Nursery Rhymes--No. 21.

A HAIR-BREADTH 'SCAPE!

It was a winter morning.—
The air was thin and cold,
The frost stood on the window panes
In etchings rude and oil;
And many a figure quaint was there,
The sculpture,—work of a master rare.

The window of the Pharmacy,
On King street, Twenty-four,
Was richly dressed with Toilet Sets,
From India's Coral Shore.—
And many a man, with convex eye,
Before the window paused to sigh.

A maiden came, with hairless pate,
A shining, bald round head
And what few hairs about it grew,
Were tinged with streaks of red;—
And her hazel eye turned upside down,
As she viewed, in awe, her hairless crown.

She bought a brush from the Chemist bland,
A brush both stiff and hard,
And rubbed in Cleaver's best Pomade
Of Marrow, Oil and Lard:
And the barren head rejoiced in locks,
Eclipsing those of the red-tailed fox.

Ayer's

Hair Vigor,

For restoring to Gray Hair its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *It soon restores faded or gray hair to its original color, with the gloss and freshness of youth.* Thin hair is thickened, fallen hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed; but such as remain can be saved by this application, and stimulated into activity, so that a new growth of hair is produced. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning grey or falling off, and consequently prevent baldness. The restoration of vitality it gives to the scalp arrests and prevents the formation of dandruff, which is often so uncleanly and offensive. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a HAIR DRESSING, nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre, and a grateful perfume.

Practical Business Education.

DAY and EVENING SESSIONS.

Eaton's Commercial College,

RITCHIE'S BUILDING, St. John, N. B.

OUR course of study is comprehensive, and adapted not only to such as have enjoyed the best educational advantages, but also to those whose education is deficient, from want or neglect of early opportunities or other causes. Those who desire to engage in Mercantile pursuits will receive that which is invaluable to them in the safety and despatch with which they will be able to conduct their own business or that of others. It gives the Mechanic an opportunity to take a front rank, by reason of superior ability to transact with correctness the business of his calling. To those engaging in Agricultural life it gives a practical knowledge and experience in business, which will enable them to meet the shrewd business man with confidence. And to that large class who are uncertain what course to pursue, it is not only the best stepping stone to lucrative and permanent business of their own, but also a ready means of commanding regular employment.
