NOW

Is the time to look round for your Fall Clothes. In spite of all the say so's, pro and con, about the high costs of clothing, you can rest assured that they will be no cheaper and in all likelihood they will be higher. There is one thing we can assure you of and that is at no time before the war, or during the war, or now, have we ever varied our percentage of legitimate margin of profit. The same applies to our prices—one to all and no discounts. We can't afford them, the way we mark our goods and we will never allow any lines to be marked up with the idea of taking something off in order to make a customer believe he is getting special value. Our large volume of business permits us to mark our goods at a fair market value and the fact that our business grows steadily proves the confidence that our customers have in us. The New Fall Suits and Overcoats that we will have for your approval, are full of vim and snap. Many new features have been added that will appeal to your fancy. Special care has been given the linings and trimmings and you'll see some very novel effects. Prices as heretofore will be governed by quality and that's what counts in the long run.

Our Boys' Department will soon be a busy centre. Our Men's Furnishing Department is growing in popularity daily.

Truly we are a growing house on a prominent business corner.

NOTABLE CANADIANS WELCOME MISS CARTIER

New York, Aug. 17.—A number of notable Canadians, including E. W. Villeneuve, of Montreal, president of the Cartier centenary committee, and Lieut. J. T. Cartier, R. A. F., were at the pier here today to welcome Miss Hortenz Cartier, daughter of Sir George Etienne Cartier, upon her arrival aboard the French liner La France from Havre. Miss Cartier is en route to Canada as "the guest of the Dominion government" to attend the unveiling of monuments in Montreal, Quebec City, and St. Antoine, on the Richelieu, in honor of her famous father.

Electric Lighting Cheaper.

The Electric Wiring and Fixture Co. of 261 College street, two doors east of Spadina avenue, are contracting to wire occupied or completed houses for electric light, concealing the wiring in accordance with the government electric inspection department rules, and without marking the paper or breaking the plaster, and at lower prices than for the past five years. They also manufacture and sell electric fixtures at factory prices to all. This firm have been established for 24 years and employ only first-class electricians. Phone College 1873.

PRINCE'S PROGRAM AT EXHIBITION

Detailed Schedule Arranged of Strenuous Time for H. R. H.

A program that will tax the strength even of such a robust overseas veteran as the Prince of Wales has been arranged for the royal visitor when he comes to the Exhibition next week.

After the reading of the address by President T. A. Russell, H. R. H. will proceed to the grand stand to review the Boy Scouts, the Girl Guides and the Boys' Naval Brigade. It is expected to be the biggest Boy and Girl Scout review in the history of the movement in Canada.

Following is the prince's program at the Exhibition:

Monday, Aug. 25.

Arrive at grounds, 12.50.

Luncheon in directors' dining hall, administration building, 1 p.m.

Formal opening of Exhibition and presentation of address, 2 p.m., main band stand near manufacturers' building.

Review of Boy Scouts, Girl Guides and Boys' Naval Brigade, 2.30 p.m., in front of grand stand.

Inspection of Canadian war memorial paintings and trophies, applied arts building, 3.30 p.m.

Reception to members of women's committee, women's building, 3.45 p.m.

Tuesday, Aug. 26.

Visit unofficial, hours undecided.

Wednesday, Aug. 27.

3 p.m.—Review of Veterans and presentation of honors to overseas troops or their kin, grand stand.

4 p.m.—Horse races, grand stand.

4.30 p.m.—Parade of progeny of Ormer, the King's horse, breeders' ring. Visit to agricultural section, manufacturers', government and other buildings.

6 p.m.—Dinner, directors' dining hall.

8 p.m.—Grand stand performance.

10 p.m.—Departure for Ottawa from Exhibition station.

Somewhere in between at an hour yet to be decided he will start the Canadian competitors in the Toronto to New York aerial tour. It is expected that the prince will take his aerial flight with Col. Barker on Tuesday. In all nine Fokkers are ready at Leaside for the Exhibition. At least three machines will be in the air each day, together with two others which will make frequent flights, taking moving pictures and views of the prince, the grounds and the crowds.

Band Arrangements.

President T. A. Russell and General Manager Kent of the C.N.E. are trying to obtain the Royal Marine Band of H.M.S. Renown, which brought the Prince of Wales to Canada. Developments indicate that the visit may receive official sanction.

The Royal Marine Band is to the navy what the Guards are to the army. They will round out a remarkable band program.

In the tattoo planned for Saturday night twenty bands will be engaged comprising about 500 musicians.

OWNER IDENTIFIED STOLEN SUITCASES

Charged with stealing two suitcases from the Union Station Saturday night, Percy Langston, 18 Gildersleeve avenue, was arrested by C. P. R. Constable Harper. It was stated by the police that Harper approached Langston at the depot and after questioning the accused was about to allow him to go when a woman stepped from a railroad coach and asserted that the traveling bags belonged to her.

Langston told the officer that one of the suitcases contained a grey suit belonging to his wife. Harper found this to be true and was going to release Langston. After the woman had identified the suitcases, the police formed the opinion that Langston had evidently opened the suitcase before taking it.

Clement Romanon, 67 McGill street, was arrested by Detective Tuft, charged with the theft of $6 from George Willett.

STATES TO GO "WET"

It may be good or bad news for the thirsty to know that the U. S. A. expects to be wet again about September 4 and remain wet for at least four months. It is explained thuswise:

President Wilson is expected to announce that "America is at Peace" on Labor Day. Such an announcement will automatically kill the war provision prohibition measure and it has been intimated to the hotelmen of the States that licenses will be issued to them until the government prohibition act comes into force in about four months' time.

EMPIRE CHOIR REHEARSAL.

Toronto children are going to sing on the occasion of the visit of the Prince of Wales and the members of the "Festival of the Lilies" and the Empire Day concert chorus are requested to be at the first rehearsal at Massey Hall at 10.30 a.m. today.

NEW BRANCH BANKS.

Branches of the Canadian Bank of Commerce have been opened at the following points: Rolla, B.C., under the supervision of A. J. Duthie; Powell River, B.C., in charge of J. D. Lewis; Grande Prairie, Alta., under the supervision of A. W. Petland; Squamish, B.C., name of officer in charge to be advised later.
