DEATH OF AN OLD TOWNSMAN.—We regret to have to announce to-day the death of Mr. R. B. Reynolds, which took place yesterday. Mr. Reynolds, who formerly carried on an extensive Drug business in Goderich, was town clerk for several years back. In common with most of his countrymen, he possessed an inexhaustible fund of humor, which, together with his other good qualities, rendered him a universal favorite. He was son-in-law to Robt. Gibbons Esq., warden of the Counties, and leaves a widow and several small children behind him. The funeral, which takes place to-morrow, 2 o'clock, will be attended by both Volunteer Companies, deceased being at the time of his death a member of the Huron Rifles.

THE MILITARY CONCERT, on Wednesday evening last, was a grand success. The Victoria Hall, the use of which Mr. Crabb kindly gave for the occasion, was crowded with the largest audience that ever came together in Goderich for a like purpose. There were fully *five hundred* persons present, and the scene presented to the eye as one entered the room was particularly pleasing, made up as it was of the beauty and fashion of the town and neighboring villages. In noticing the musical portion of the entertainment we will not allude to any apparent imperfections, as it would be unfair to criticise amateurs as sharply as if they were *professionals*. The Glee Club did excellent service, rendering some of the popular music of the day in first-class style. The gentlemen composing the club have studied to some purpose, and if they will persevere, may become the life of many another Concert. Sustained by the Glee Club in the chorus, Miss V. Watson gave "Search through the Wide World" with a vigor and grace that gave full scope to her remarkably fine voice, and displayed to the best advantage her evidently careful musical education. Chas. Ferguson, the personification of jolly Irish humor, "brought down the house" repeatedly with his comical songs and burlesques, as well as by his exquisite performance on the Union Harmonic Pipes of some of the tender old melodies of past times.—Mrs. Charlesworth presided at the pianoforte during the greater part of the evening with her usual taste and ability. Miss Galt's performance upon the pianoforte of the grand solo alloted to her, "Les Hirondelles," was such as to win the applause of the crowded assembly. Miss G. is a brilliant executant.—Mr. Pinkerton's German songs were enthusiastically received. Miss McKenzie gave us that sweet old ballad, "Kate O'Shane," in a style that would have elicited the exclamation from the author, had he heard her, "That's just what I meant!" Our commendations might be extended, but we have said enough to convince our readers, we hope, that the music was "up to the mark." The Drum and Fife Band will be got under way at once, and we should not be surprised if it made its first appearance on Christmas Eve.

DEPLORABLE AFFAIR IN GREENOCK.

A MAN KILLED BY STABBING IN A SCUFFLE.

We are enabled to give the particulars of a sad affair that took place in Riversdale, township of Greenock, County of Bruce, on Monday afternoon last. It appears that two men, residents of said township, named Wm. Fleming and Hans. Hawthorne, had been drinking in the village during the day, and at the time of the fatal fray, were under the influence of liquor. Fleming had an old grudge against Hawthorne, it is alleged, so that from drinking, as is usual in such cases, they passed on to quarreling. Finally they came to blows. It does not appear which struck first, but at all events Hawthorne was getting the worst of it, Fleming cutting and bruising him severely. After a short tustle they seperated, and Hawthorne drew a pocket knife for the purpose of repairing one of his braces which had given way in the struggle. While thus engaged he was again attacked by Fleming, when by some unfortunate chance the blade of the knife entered the assailant's thigh and severed the main artery. In fifteen minutes afterwards Fleming expired from loss of blood. Hawthorne, who protested that the stabbing was purely accidental, gave himself up, and after being examined, was brought down to Goderich Gaol, where he was lodged last night. We always considered him a respectable, gentlemanly young man. Poor Fleming leaves behind him a wife and four children. Hawthorne is unmarried.

POLICE COURT.

On Tuesday (24th) Richard Stacy was tried on a charge of having been drunk and disorderly, complaint being preferred by Mr. B. Trainer. Mr. Trainer swore that defendant on the evening previous had, while in a state of intoxication, given him a severe kick. On the contrary, Andrew Stacy, defendant's brother, swore that Richard was *not* drunk at the time. The evidence being so contradictory, the magistrates adjourned the case until next day. On Wednesday, Messrs. B. Hazlehurst, M. J. Wright, and James Clark were sworn as witnesses, and substantiated Trainer's evidence in every particular.—Stacy was fined $1.00 and costs for first offence, and $5.00 and costs for kicking the constable, in default 2 months and 21 days in limbo.

DAYS' HOTEL,

ON THE GRAVEL ROAD,
NEAR WROXETER,

THE subscriber, in returning thanks to the public for the very liberal patronage bestowed upon him—especially while his house was in an unfinished state—takes this opportunity of apprising his many friends and the public generally, of the fact that his house now affords accommodation *inferior to none in the County*, and therefore trusts that by a proper attention to business he will still merit the share of patronage hitherto bestowed upon him. Let no stage-man or other *interested* individual persuade you into the belief that it is all the same whether you go to Wroxeter or not, because not only is his house not in that place, but is 2 miles nearer by any road that is travelled; and therefore travellers going to Belmore Teeswater, Walkerton, &c., will find "Days Hotel" on the main gravel road, about a mile beyond the finger board pointing to Wroxeter, and can expect superior accommodation and a hearty welcome at any hour of day or night. Our stabling is the most commodious in the county (city hotels, perhaps, excepted.) For a view of the house see H. W. Hermon, R. Martin and L. Bolton's New Map of the County.

LABOUR-SAVING MACHINE

WAS tested by the *Bureau of Agriculture*, and declared to be the best yet brought under their notice. It is simple in its construction, easily worked, and not subject to get out of repair.

The cleansing process is effected by the rapid action of the agitator in the Machine, and not by *pressure or rubbing*, thereby avoiding the slightest injury to the finest fabric, with a much less quantity of soap than under the hand-washing system. Persons who have used them are satisfied that the machine is capable of doing as much work in two hours as can be accomplished in a day by the ordinary process, thus

Saving 4-5 of the time and Labour

And two-thirds of the Soap generally used.

The undermentioned persons purchased Machines, and having given them a full trial express their entire satisfaction:

J. J. Wright, Huron Hotel; Isaac Frederick, Jeweller; W. I. Cox, *Signal* office; Alex. Nasmyth; H. Horton, Esq.; Peter Nolan; D. Cummings; Robertsbouts, Esq. Wrighton; Peter Gillies; R. Runciman, Esq.; Rev. Chas. Fletcher. Many other names might be added, if necessary.

CASH PRICE ONLY $6.50.

The Subscriber having purchased the Patent Rights for the County of Huron, is now prepared to supply the machine, of which he solicits a trial, feeling assured that all who test it will be pleased with the rapidity and ease with which no other wise tedious and laborious wash is performed.—Ladies will confer a favor by allowing the machine to be tested at their residence, to which it will be conveyed by the proprietor, and removed again should it not be purchased. All the subscriber desires is that the merits of the Machine should be thoroughly tested. Parties wishing to try it will communicate with the proprietor.
