BRANTFORD'S AMATEUR PLAYERS.

Athletic Union Will Not Object to Them Playing for Minto Cup.

Montreal, May 27.—The question of whether Shamrocks and Brantford will meet for the Minto Cup is pretty well settled. They will. W. George Ayling, president of the C.A.A.U., said this morning that no complaint had been made against Brantford club officially, and until there was the union would take no action towards professionalizing them. Unless some one made a definite charge, nothing will be done, and there will be nothing to prevent the Shamrocks meeting them.

Senior C.L.A. Opening.

The Tecumsehs yesterday secured Donaldson from Ottawa for their first home. He came to town yesterday afternoon and will figure in the game with the Chippewas this afternoon at the Island. The latter have Hamburg in town ready for the first defence position and with that, the only weak spot in their line-up so well filled, the game should be one of the fastest and hardest seen here in years. They have a faster home than the Indians, and with their defence as now made up, are about as strong a team as there is in the series. Pitcher was highly commended on his Brantford showing and Jeffrey is 50 per cent. better right now than he ever was before.

President T. C. Robinette, K.C., of the Chippewas, will face the ball at 3.30. The teams will be:

Chippewas: Goal, Camplin; point, Pitcher; cover, Griffith; first defence, Hamburg; second defence, Jeffrey; third defence, Selby; centre, Billy Kelly; third home, Frank Moran or Ross; second home, Tom O'Connor; first home, Dolly Durkin; outside home, Adamson; inside home, Micky O'Conlor.

Tecumsehs: Goal, Jarvis; point, Hanley; cover, Kearns; first defence, Shore; second defence, Lambe; third defence, Kirkwood; centre, Murray; third home, Querrie; second home, Menary; first home, Donaldson; outside home, Yeoman or Rountree; inside home, Henry.

Referee—F. C. Waghorne.

LIGHT BRIGADE, LONG ODDS, WON PURSE IN RECORD TIME

Dalliance Captured Steeplechase —Four Favorites in Front on Friday.

Favorites had their best day on Friday at the races, four finishing in front. Wm. Hendrie and his friends made a Light Brigade charge at long odds on the ring, and landed the opening event. Time 1.05½, beating Okla's mark by half a second. Termagant and Bath Beach were short choices, with invasion almost as short, and all well played. The Hamilton contingent pounded the ring some, getting as good as 10 and 12 to 1. M. J. Daly made a fancy offer for Light Brigade when a 3-year-old, and arrived at Woodbine just in time to get down a nice bet.

Muozon, Irish Witch, Loupanga and Dalliance, favorites, then won their races in a row, all by a length or more.

The victory of Dalliance in the steeplechase gives the Prince of Wales Cup to Major Forester for keeps, as the same hunter won a year ago. Pillardist threw his rider and The Baille fell at the stone wall, McCann getting a bad shaking up. Pemberton remounted and captured the show money.

Holmes rode a better race than was anticipated and Rough Rider, second choice, was an easy winner of the closing event, with Dr. Stucky second, without effort. Justice, St. Sever, Too Many and Fanny Blazes made a blanket finish for third. Wade, on the last named, was warned for crowding, rounding into the stretch.

Owners, like the jockeys, divided the half dozen events, no one taking more than one race. Seven are on the card for to-day, and a fine afternoon's amusement is assured.

Games to-day: Providence at Toronto, Baltimore at Montreal, Jersey City at Buffalo, Newark at Rochester.

Toronto 10, Providence 0.

Toronto turned the tables on Providence in the second game. "Doc" Amole, the Buffalo veteran, was sent in to deliver the goods, which he did to the satisfaction of the Toronto batters. "Doc" had difficulty in locating the plate, and when he did get them over, they were walloped in good style. The ineffectiveness of their pitcher made the Providence bunch lose heart, and they could do nothing with "Jimmy" Gardner, who was on the rubber for Toronto. Gardner issued one pass and allowed but two hits. He had everything on the calendar and used it to good effect. Beville was robbed of a hit in the first by a very curious accident. With two out he lapped a Lard grounder past Gardner, which looked good for a base. But the ball struck the second bag and carooned into Vrioch's hands, and the catcher was thrown out at first. In the fifth, with one out, Daly made a single, but was left on first. Rock made a scorching single in the eighth but Aubrey struck out and Amole died at first.

Toronto scored in the first on a base on balls and Murray's three-bagger.

In the second, "Doc" Amole's balloon went up and he did not land on terra firma until twelve men had faced him for a total of seven runs. He passed Lynch and misplayed Gardner's bunt. Carr bunted and Amole fell all over himself to field it, and the bases were full. Rapp singled, scoring Lynch. Amole passed Weidensaul and forced Gardner in. Then Beville, in an attempt to catch Rapp off second, threw the ball to centre field. Carr tallied. Harley was given a pass. White's smashing grounder got away from Connor and Rapp and Wiedensaul scored. Murray put up a high infield fly, which was taken care of by Beville. Fuller's hit scored Harley and White. Lynch forced Fuller at second. Gardner singled and Carr struck out to end the agony.

Toronto scored again in the fourth. White singled, Murray was hit and Fuller scored White with a neat hit. On Carr's long fly to Armbanster Fuller tallied. Rapp made the third out. This ended the scoring.

Umpire Kelly was ragged on balls and strikes and made a bad mistake in calling Wagner out in the fourth. Lynch did not touch the man or the base. This brought forth a series of kicks from the visitors and finally Conn was ejected from the grounds. Vinu, who took his place, made several sensational catches in centre field. He was loudly applauded by the spectators for his work. Gardner did the hat trick in the fourth, retiring the side on strikes.
