BEWARE

Of Personators and Others Making False and Malicious Statements.

Through exercising every effort to establish a business upon the principle of giving Good Teas and Coffees at moderate prices, it has come to my knowledge that I have been subjected to personation, untruthful and disparaging comments, at the hands of various parties, who apparently wish to damage the good reputation my Delicious Blends of Pure Indian Teas and Finest Blend of Coffees are gaining amongst a large number of consumers. I hereby warn the public against the practices of those who stoop to such mean methods. My own agents carry with them convincing proofs of representing me. I simply invite the public to try my goods and judge for themselves.
