Alfred Elvery, the deserter from the Rifle Brigade, who robbed his master, Lord Cecil, will be tried this week for stealing a horse and buggy. Alfred also robbed his master of various valuables, and morally cheated him also by attending prayer meetings, bible classes, and other good works of the Plymouth brethern. He was a second edition of "Job Trotter" in his way, and probably had a hymn book in his pocket when arrested.

A WORLD IN TROUBLE.—The world is in trouble, nations are convulsed; thrones are trembling; governments are agitated; people are excited, and the whole social organization of civilization appears to be sensitively influenced by something premonitory of a great change; now for nervousness there is nothing like the "Canadian Pain Destroyer," which also cures rheumatism neuralgia, tic doloureux, cramps and pains in the stomach, Price 25 cents per Bottle, Sold by all Medicine Dealers.

MOTHERS, READ THIS!—HOLLOWAY'S WORM LOZENGES are a certain and safe remedy for Worms in Children and Adults—As it is a well-known and mentaholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing, and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. SYMPTOMS OF WORMS:—The following are a few of the very numerous symptoms and diseases which are caused by Worms: Deranged appetite, emaciated extremities, offensive breath, frequent picking at the nose, grinding of the teeth during sleep, headache of the body, with frequent slimy stools, and at times convulsive fits; pain in the head and stomach, unquiet sleep, faintings, trembling, downs, indigestion, low spirits, frightful dreams, and a gradual wasting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as is the use of other Worm Medicines.

☞ Each box contains the immutable signature of NORTHROP & LYMAN, Newcastle Ontario, who are the sole proprietors.

N. B.—Ask for *Holloway's Worm Lozenges*, and take no other. Sold in Goderich by Parker & Cattle and F. Jordan; Gardiner & Co. Bayfield; James Benthum, Rodgerville; J. Pickard, Exeter; J. H. Combe, Watts & Jebb, Clinton; Second, Lucknow; E. Hickson, Seaforth, and all Medicine Dealers.

ADVANTAGES TO BORROWERS,

By borrowing of this Company, there is no possibility of the borrower ever being called on suddenly or unexpectedly to pay off the debt.

He pays to the Company in all 6 percent per annum—3 per cent. being for interest and the expenses of management, and 3 per cent, his own money, he pays into a sinking fund, at compound interest, and which cancels the debt in 26 years.

He has however, always the privilege of liberating his estate from the mortgage at any time, on giving six months' notice, while the Company remains bound to the end of the term of twenty-six years, and the amount he has paid into the sinking fund, with compound interest, is then allowed in settlement.

He has the privilege, as he may find it convenient, of paying into the sinking fund, over and above his regular contribution, any even sum above $100, in reduction of his mortgage, and for which he is allowed 6 per cent, compound interest.

It is very strange, but since I have been drinking your Tea I have been quite free from heartburn, which would always pain me after breakfast.
