BANKING HOUSE OF JAY COOKE & CO., No. 20 Wall Street.

NEW YORK, May 27, 1873.

THE Northern Pacific Railroad Company having determined to close its 7 30 First Mortgage Gold Loan at an aggregate not exceeding thirty million dollars, and thereafter to pay no higher rate of interest than 6 per cent. on further issues of its bonds, *the limited remainder of the 7 3-10 loan is now being disposed of* through the usual agencies.

As the bonds of this issue are made receivable in payment for the Company's lands at 1.10 they are in constant and increasing demand for this purpose, and will continue to be after the loan is closed—a fact which much enhances their value and attractiveness as an investment.

The Company has more than 500 miles of its road built and in operation, has earned a title to nearly ten million acres of its land grant, and sales of lands have thus far averaged $5 66 per acre.

All marketable securities are received in exchange for Northern Pacific at current rates.
