to arrange for another place.

Chicago Wants to Challenge.

Chicago, Sept. 19.—It is confidently expected by Chicago yachtsmen that a challenge for the International Cup, won from the Chicago sloop Vencedore at Toledo in 1896 by the Canadian sloop Canada, will issue from the Chicago Yacht Club this fall. Plans are now being discussed among the leading members of the club, which will doubtless end in a syndicate being formed to build and manage the yacht, and this syndicate will in all probability be headed by Commodore F. W. Morgan. The idea of a challenge originated with Commodore Morgan. He is said to be warmly in favor of the syndicate plan, which will do away with one-man management and will make the challenging yacht represent the club.

Before the Breeze.

The first class of the R.C.Y.C., the yachts Merrythought, Vreda, Vivia and Canada, got back yesterday morning after a cruise up the lake. They left Saturday.

The yacht Vedette, which has been seldom seen around Toronto of late, came down to the Royal Canadian Yacht Club moorings yesterday. She has been up to Hamilton all summer.

The Danish yacht Duen sailed from the R.C.Y.C. anchorage for Chicago yesterday. She will winter there. Her owner, Countess Schimmelmann, leaves the city to-day, and will rejoin her vessel at Port Dalhousie.

Ingersoll Rugby Club.

Ingersoll, Sept. 19.—A very enthusiastic meeting was held to-night to reorganize the Rugby Football Club. A large number of the old players were present, and with these as a nucleus an da number of the promising new men who have promised to turn out, the prospects for a strong team are very bright. Games will be arranged with London, St. Thomas, Simcoe and Woodstock. The following officers were elected: Hon. President, T Gibson, B.A.; Hon. Vice-President, W D Hook; President, Charles N. Harris; Vice-President, Chief Crawford; Secretary-Treasurer, J E Gayfer; Captain, L Norman, B.A.; Manager, J H Martin.

Rugby Gossip.

D'Arcy McGee has not yet been out since his accident.

Osgoode's second team will be a strong one this year.

Gordie Crawford was out with the oarsmen yesterday.

Norrie King of last season's T.A.C. is out with the oarsmen.

Fred Angus should be a candidate for the Argonauts' first fifteen.

McWilliams was out for the first time yesterday with Osgoode Hall.

Chadwick and Charlie Mills are two good juniors out with the Argonauts.

Harry Love was out for the first time this year with the Argos yesterday.

Varsity is fast getting its new athletic grounds in good shape for the season.

Harry Kingstone and Charlie Flood will be missed by Osgoode Hall on the line.

Billy Wadsworth is showing up well this season, being considerably larger than last year.

Owing to the fall rowing the Argonauts should be in condition sooner than any of the other clubs.

Joe Wright made his first appearance of the season on the Rugby field yesterday with the Argonauts.

Jack Strathy of Osgoode is playing in better form this year than last, and is also punting stronger.

The Argonauts will practice every afternoon at 5 o'clock, and Monday and Wednesday mornings at 6.30.

Osgoode have found a valuable addition to their team in Denison, who played with Upper Canada last season.

Osgoode's practices are Mondays, Wednesdays and Fridays, although a number of the men practice every day.

Varsity's practices are getting better daily. It looks as if they will have a good team for Oct. 1 against Hamilton.

Osgoode play the Hamilton Tigers at Hamilton on Saturday afternoon, and a large crowd will likely go up to see the match.

The Young Torontos practice daily at Rosedale, and when the season opens they should have a good fifteen in the junior series.

The Argonauts had a large turnout yesterday on the grounds at the foot of Yonge-street, there being two full fifteens chasing the pigskin.

The legal trio in the scrimmage are working together this year better than last, if that be possible. They should prove a hard proposition.

Captain Thrift Burnside should make a good half for Varsity this season, as he did well in the inter-year games at that position last fall.

Whatever club gets Blackwood for quarter will have a crackerjack. He is yet undecided whether he will play with Varsity or the Argonauts.

Rugby has taken a great boom among the Argonauts. Many members who do not come to play attend the practices to watch the progress of their team.

Welcome news was received by the members of the Osgoode Hall Rugby team yesterday when word arrived that Morgan Jellett was about to be moved back to Toronto from Windsor by the bank and would play with the team again.

PARKDALE'S CRICKET SEASON

A. G. Chambers Leads With the Bat and C. Lightfoot With the Ball.

The Team Opened and Closed With a Victory—Out of Twenty-Seven Games Played Fifteen Were Won, Nine Lost and Three Drawn.

Saturday last saw the end of a very pleasant season for the Parkdale Club. There have been seasons when more matches have been won against the leading clubs, but the absence from the eleven of such good players as W. E. Dean, F. S. Chambers, F. Stirling and A. P. Reed for most of the summer made quite a difference to the batting and bowling strength of the club. Notwithstanding the serious loss thus caused, the club has done fairly well, and the Executive, in order to give all members frequent opportunities for enjoying their favorite game, on many occasions played two matches the same day. Mr. A. G. Chambers, who did honor to his club by playing so well in New York, Philadelphia and against Mr. Warner's eleven, heads the batting averages. Whilst his average for a batsman of his calibre is not very high, Mr. Chambers played very consistently all season, very seldom failing to score and always playing attractive cricket. Mr. C. Lightfoot, one of the club's promising youngsters, leads in the bowling department with the good record of 45 wickets for 271 runs, an average of only 6.02 per wicket. Next season he will doubtless do still better, as for three years he did not play at all. The following is a summary of the games played, also the batting and bowling averages of the members:

Who Gets the Pennant?

St. Thomas, Sept. 19.—Manager Pears today received a despatch from President Nick Young, Washington, D.C., saying that the last two games played in Hamilton between London and the above mentioned place on Saturday would not be allowed to count in the Canadian League race, as they were illegal, that a game cannot be called before it is finished and another one started. This leaves it 'mighty close' for the Hamiltons to win first place, and the pennant flag now floats over Atlantic Park.

Baseball Brevities.

A novel game was played on the Model School grounds yesterday, when five men defeated a nine by 25 runs to 12.

The Pastime Baseball Club intend forming a junior Rugby football team, and a large crowd was in attendance. Weather fine; track fast. Summary:

Horses Arrive Evey Day.

The seven days at the Woodbine, beginning next Saturday, promise to be full of excellent and varied racing. The program is thoroughly up-to-date, one which pleases the horsemen and brings out the largest fields. The officials are of such great standing and efficiency that not the slightest hitch is likely to occur. With Mr. Joseph J. Burke in the judge's stand, Mr. C. H. Pettingill handling the flag, and Mr. J. W. Russwurm clerk of the scales, the operations could not possibly be in better hands.

The track is in splendid condition, and many of the horses coming from Fort Erie will arrive in advance to take advantage of the soft going.

Special street cars for members will leave the Queen's Hotel at 1.30 p.m. on the two Saturdays of the meeting. Members are reminded that boxes are allotted in order of application. Privileged badges can be obtained by members of the Jockey Club, and friends of members of the Hunt Club, by applying to the race secretary, Mr. Stewart Houston, 18 Toronto-street, Toronto.

The very strong stable of Waters & Hodge arrived at the Woodbine on Saturday, with Cogmoosic, one of the fastest horses of the season; Leoncie, Negoncie, Minch and Chisel. Other recent arrivals are J. Gardner with Sallust and Alarm; G. Newman with Ergo and Locksley. The Dyment's fine stable will be here this morning.

Maurice Donovan arrived at the Woodbine yesterday with the Hendrie string of jumpers.

Rothert & Gorman came in with their string of thoroughbreds yesterday.

Martimas for England.

The Dwyers, who control Gravesend race track at Coney Island, New York, tried very hard to induce Mr. Hendrie to start his great colt Martimas last Saturday. But Mr. Hendrie is still so incensed over his treatment by the shoddy judges at Sheepshead that he scratched the colt. However, Martimas may start next Saturday, as the Dwyers say Mr. Hendrie will receive protection and fair play at their track. Martimas may just possibly go to England, where they don't disqualify sportsmen in the interests of the books, and carry the chocolate and yellow for his owner.—Hamilton Herald.

25 WOMEN ON STRIKE.

Female Operators in the Freyseng & Co. Factory Go Out on Strike—Reasons Therefor.

For the past week the firm of P. Freyseng & Co., cork manufacturers, Queen-street east, have been working with their female employes on the outside of the fence. The officials, it is stated, have made no strenuous efforts to bring them back again, although several have returned of their own accord. The breach took place last Tuesday, when the women employes, numbering 19, picked up their chattels and left. Some of them were quite dilatory, however, but on being persuaded that they would force the firm to beend they followed the leaders. The cause is attributed to the engaging as overseer or forelady of Mrs. Joseph Phillips, who was brought from Montreal. The girls looked upon the action as something uncalled for, and the same minute the new boss arrived the injured employes walked out. On the other hand, it is claimed by the firm that Mrs. Phillips was not enlisted for the purpose of bossing, but only as an employe.

When The World enquired of the heads of the firm for facts regarding the strike they emphatically denied that any breach had ever happened among the working women, but when the women are approached on the subject they tell a different story. Up to last evening eight of the girls had gone back, and it is a question of only a short time before they will all have returned, the firm say.

The French Shore Commission.

St. John's, Nfld., Sept. 19.—The British Royal Commission to inquire into the French shore question started to-day for a cruise along the treaty coast. The Colonial Government has scored a signal victory by inducing the commissioners to accept the co-operation of the colony's representative, Receiver-General Morine. The commission did not wish to have colonial officers accompany them, but the Colonial Ministry insisted that their representative should go in order that the settlers' case should be fairly presented.
