ONLY 16 RECRUITS IN WEEK-END LIST AT LOCAL ARMORIES

All But One of These Come From Over Border.

Week-end recruiting at the local mobilization centre was much slower than it has been for some time. Only nine recruits were accepted Saturday. Seven were sent from Detroit by the British-Canadian Recruiting Mission on Sunday.

Three of the men accepted Saturday were boarded at London, the other six being boarded at Detroit; two of those boarded locally came from Cleveland. Three of Sunday's recruits came from Detroit, two from Saginaw, one from Grand Rapids, and one from Flint.

All except two of the week-end recruits were placed in Category A. 2. The others were placed in Category B. 2.

The following is the list of recruits accepted Saturday and Sunday: G. R. Smith, W. O. R., Cleveland; L. R. Heppenstall, C. E., Cleveland; F. Kasnio, C. E., Detroit; A. MacPherson, C. E., Detroit; Thomas Smith, W. O. R., Detroit; C. J. Caldwell, W. O. R., Detroit; J. P. Allison, W. O. R., Detroit; George Sneath, W. O. R., Detroit; G. S. Borer, W. O. R., Detroit; R. K. Jackson, W. O. R., Detroit; H. MacMartin, W. O. R., Detroit; F. W. Edwards, W. O. R., Saginaw; W. E. Chapman, W. O. R., Detroit; Harry Frank, W. O. R., Grand Rapids; Ordell Fall, C. E., Flint.

TOO NERVOUS TO SLEEP

Nerves Wrecked by Accident —Was Afraid to Go in a Crowd or to Stay Alone —Tells of His Cure.

Much sympathy was felt in this city for Mr. Dorsey, who met with a distressing accident when his foot was smashed in an elevator.

The shock to the nervous system was so great that Mr. Dorsey was in a pitiable condition for a long time. He was like a child in that he required his mother's care nearly all the time. He feared a crowd, could not stay alone, and could not sleep because of the weakened and excited condition of his nerves.

Detroit doctors did what they could for him, but he could not get back his strength and vigor until he fortunately heard of Dr. Chase's Nerve Food.

It is no mere accident that Dr. Chase's Nerve Food proves to be exactly what is needed in so many cases of exhausted nerves. It is composed of the ingredients which nature requires to form new blood and create new nerve force. For this reason it cannot fail, and for this reason it succeeds when ordinary medicines fail.

Mr. Laurence E. Dorsay, 39 Stanley street, London, Ont., writes: "About three years ago I got my foot smashed in an elevator in Detroit, which completely wrecked my nerves. I doctored with the doctors there, but they did not seem to be able to help me. My nerves were in such a state that I could not go down town alone or go any place where there was a crowd. Sometimes my mother would have to sit and watch over me at night, and sometimes I could not get any sleep at all. But one day last winter I commenced using Dr. Chase's Nerve Food, and before I had competely used the first box I could see a difference in my condition. I continued using these pills for some time. The result was splendid. I feel so much better, can sleep well at night, can go out in the street, and attend gatherings like the rest of people. I am so pleased to be able to tell you what Dr. Chase's Nerve Food has done for me, and to recommend it to other people."

Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 6 boxes for $2.75, at all dealers or Edmanson, Bates & Co., Limited, Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

EPILEPSY

I KNOW SOMETHING ABOUT EPILEPSY. It is not wise to take large doses of bromide, as it upsets digestion, impairs the hearing and creates a drug habit that is permanent. Epilepsy is sometimes caused by a poisoned condition of the blood, loss of sleep, anger and an excited condition of the nervous system. The most rational treatment is a medicine that will sooth and quiet the nerves, purify the blood of poisonous substances and build up the whole bodily organization. It takes time, perseverance and faith in order to attain beneficial results. If you are taking large doses of bromide, switch of gradually to a medicine that will build you up instead of pulling you down. Hacking's Heart and Nerve Remedy is admirable for this purpose. Price, 50c a box, 6 boxes for $2.50, at your dealers, or by mail, postage paid. C. B. Hacking, Phm.B., Listowel. F16,18

FARMERS SHOULD HAVE MORE SAY IN BIG AFFAIRS

No Voice at Present in Directing Country's Policies.

ARE URGED TO PRODUCE

Co-operation Will Solve Many Difficulties, Declares District Speaker.

Over one hundred farmers of this district attended the meeting of the Middlesex Milk Producers held in the county buildings Saturday afternoon.

Owing to the delay of train service H. A. Halbert, president of the United Farmers' Association, who was to address the meeting, was unable to be present.

J. Miller, of the labor employment department, gave a short speech to the farmers on the labor situation. He said at times France had only three days' food supply ahead, and this was very serious. Italy depends on France for its food supplies, France depends on Great Britain, and Britain depends on Canada. "Canada must produce all that she possibly can."

Short of Help.

Mr. Miller told that many British-born and Canadian-born farmers have answered the call to the colors, leaving the farmers short of help. He also told of the successful work done by the collegiate boys last year, and thanked the farmers for the good treatment they gave the boys, as only one or two boys who went on the farms had any complaint to make when they came oack in the fall.

A. Beattie, president of the Middlesex Milk Producers, was the chairman, and gave a short address at the opening of the meeting.

W. E. Grieves of Wilton Grove stated "Many people have found out the value of food production since the beginning of the war, and that it was the farmers' fault that they have not a stronger stand in Canada than they have at the present time." He also spoke in favor of the United Farmers' Association, and thanked the farmers for turning out to this meeting, and was very glad to see so many interested in this work.

Mr. Heath gave a short address and told the farmers that he was in sympathy of the United Farmers' Association, and thought it would be the best thing for the farmers to join this organization.

Got Good Results.

J. W. Laidlaw told of how the farmers in Alberta by joining together were successful in getting a guarantee from the manufacturers of implements stating that if the machine did not keep ing food condition that they would repair it for ten years. He said that in this country you buy a machine and perhaps use it for two or three years and then have to throw it away and buy a new one.

Mr. Laidlaw stated "something simllar should be done for the farmers of Ontario." He also told that the seed situation was very serious at the present time, and that the farmers have a difficulty in securing seed for the coming season.

Favors Organization.

W. S. Laidlaw was the next speaker, and remarked: "I am in favor of the farmers organizing and it would have been better for them if they had organized years ago." He also added: "People say that the backbone of Canada is the farmers, and if the farmers are the backbone, then they should have a little more to say in the affairs of the country."

The Middlesex milk producers will have another meeting shortly and have H. A. Halbert presen to tell them of the work of the United Farmers' Association.

ARBITRATION ONLY SETTLEMENT WHICH CAN BE EFFECTED

Jail Costs Dispute Ends in Another Deadlock.

The city and county will arbitrate on the cost of maintaining the court house and jail. The question will have to stand over until after the June session of the county council, when arbitrators will be named by the Middlesex Council, there being no session until then.

Neither the city nor county representatives would reduce their terms at a joint meeting held on Saturday, so a deadlock resulted. This is the second time a deadlock has happened, and no further efforts will be made to get together on an amicable arrangement.

The county wants the city to pay 65 per cent of the overhead expenses, and the same percentage of the cost of repairs. The city wants a 50-50 arrangement for both, and an arrangement to pay on the actual cost of maintaining prisoners on the proportionate number of prisoners sent by each municipality.

"We could come to no arrangement, so the matter will go to arbitration," said Controller C. H. Merryfield.

STILL ON STRIKE

St. Andrew's Church Organ Remains Quiet for Another Sunday.

The organ of St. Andrew's Presbyterian Church was still on strike on Sunday, owing to inability to have the bellows repaired during the week. The unaccompanied singing, however, of choir, a quartet, and the congregation, proved most pleasing.

The congregation, nevertheless, was obliged to watch closely its cues, where it has formerly been dependent upon the organ to announce time to stand up for the National Anthem after a prayer or something of the kind. It was necessary to keep a close eye on the choir and an ear open for the tap-tap of the organist's baton.

SNUFFS OUT A COLD IN A FEW MOMENTS

Clears the Nostrils, Stops Sneezing, Heals the Throat Quickly.

Catarrhozone Works Wonders

Lots of people used to let their colds "work off" — they suffered a whole lot, sneezed around the house, till the whole family finally caught the infection.

Nowadays colds are cured by Catarrhozone before they really get a good start. This heating vapor, full of pure essences, gives instant relief. It fills the breathing organs with a healing, soothing vapor that relieves irritation at once. Ordinary colds are cured in ten minutes. Absolutely sure for Catarrh, and in throat trouble it works like a charm. Catarrhozone is a permanent cure for bronchitis and throat trouble. Not an experiment—but a cure that's guaranteed. Get "Catarrhozone" today, and beware of substitutes. The dollar outfit is guaranteed, and small size 50 cents; trial size 25 cents; at all dealers. J. 7, 28.

Big Special Production at the Majestic Theatre Tuesday.

MAJESTIC

Bernard Seigel, who enjoys a wide reputation as a character actor in screens, has an important part in "A Woman Between Friends," the Greater Vitagraph Blue Ribbon Feature, which will be seen in the Majestic Theatre on Tuesday, matinee only. Alice Joyce has the stellar role, and is supported by Marc MacDermott, Robert Walker, Florence McCafferty, and Edith Speare.

PATRIOTIC FUND DECISION IS TO BE MADE NEXT WEEK

Meeting Called To Complete Arrangements For a Big Union Campaign.

A meeting will be called next week of all interested in the Red Cross and Patriotic Fund campaign, to be held the end of this month, to make definite arrangements. A decision will also be made at this meeting in regard to the proposal to include in this subscription canvass a canvass for allied objects, such as the British, French and Italian Red Cross funds, Y. M. C. A. overseas work, etc.

Lieut.-Col. W. M. Gartshore, president of the London Patriotic Fund Association, said today: "At our last meeting it was not possible to reach a decision for the reason that the idea of lumping all campaigns in one was a new idea. People require time to think these things over. Personally I am in favor of holding one big campaign instead of three or four during the year. It would mean a saving of both time and machinery."

To Cure a Cold in One Day.

Take LAXATIVE BROMO QUININE (Tablets). It stops the Cough and Headache and works off the Cold. E. W. GROVE'S signature on each box. 30c. tf z

HUNDRED VETERANS ARRIVE IN CITY ON MIDNIGHT EXPRESS

Many of the Heroes Are From Points in District.

Wounded and invalided veterans, 105 in number, and belonging to various points throughout Western Ontario, arrived in London shortly after 11:30 Sunday night via C. P. R.

The men were members of the party of two thousand or more returned men who arrived at New York on February 9, being taken aboardship from there to Halifax. Owing to the unsatisfactory transportation conditions, their trains were delayed at various points after they left Halifax, and until late Sunday afternoon it was not known when they would arrive here. Their train, due in at 10:20 did not arrive until an hour and a quarter later.

Owing to the short notice given before their arrival, partly due to the fact that by the new method they are now sent through directly from Halifax, instead of to the clearing depot at Quebec, no motor cars were available to take them to the clearing depot at the Princess avenue barracks here.

Looked After Baggage.

An ambulance and a couple of motors were on hand to handle any who might be unable to walk, and a large truck to take their kitbags and other luggage.

Most of them, however, were so glad to be back in London that they did not wait for any trucks, but with kitbags slung over their shoulders started off down Richmond street to the accompaniment of such cheers as "Hurrah for good old London!"

On arrival at the clearing depot they were put to bed and today they will be "boarded" by the medical men, and those who are able given passes to go home for a short visit with relatives. The party was in charge of Capt. Ceo of Winnipeg.

Those In Party.

The following arrived last night: Ptes. C. Brooks, J. Boyes, Driver F. Brebyn, Ptes. G. K. Burns, M. Campbell, F. W. Clark, E. A. Colley, L. Farmer, R. Henderson, E. D. W. Hutt, J. Kornowski, Sergt. P. J Lavender, Ptes. F. L. McCormick, S. Aldridge, Corp. G. H. Baines, Ptes. J. Barlow, R. Barnett, W. Bartlett, W. J. Batchelor, Spr. J. Bedley, Ptes. G. Bell, Ptes. W. H. Brownscomb, W. T. Britton, J. Cross, J. Dempsey, Gunner A. DeWelde, Pte. F. Dixon, Driver H. A. Dobson, Corp. C. C. Duncan, Pte. R. C. Edwards, Lance-Corp. M. Edwards, Ptes. A. Ellwood, H. F. Fitch, Driver G. H. RECRUITS FOR FLIERS MUST HEREAFTER JOIN SOME DEPOT BATTALION

Montreal, Feb. 18.—Major-Gen. E. [illegible] Wilson has received word from Ottawa that an order has been issued by the military authorities there that in future all men who wish to join the Royal Flying Corps must do so through the regular military channels, first joining one or other of the depot battalions now being organized here under the military service act. They can be transferred from there to the Royal Flying Corps for training.

POSTOFFICE NEEDED IN EAST END, DECLARES ALD. CHAS. MOOREHEAD

Will Ask Council to Take the Question Up.

Ald. C. G. Moorhead will urge the council tonight to take up the question of a postoffice in East London without delay. The citizens and businessmen of that district have been put to a great deal of inconvenience during the past year owing to the failure of the council and others interested, in their failure to solve the problem.

"Conditions are very bad," he said. "In many instances people have kindly loaned their automobiles to convey parcels for overseas to the downtown postoffice. If the boys in France did not get these parcels, they would feel very badly. I would suggest that the member for London and the member for East Middlesex get together at once, get in touch with the proper authorities, and settle this trouble. It can be settled, and that very soon."

Isn't This True?

When you "feel mean" — dull, tired, nervous, bad digestion, no appetite—

Don't you find out, afterwards, that your bowels were *not* acting treely and naturally?

Due, of course, to a liver gone on a strike.

Take two or three pills—once. After that, only one, until your're all right.

CARTER'S LITTLE LIVER PILLS

Genuine bears Signature Brent Good

Colorless faces often show the absence of Iron in the blood.

CARTER'S IRON PILLS will help this condition.

CHANGES IN OFFICERS

Lieut. Harold A. Fraser of the 64th Depot Battery of Canadian Field Artillery has been transferred to the 63rd Battery at Carling Heights Camp, camp orders state.

Other military changes mentioned are: Capt. Arnold Monroe Dillon is struck off the strength, having become surplus in rank to establishment.

Lieut. W. S. Downham, A. M. C., ceases to be employed at the medical board, mobilization centre, and is struck off the strength.

Major Donald Campbell Morton, 1st Depot Battalion, W. O. R., is struck off the strength, services no longer required.

Nyal Quality Stores

AT ONCE! STOPS STOMACH MISERY AND INDIGESTION

"Pape's Diapepsin" makes sick, sour, gassy stomachs feel fine.

Do some foods you eat hit back—taste good, but work badly; ferment into acids and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic, jot this down: Pape's Diapepsin helps neutralize the excessive acids in the stomach so your food won't sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is upset you usually get happy relief in five minutes, but what pleases you most is that it helps to regulate your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. "Pape's Diapepsin" is positive in neutralizing the acidity, so the misery won't come back very quickly.

You feel different as soon as "Pape's Diapepsin" comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made, by getting a large 50-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder due to acid fermentation.

SHOULD MAKE A MILLION FOR HIM

Cincinnati man discovers drug that loosens corns so they lift out.

Local druggists are having a tremendous call for freezone, the drug which is said to shrivel a corn, root and all, without any pain.

A few drops applied directly upon a tender, aching corn relieves the soreness at once, and shortly the entire corn, root and all, lifts right out with the fingers.

This new drug is being dispensed at small cost in quarter ounce bottles, which is sufficient to take off every hard or soft corn from one's feet. It is a sticky substance, which dries at once, and does not inflame or even irritate the surrounding tissue or skin. There is no excuse for anyone inviting death by infection or lockjaw from cutting their corns now.

HELPING OUR BOYS BY AIDING ITALIAN RED CROSS FUNDS

Stirring Appeal Made by Headquarters Staff Officer.

How it is possible to transform free, liberty-loving Canadians into soldiers that are the equal of any engaged in the present war, was told to a large audience in the Majestic Theatre on Sunday evening by Capt. J. N. Cantin of the district headquarters staff.

Capt. Cantin said that while everyone had heard of the wonderful way that the boys had upheld their end of the work at the front, few stopped to think of the reasons that made this ability and efficiency possible.

It was possible because the men who answered the call came forward fully conscious of what it all meant. They had good-will, and because of that good-will it was possible to transform them in such short time into soldiers who had accomplished such wonderful work.

Tracing the steps taken by the man from the moment he offers his services until he receives his number at the orderly room of his unit, the speaker scaid that from then on he became not an individual, but one of many.

His training then taught him discipline, a quality which so strengthened his will that he was able to subordinate his own mind to that of his commander. If a man was not disciplined he failed at the critical moment, and sacrificed the lives of his commanders, his comrades and himself.

Physical training made him fit for the strenuous work of the front line, and drill taught him to execute orders promptly, and helped the body to obey the wishes of the mind.

In addition to the wonderful development both physically and mentally that took place in the men under training, they developed a spirit of comradeship that produced wonderful results, making each man feel responsible for the safety and success of the men with whom he associated.

Men from every walk of life, and representing every calling, had passed through the training schools of this district, and that the value of their service was already recognized was shown by the decorations that had been made to Londoners, Rev. Capt. Appleyard, the two Carling boys, Major Gildley and Ronald Gray being among the many who had brought honor to the city by showing that they were capable of doing a man's work after a little training received here.

After paying a tribute to the Daughters of the Empire for the work they had accomplished in London, the speaker made a stirring plea for contributions for the Italian Red Cross.

"The Italians are fighting our fight, and our own too are there," he declared. "Only yesterday we read the news of the death of Flight-Lieut. McLean of this city in Italy, and in helping the Italian Red Cross you are helping our own men too."

Miss Elfa Mitchener, soprano, and Master Douglas Westman, boy soprano, delighted the audience with solos, and the Marconi Club Band, under Professor Venuta, rendered excellent selections during the evening. The band was assisted by a number of juvenile players, including Arthur Pook, a 9-year-old lad, who played the clarionet, his 11-year-old sister, who played the cornet, the two Crisci brothers, 11 years of age, and Rose Furanna, who played the piano. Excellent war pictures were shown during the evening.

The concert, which was the last to be held this season, was under the auspices of the Overseas Chapter, I. O. D. E. Major T. J. Murphy was a capable chairman.

NOT NOTIFIED OF SOLDIERS' ARRIVAL, SAYS AID SECRETARY

Explains Absence of Any Reception for Men Coming in Sunday Night.

In explanation of the lack of any reception to the 105 invalided and returned soldiers who arrived in London shortly before midnight on Sunday night, Secretary Ed Lance of the Soldiers' Aid Commission declares that the local office was not notified of the time of the men's arrival.

"We have had inquiries all week in connection with this party, but were never notified who was coming nor what time the party would be in," says Mr. Lance. "This is the first time we have not been notified. We were therefore not in a position to provide the usual welcome and to have cars at the station for the accommodation of the men."

THAT LIVER IS NO GOOD

that is so lazy it lets the skin do part of its work. The skin turns yellow doing it. Such a liver upsets the whole system. Take Hood's Pills, they put the liver to work; best for biliousness, yellowness, constipation. Do not irritate nor gripe. Price 25c. of druggists or C. I. Hood Company, Lowell, Mass.

LOSS WILL BE $200.

Fire which is supposed to have originated from hot ashes, completely destroyed the summer kitchen at the home of E. Moscrop, 847 Dufferin avenue, on Saturday evening, and, working its way up the side of the house into the attic, burned several holes in the roof. The loss will be about $200.

DOCTORS FAILED TO HELP

But Lydia E. Pinkham's Vegetable Compound Removed the Cause of this Woman's Illness.

Worcester, Mass.—"I took Lydia E. Pinkham's Vegetable Compound for a weakness and pain which used to keep me in bed for two days each month. I tried many doctors without benefit until I was really discouraged. My mother urged me to take Lydia E. Pinkham's Vegetable Compound as it had helped her so much. I did so and soon saw a change for the better. I kept on taking it and am now so well and strong that I can do all my housework, even my washing and I have a little baby who is as healthy as I could ask—thanks to your Vegetable Compound."—Mrs. F. H. STONE, 24 Bowdoin St., Worcester, Mass.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, headaches, nervousness should lose no time in trying this famous root and herb medicine, Lydia E. Pinkham's Vegetable Compound, a trial.
