LACROSSE MEN IN SESSION

Committee Arranges Districts for Intermediate and Junior Competitions.

THE SENIORS CAUSE DISSENSION.

Finally the Schedules Are Drawn Up for Two Series, With Some Teams Barred.

A meeting of the C.L.A. District Committee, consisting of Messrs. F. H. Nelson, A. H. Wilson and J. Munroe, met at the Walker House last night and revised the arrangement of the Intermediate and Junior Districts for the season. The meetings to arrange the schedules will be held on May 15. There were not as many kicks about the preliminary draw this year as last, and the fixing of the different districts was an easy matter. There are seven groups in the junior series and ten in the intermediate, the following being the districts:

Intermediate Series.

The Senior Clubs.

The Senior Committee of Management, consisting of C. R. McKeown (Orangeville), F. Waghorn (Tecumseh), White (Shelburne), met to decide on the new club that would be admitted to the senior series, besides the ten clubs that declared themselves at the annual meeting. Mount Forest and Markham applied. Out of the 12, there were 10 made seniors, they being: Tecumseh, Shelburne, Orangeville, Galt, Paris, Brampton, Brantford, St. Catharines, Fergus, Shamrocks. Five of these clubs—Paris, Brantford, Galt, Tecumseh, St. Catharines—formed themselves into a group, took things out of the hands of the C.L.A., and said they would stand together for the season. The Senior Committee of Management did not assert their authority, but ended up by refusing to allow Mount Forest and Markham in the senior rank. The result of this action will probably hurt the game of lacrosse and also the C.L.A. After squabbling for over an hour, two districts were formed, and the following schedule drawn up:

District No. 1.

June 4—Orangeville at Shamrocks.
June 7—Shelburne at Fergus.
June 14—Fergus at Orangeville.
June 21—Orangeville at Shelburne.

Aug. 3—Shamrocks at Brampton.
Aug. 5—Shamrocks at Fergus.
Aug. 5—Shelburne at Orangeville.
Aug. 13—Orangeville at Brampton.
Aug. 13—Shamrocks at Shelburne.

Aug. 17—St. Catharines at Galt.

The winner of each district to play home-and-home games, matches to count, and in case of a tie a third game to be played on neutral grounds, to be agreed on by competing clubs, each club to pay their own expenses and keep their own gate receipts.

"A STITCH IN TIME."

Never has a more pointed illustration of how surely it saves nine or more, than in every tooth that is filled when the first signs of decay appear.

When the cavity is small—the work, material, cost and inconvenience required in properly filling it are small in proportion. Every day that you postpone care, the cavity uses in getting larger and more menacing—and the work, material, cost and inconvenience larger by the same token. Come in to-day.

YORK COUNTY AND SUBURBS

Chief of Police Lawrence of North Toronto Has Sent in His Resignation.

BARNS BURNED BY LIGHTNING.

Large Strawberry Plantation at Glenville—Death of Mrs. Crossley of King.

The cutting of the trees at the south of Christ Church, Deer Park, is characterized by one near-by ratepayer as an act of vandalism. The trees certainly formed a very pretty grove, and as now left the surroundings present a bare appearance, as compared with the former aspect.

Starting on Sunday next, Rev. T. W. Powell will inaugurate a children's morning choral service on the first Sunday in each month.

The Works Committee met last night under the chairmanship of Councillor Armstrong. Messrs. Bryce and McColl were competitors for renting town lots, and to allow of no dispute tenders for the use of the property will be taken on Tuesday evening next. There were no tenders forthcoming for the construction of the town well at the waterworks station and it was recommended that the work be done by day labor under the supervision of Commissioner Hopkings.

Chief Constable Lawrence tendered his resignation last night to the Finance Committee of the Council. The chief complained of the multitudinous duties imposed upon him and of the unsatisfactory arrangements now existing between him and the municipality. The chief related his various objections to the existing duties imposed upon him and Councillor Lawrence moved the acceptance of the resignation. Mayor Davis thought the question should be fully discussed by the council and to enable that to be done the resignation was referred to that body without comment. It was recommended that Mr. J. M. Whaley be employed to purchase any lots at the adjourned tax sale that do not bring the charges against them, and the routine of accounts was also forwarded on to the council.

Richmond Hill.

At the last regular meeting of Richmond Lodge, A.F. & A.M., Bro. R. A. Farquharson presented the lodge with a handsomely framed picture of King Edward VII. and Wor. Bro. T. McMahon gave a companion picture of the late Queen.

The High School football team defeated the villagers by a score of 1 to 0, but in a baseball contest the latter were winners by 18 to 13.

Rev. Harold Wellwood, son of the pastor of the Methodist Church here, has undertaken the work of Rev. Mr. Strachan of the Temperanceville circuit for the balance of the conference year.

The officers elected by the Epworth League for the ensuing year are: President, Mr. E. H. Sisley; first vice-president, Miss M. Trench; second vice-president, Miss Edith Switzer; third vice-president, Miss V. Storey; fourth vice-president, Mr. W. Trench; secretary, Mr. D. Derry; treasurer, Mr. A. J. Hume; organist, Miss I. Glass.

Mr. Arthur White of the Standard Bank has been transferred to the branch at Cannington.

The fine brick residence of Mr. Henry Legge at Jefferson is completed and the owner intends occupying it in a few days.

Unionville.

A convention of the Woman's Missionary Society of the Uxbridge District will be held in the Unionville Methodist Church on Thursday afternoon, May 9. A splendid program has been arranged. Miss Brooks, a returned missionary from China, and Mrs. J. B. Wilmott of Toronto will be present.

Rev. M. J. Goodheart (a Russian Jew), graduate of Wycliffe College, gave a very interesting lecture here last Tuesday evening on "The Jews' Life in Russia."

The Epworth League social, held at the home of Mr. Philip Meyer, was a most enjoyable gathering. The receipts were very satisfactory.

Dr. Percy Leslie, a returned missionary from China, gave a most interesting lecture in the Presbyterian Church on Wednesday evening. The doctor had many thrilling escapes during the late riots.

A. D. Smith left on Tuesday last for Sault Ste. Marie, where railway construction on the Algoma Central will shortly resume.

Milliken.

The Milliken Football Club held their second annual meeting on Saturday, and reorganized for the coming season. The attendance was large and the meeting most enthusiastic. The following officers were elected: President, Oliver Harding; vice-president, E. Jarvis; captain, George Ogg; secretary-treasurer, J. Clayton; field captain, Mr. Prentice; Management Committee, R. Petch, F. Fannel, A. Empringham and J. McShane. There will be regular practices on Wednesday and Saturday evenings. Any club wishing to arrange matches may do so by addressing the secretary, James Clayton, Milliken.

Markham.

Mr. J. W. Cowle lost a fine young mare on Tuesday. The animal was highly pedigreed, and was valued at $300.

The members of the village Council drove to Stouffville during the week, and inspected the new brick roadway in course of construction there. They were much pleased with the new system, and will probably adopt it.

The first baseball match of the season was played between the High School and Shoe Company teams, and was won by the latter by a score of 10 to 9 and an innings.

W. F. Latimer, J. B. Gould and Jim Gane are in Toronto to-day, attending the C.L.A. It is confidently expected that Markham will secure admission to the league, and, as in past seasons, demonstrate their superiority in the sphere of lacrosse.

St. Barnabas' Chester.

A very successful entertainment was held on Thursday evening at Danforth Hall, Danforth-road, on behalf of the repairs fund of the above church. The chair was taken by Rev. W. L. Baynes-Reed, and there was a large attendance. A pleasing feature of the evening was the presentation of an address, enriched with a view of the church by J. Arch. Brown, R.C.A., to Captain H. F. Hooper, lay reader, who is removing from the neighborhood, in connection with which Rev. R. J. Coleman, curate, made an appropriate speech. Mr. Bernard McEvoy gave an illustrated humorous talk entitled "People's Noses," and songs were contributed by Mr. B. Morton Jones (whose accompaniments were most artistically played by Miss Eugenie Quehen) and other friends. Mrs. Menagh conducted several glees.

East Toronto.

Mrs. Lambert, the wife of Mr. Lambert, proprietor of the Newmarket Hotel, died yesterday at the home of her sister, Mrs. Cross, 50 Cumberland-street. Messrs. Dolson and Fuller pleaded guilty to a charge of selling on Sunday, April 28 last, in Magistrate Ormerod's Court here. Mr. H. H. Dewart appeared for the Crown. A fine of $20 and costs was imposed. John Palmer of Richmond Hill also appeared for a contravention of the Liquor Act. A week's remand was granted, and the investigation will then take place at Richmond Hill.

The friends of Mrs. Charles Crews will be pleased to hear that she is improving rapidly after a long illness.

His Honor Judge Morgan holds Division Court at R. Crews' Ontario House, Kingston-road. The principal case in dispute will be The East Toronto Standard v. the Reeve and Council of East Toronto for $74.50 for publishing the Treasurer's report.

Norway.

The school children yesterday kept up Arbor Day in the usual way by planting trees and sowing flower seeds, and afterwards indulged in foot races and games, under the superintendence of Principal Joseph Palmer and Miss Shepherd. The trustees thoughtfully supplied them with substantial refreshments.

The Women's Auxiliary held their meeting last night at the rectory, and concluded their mission for the season by sending a large bale of clothing, etc., to the Venerable Archdeacon Timms of Calgary, N.W.T.

Newmarket I.O.O.F. will parade to the Presbyterian Church to-morrow evening. Rev. A. H. McGillivray will deliver the sermon.

Principal W. W. Hiltz of the Weston Public School was presented with four teen volumes, containing the complete works of Thackeray, on the eve of his departure to accept a position in Toronto. The presentation was made by Reggie Hill, on behalf of the pupils of the school.

John Nesbitt of Churchill lost his barns and implements by fire on Thursday morning. Lightning did it. No insurance.

The Albani Concert.

Notwithstanding what some critics have said, many who heard Mme. Albani last night in Massey Hall are of opinion that the great cantatrice never sang better. In the Mozart air, "L'Amero" (violin obligato by Mr. Nachez), Mme. Albani appeared not to be in her best voice, but in the later selections all the old brilliancy was apparent, more particularly in Handel's bird song (flute obligato by Mons. Brossa), and in "Quis est Homo," the great duet from the "Stabat Mater," in which she was joined by Miss Muriel Foster. Indeed, the duo was exquisitely given by both voices, and it would be difficult to imagine more perfect vocalization. The ballads by Goring Thomas and Coleridge Taylor, Mme. Albani's final contributions, were charmingly given.

Miss Muriel Foster's former success was repeated. Her magnificent contralto voice was first shown in Gluck's "Che Faro" air, and Maude Valerie White's spring song was beautifully interpreted. But perhaps the most captivating work of Miss Foster was in the "Quis est Homo" duet with Mme. Albani, and Goring Thomas' "Night Hymn at Sea." Both were magnificently sung and furiously encored.

Mr. Douglas Powell's mellow baritone was much appreciated, both in solo and duet, and he is sure of a welcome should he return to Toronto.

Mons. Tivadar Nachez is one of the most pleasing violinists heard in this city. While he inclines to delicate effects, he demonstrates power when necessary, and his unostentatious method is delightful.

Mons. Brossa is an excellent flautist, and Mr. Watkis, apart from his first-class solo work on the piano, is a perfect accompanist.

The audience was very large and the encores almost doubled the long program. This afternoon the whole company will appear in another grand program.

At the Princess.

The announcement that "Wicked London," a melodrama of striking merit from the pen of Frank Harvey, would be produced at the Princess next week by the Valentine Company has created a demand for seats which testifies to the popular appreciation of "Woman Against Woman," "The Wages of Sin" and kindred other successes by the same author. "Wicked London" is a very highly colored picture of certain phases of life in the English metropolis, with which the author was said to be perfectly familiar, and in putting his impressions upon the stage in dramatic form he is credited with embodying a budget of interesting surprises which indicates that he made a close study of the people and conditions he elected to bring before the glare of the footlights. The Valentine Company will give "Wicked London" a complete and highly satisfactory scenic production, the settings of the four acts having been the subject of much careful thought on the part of the Valentines' scenic artists, and the cast, which has a dozen characters, will insure the appearance of all of the best liked members of the capable organization that has made the season at the Princess so prolific in pleasure to lovers of good acting and standard plays. Souvenir photo buttons will be distributed at the opening performance Monday evening.

To-Night at Massey Hall.

At Massey Music Hall this evening the popular concert to be given as a testimonial to Mr. H. M. Blight will be held. Indications point to a good audience. The program will be varied and interesting, many of Toronto's most celebrated artists taking part, among whom will be Mrs. Le Grand Reed, Mrs. Julie Wyman, Miss Dreschler Adamson, Miss Franziska Heinrich, Mrs. H. M. Blight, the Sherlock Maie Quartet, Mr. W. J. Al Carnahan, Mr Owen A Smily and Mr. H. M. Blight. Aside from the undoubted merits of the program, the popularity of Mr. Blight should bring out enough citizens to fill the hall in every part.

ONE IN THREE.

Every Third Person Poisoned by Coffee.

It is difficult to make people believe that coffee is an absolute poison to at least one person out of every three, but people are slowly finding it out, although thousands of them suffer terribly before they discover the fact.

A New York hotel man says: Each time after drinking coffee I became restless, nervous and excited, so that I was unable to sit five minutes in one place, was also inclined to vomit, and suffered from loss of sleep, which got worse and worse.

A lady said that perhaps coffee was the cause of my trouble, and suggested that I try Postum Food Coffee. I laughed at the thought that coffee hurt me, but she insisted so hard that I finally had some Postum made. I have been using it in place of coffee ever since, for I noticed that all my former nervousness and irritation disappeared. I began to sleep perfectly, and the Postum tasted as good or better than the old coffee, so what was the use of sticking to a beverage that was ruining me?

One day on an excursion up the country I remarked to a young lady friend on her greatly improved appearance. She explained that some time before she had quit using coffee and taken Postum. She had gained a number of pounds, and her former palpitation of the heart, humming in the ears, trembling of the hands and legs and other disagreeable feelings had disappeared. She recommended me to quit coffee and take Postum, and was very much surprised to find that I had already made the change.

She said her brother had also received great benefits from leaving off coffee and taking on Postum Food Coffee. Henry A. Mader, 221 W. 33rd-street, New York.
