FORESTERS PREPARE FOR BIG DRIVE

Determined to Secure Thousand New Members in Three Months.

Hamilton, April 9.—At the Foresters' Temple Tuesday evening a most enthusiastic gathering of Foresters met for the purpose of arranging plans for their big drive for 1000 new members.

Brother George A. Mitchell, A.S.C.R., of Toronto, was present, and outlined his plan of campaign. He gave a stirring address; one which created enthusiasm among the other members which proves by their expressions that they are going to make one great success of this grand campaign. Harvey Lloyd, the favorite comedian, was present, rendered several selections, and spoke briefly as to why he was personally interested in the promotion of the Independent Order of Foresters. Mr. E. O. Zimmerman, H.V.C.R., gave an encouraging address, and said he was willing to give all his spare time to help make this campaign one grand success, and also said he had every confidence that they would not only reach the 1000 candidates, but that they would exceed that number before the campaign closed. Mr. H. T. Drope, local organizer, who has been working in the interests of the order for some eighteen years, was very enthusiastic in his remarks regarding the prospects of this campaign. Mr. R. Nimmo, D.S.C.R., of Toronto, was introduced as an organizer; one who has been associated with the order for same twenty-three years. He was brought by Brother Mitchell to assist in this campaign. Alex. Anderson, chief ranger of Court Hamilton, who is one of the liveliest chief rangers in the city, not only an officer of the court, but an enthusiastic booster for the order, and one who has been successful in securing many candidates for his court and for the order, expressed his optimistic views regarding the campaign, and felt there was every reason to believe that they would be successful in exceeding more than the 1000 mark during the three months.

It might be added that when one reads the benefits of this order, and sees the magnificent work they are doing, and have done in distributing over $61,000,000 to beneficiaries, and having laid aside over $46,000,000, as reserved funds, this should appeal to every right thinking man and woman in the city of Hamilton.

Space will not permit us to give further details of this meeting, but attractive literature and information can be secured from the "Foresters' Temple," or from the Hamilton head office, H. T. Drope or R. Nimmo of 36 South James street.

ARCHIBALD SENDS CHEQUE TO POGUE

Ex-Ald. Garnet Archibald, son of former Deputy-Chief Constable Archibald, yesterday forwarded a letter containing $200 to Inspector John Pogue of East Dundas Street Station, to pay the fine imposed. The letter indirectly referred to The World for exposing the giving of six bottles of whiskey by Pogue to Garnet Archibald to prevent the former and his hunting party from falling victims to the influenza epidemic prevalent last fall. The whiskey had been seized by the police and was given by Pogue to Archibald. Pogue has already sent his personal cheque for the $200 to Chief Grasett. The cheque and letter from the former alderman was also handed in to the chief, and will be presented to the commissioners next Tuesday. The proceeds of the fine will be handed over to the police benefit fund, which fund receives all fines imposed on members of the force by the commissioners. Whether or not Archibald's cheque will be accepted will not be made known until the next sitting of the board.

William A. Potter, no home, was arrested last night by Policeman Crowley of Markham street division charged with theft of a motor car. Potter is alleged to have stolen a car belonging to James Welsh, 139 Lappin avenue, yesterday from the corner of Bay and Adelaide streets.

HAMILTON NEWS

Hamilton, April 9.—Three hundred and fifty husky veterans, the majority of whom had served with the 40th and 31st Batteries and the 120th City of Hamilton Battalion, were the guests of the Citizens' Repatriation League at the fourth soldiers' banquet held in the I. O. O. F. hall tonight.

Brigadier-General John Gunn, D.S.O., of Toronto, O.C. of No. 2 military district, was the speaker of the evening. George H. Lees presided.

Inability of the town planning commission and the board of control, in conference this afternoon, to arrive at a solution of the Westlawn Cemetery problem makes it appear certain that the suggestion of the town planning board will be abandoned.

The Ontario government employing bureau here has set aside Saturday as "farmers' day" for those wishing to work on the land.

A meeting of the Homeside annexation committee will be held on Friday night.

SCORE'S EXTRA DISCOUNTS TO RETURNED MEN.

Only a day or two since we announced the extra discounts to returned men over and above the regular sale discounts—and we said then that it was as little as we could do in showing our appreciation of these splendid fellows — and we are gratified for their sake to know that they are accepting our offer and are taking advantage of the Great Estate Sale's greater inducements to select suitings—overcoatings and haberdashery. IMPASSIONED DEBATE IN FEDERAL HOUSE

(Continued From Page 1).

Morphy went so far as to advise their deportation.

Hon. Hugh Guthrie, solicitor-general, created a sensation by saying that Canadian soldiers had been executed for desertion both in England and at the front. The excitement quieted down however, when Mr. Guthrie stated that he was not speaking from any official information, and General Mewburn assured the house that only two or three Canadians had been executed for desertion in the face of the enemy. The Hughes resolution did not go to a vote, as the house adjourned under the Wednesday rule at 6 o'clock before the debate had terminated.

In the commons, I. E. Pedlow (South Renfrew) introduced a bill to set aside the second Monday in November each year as a perpetual memorial of the signing of the armistice.

Uniform M.S.A. Penalties.

General Sir Sam Hughes moved that "a uniform system of administering the law with uniform penalties in relation to defaulters, deserters, slackers, evaders and others amenable," was essential to the well-being and good government of the country. He did not speak upon the resolution, and Hon. Arthur Meighen, in stating the government's attitude, said that it called merely for a uniform system of administering the law, but the administration of law was in the provinces and not in the Dominion at all.

Question of Leniency.

Hon. Rodolphe Lemieux asked if it was not a fact that instructions had been issued to magistrates and justices of the peace in booklet form advising them to be lenient with defaulters.

Mr. Meighen replied emphatically that no such instructions had ever been issued by the justice department were given a booklet of instructions, but the justice department did not interfere with the administration of justice by magistrates. He presumed that Mr. Lemieux was referring to statements made by Mr. Justice Langelier. Hon. Rodolphe Lemieux said that Mr. Justice Langelier enjoyed the confidence and respect of the bar, and that it was proved that Judge Langelier had received authority from the Dominion authorities to act leniently with defaulters.

Mr. McKenzie, leader of the opposition, argued that the defaulters should be relieved of uncertainty in regard to their situation. Thousands of young men apparently did not have the nerve and fibre to face war. But they were not criminals. Mr. McKenzie added, however, that he did not have any sympathy with the young man who had not done his duty in the war.

However, it was wise for the house to consider what scars they were going to leave in this country. In the civil war, in the United States, when peace came under Lincoln, there was nobody punished.

Execution of Canadians.

Hon. Hugh Guthrie, solicitor-general, stated that after the armistice a committee, composed of himself, the deputy minister of justice and Col. McFarland, the judge advocate-general, considered the question of creating uniformity in punishment for defaulters.

Mr. Guthrie stated that the sentences imposed in England were more severe than in Canada. He had been informed that a number of Canadian deserters had been executed, while others had got sentences up to thirty years.

Executions Were Fewer.

Gen. S. C. Mewburn said that he did not want the impression to go abroad that a large number of Canadian soldiers had been shot overseas. He understood that during the time that Gen. Hughes was minister of militia, a few men were tried by court-martial and shot on being found guilty. No such cases had occurred since he became minister.

Gen. Mewburn felt it was practically impossible to bring all defaulters under the M. S. A. to justice. He suggested that these men should be penalized by disfranchisement, and that they be deprived of civil rights for a number of years.

Debate Over Langelier.

Mr. Cannon (Dorchester), referring to the case of Judge Langelier, said that Judge Langelier had received instructions. The people were entitled to know whether the instructions were prepared by the department of militia or the department of justice.

No instructions, Mr. Meighen said, had been given to Judge Langelier to impose light fines.

Mr. Cannon said that Mr. Meighen had not answered his question. He had simply asked what Col. Whitehead was doing in Quebec and whom he was representing.

Accuses Ministers.

He said the greatest culprits, who should be brought into court along with the defaulters, were some men occupying cabinet positions. They had sent out circulars to farmers saying that their sons would be exempted and after the election they were conscripted. The first man to be tried should be the minister of militia, who went thruout Ontario and solemnly promised that the farmers would be exempted, the second should be the minister of agriculture, who endorsed his statement and after them the Unionist members who made these promises to their constituents. He said he would give the precedency in the dock to General Hughes, the mover of this resolution.

Attacks Cannon.

G. B. Nicholson (East Algoma) declared that the defaulters should be disfranchised and deprived of their rights of citizenship. By refusing to fight for their country they had given notice that they were not fit to be citizens of it. He characterized some of Mr. Cannon's remarks as "miserable, cowardly slander."

The opposition members loudly demanded a withdrawal of these words, and the Speaker ruled that they were unparliamentary.

Mr. Nicholson withdrew them, but said that he would be perfectly willing to say them to Mr. Cannon's face.

COCAINE OUTFIT.

Joseph Shields, 196 Markham street, was arrested on Yonge street last night by Plainclothesman Sullivan and charged with unlawfully having drugs in his possession. Shields had two packages containing cocaine in his pocket, as well as a hypodermic outfit.

RATEPAYERS DISCUSS EXTENDING BOUNDARY

The usual monthly meeting of the Danforth Park Ratepayers' Association was held in Gledhill Methodist Mission, Gledhill avenue, last night, when a large number of members was present. Many new members were received, and the matter of extending the boundaries of the organization was discussed, but laid over until next meeting.

The treasurer reported the result of the recent "at-home" held in Secord School as being very successful, and a balance of $17.40 was placed to the credit of the funds of the association. "We have created a precedent not only in York Township, but thruout Ontario, as being the first organization to hold community dances in our public school," said the speaker, adding that the parents, as well as the children, should be thus provided, in order to offset doubtful public dance halls.

It was decided to send a letter of thanks to the Eastdale Ratepayers' Association for their co-operation in the Secord School "at-home," and also a communication to the York Township Council asking information as to the reason for erasing the names of property-owners in the section from the voters' list.

The housing question was discussed at some length, and it was decided to ask the central council to report on the matter at the earliest opportunity.

The bad state of the roads on King Edward, Wallington and Everett avenues was dealt with, and a deputation will meet the members of York Township Council on Saturday, when they will officially tour the district.

W. Curtis, president, occupied the chair.

ETOBICOKE

ASK HYDRO COMMISSION FOR RADIAL SURVEY

A resolution passed by the council of Etobicoke township will result in a request to the Hydro Commission for a survey preparatory to building a radial from the Humber to Streetsville. The town clerk was instructed to write Streetsville and the township of Toronto municipal offices to arrange for a joint meeting of the councils to discuss the matter, and decide on a route.

The proposed radial line will start at the Humber and follow Queen street to the Etobicoke river. From that point the line will run southwest to the Credit and then northwest thru the village of Erindale to Streetsville.

No definite action will be taken in the matter until after the meeting with the other councils.

NEWMARKET

CONSIDER MEMORIAL.

Representatives from every organization in Newmarket were elected at a public meeting held last night to consider the best form for a memorial to local men who have died on active service.

Many suggestions were made as to the most suitable memorial, but it was finally decided to leave the whole choice in the hands of the above committee, which will co-operate with the council. The meeting was well attended.

IN WRONG ASYLUM.

The Silverthorn branch of the G.W.V.A. has succeeded in bringing to the notice of the military authorities the case of a returned soldier who unfortunately became insane and was placed in an asylum at Kingston instead of being taken to Vancouver, B.C., from which city he enlisted when the war broke out. The mother of this young soldier has now received a cheque for $136 back pension, due and has been informed that her son is now on his way to a hospital in Vancouver, near his home. The matter was investigated by the G.W.V.A. after it was brought up at a recent meeting by Comrade S. Deans, vice-president.

LAID CHILD TO REST.

Rev. E. Crossley Hunter, of Central Methodist Church, officiated at the funeral service of the infant son of Comrade and Mrs. Wiltshire of Earlscourt, Tuesday. Interment was in Prospect Cemetery. The parents are members of the Earlscourt Central Methodist Church.

MASONIC LODGES RESUME VISITING

Hamilton, April 9.—Barton Masonic Lodge and Zetland Lodge No. 326 of Toronto resumed their fraternal visits here tonight, for the first time since the war started, when the Toronto craftsmen to the number of 100 visited the local lodge. The occasion was a very pleasant one, and the feature was the introduction of Brother Glassco, recently returned from overseas, who was initiated into Barton Lodge by Zetland Lodge on the last visit of the Toronto lodge here prior to the war.

Zetland Lodge, which was met at the Hunter street station by Barton Lodge pipers, and was presided over by Brother Norman Summerville, marched to the Masonic Temple, where, after being introduced by Brother Hoodless, the worshipful masters and officers exemplified the first degree.

The banquet which followed was presided over by Brother Vila, who proved a genial chairman, and left nothing undone to make the visitors feel that the revival of the old custom of lodge visits was an occasion to be remembered.

Among those present were Most Worshipful Brothers W. E. Wardrope, Most Worshipful Brother H. T. Freed, and many right worshipful brethren from Toronto and Hamilton.

ALL PRESBYTERIANS MOURN REV. DR. LAW

Prince of Preachers Laid to Rest at Mount Pleasant.

At 2 o'clock yesterday afternoon a private funeral service for the late Rev. Dr. Robert Law, D.D., was held at his home, 70 St. Alban's street. The service was conducted by Prof. Davidson.

Pink roses, pure lilies and laurel leaves were used in most of the floral tributes, but other sprays and wreaths made up of purple violets, hyacinths and sweet peas. Wreaths were sent by the students of Knox College, the session of Old St. Andrew's, the Women's Association of Old St. Andrew's, the board of managers, the choir, the Crusaders' Mission Band, the Women's Bible Class, the Girls' Bible Class, and all organizations of Old St. Andrew's Church.

The second-year students of the Ontario Veterinary College sent a wreath of roses, lilies and carnations. The Queen City Curling Club's tribute was a wreath of pink roses, lilies and laurel.

A public service was also held in Old St. Andrew's Church, where the deceased had been assistant pastor. It was conducted by Rev. Dr. D. McTavish, Prof. Ballantyne led in prayer, and the singing of the anthem, "Blest Are the Departed," by the choir, preceded the Scripture reading by Dr. McTavish.

Public Tribute.

Short addresses were given by Principal Gandier, of Knox College, and Rev. John Neil, formerly moderator of the Presbyterian General Assembly.

"Every time I heard Prof. Law I realized how great was the gift we received from Scotland," said Rev. Dr. Neil. "When Prof. Law came to us he was recognized as a prince of preachers. Prof. Law has done much for this city and for the church. His culture was not confined to what is popularly regarded as theological. It was as a preacher of the Gospel that he was most highly appreciated by the public."

Dr. Fletcher then led in prayer and friends were given an opportunity of viewing the remains. The cortege left for Mount Pleasant Cemetery to the strains of the "Dead March in Saul."

The pallbearers were: Prof. Duff, Rev. J. MacKay, Rev. Alex. MacMillan, Mr. James Kent, Mr. Joseph Oliver and Prof. Davidson.

CALEDONIAN LODGE.

Caledonian Lodge of the Caledonian Society held a very successful "at-home" at the close of the business meeting in Foresters' Hall last evening. About a hundred and fifty were in attendance. One of the latest gifts of the society is that of fifty dollars to the dependants of the men who were drowned in the Isle of Lewis disaster.

A CHILD HATES OIL, CALOMEL, PILLS FOR LIVER AND BOWELS

Give "California Syrup of Figs" if Cross, Sick, Feverish, Constipated.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.
