How Orontas Won the Race.

Orontas got the worst of the send off in the last race Wednesday at Bennings and was slow to get into his stride, while Lamp o'Lee and Ohnet went away racing. When the backstretch was reached the leading pair were half a dozen lengths ahead of Orontas, on which Blake was at work. Lamp o'Lee and Ohnet ran from the stand to the half in 51 seconds, causing predictions that they would come back to the trailer. Orontas held his own along the back stretch, and began closing on the upper turn. Nearing the home stretch Ohnet weakened. As he retired Blake renewed his efforts on Orontas. The response was startling. Ohnet was passed so quickly that it was thought he had broken down, and amid intense excitement the space between the favorite and the outsider steadily lessened. Orontas came on with an irresistible rush, but Lamp o'Lee made a gallant struggle, contesting every inch of the ground, and being beaten only in the last hundred yards.

NATIONAL LEAGUE UMPIRES.

Bob Emslie Again in the List—Still No President.

New York, April 3.—The National League baseball magnates, in session here, received a telegram this evening from W. C. Temple of Pittsburg, declining the position of president of the league, offered him yesterday, on account of pressure of private affairs. He is in Florida. Mr. Temple's declination was a great disappointment to the owners. It necessitated their again going over the whole ground of the selection of a governing head of the league. This question and the adoption of a playing schedule occupied their time at the session to-night.

During the morning and afternoon the work discussed in committee had to do with the schedule and the bids for an official ball. The Schedule Committee spent many hours discussing the subject of dates, having three propositions before it. Its deliberation resulted in the rejection of all three and a determination to draft a new one to present to the conference.

President Young announced the following appointments of umpires for the coming season: Robert Emslie, Hank O'Day, Tom Brown and Jos. Cantillon. An appointment was offered Thomas Lynch, but he declined it.

Freedman In, Spalding Out of Game

Some months ago A. G. Spalding decided he would compel Andrew Freedman to retire from the game of baseball. Mr. Spalding intimated it would be for the benefit of the game. He set a time for the expulsion of the New Yorker and formally announced the retirement of the local baseball magnate. To the astonishment of Mr. Spalding, Mr. Freedman declined to disappear from the baseball map, and continued to make himself conspicuous in the affairs of the diamond. Finding that Mr. Freedman was obstinate, Mr. Spalding decided that he would get out of the game. Mr. Spalding's resignation was not accepted for the reason he was not elected president of the National League. On motion, the communication was placed on file, and the Spalding incident considered closed.—N. Y. Telegraph.

A Cure For Fever and Ague.—Parmelee's Vegetable Pills are compounded for use in any climate, and they will be found to preserve their powers in any latitude. In fever and ague they act upon the secretions and neutralize the poison which has found its way into the blood. They correct the impurities which find entrance into the system through drinking water or food, and if used as a preventive fevers are avoided.

KING'S PLATE FOR HENDRIE

Turf Followers in Hamilton Believe That Seagram Will Be Beaten This Year.

THE VALLEY FARM CANDIDATES

Maple Sugar and Dandy Dick Said To Be the Best of Five Fast Platers.

Hamilton, April 3.—Last spring Mr. Hendrie had 11 or 12 province-bred 2-year-olds, most of them being prospective platers. Of the bunch Caller Herrin and Circus Girl were sold, and the former will carry Geo. M. Hendrie's colors in the plate this year. Dunrobin, a promising colt, suffered from influenza, and as his wind was touched he was sold. Ten Below Zero was taken to Chicago with the rest of the string last summer, which disqualified him for the plate. Plum Tart won brackets, her first victory being at 20-1. The culling process has been going on since until the only 3-year-olds in training for the plate are Dandy Dick, Doonside, Lyddite and Scotland Yet. These, with Maple Sugar, make the combination on which the hopes of the stable are centred.

It is the opinion of a number of people, says The Spectator to-night, that Mr. Seagram is not going to be successful this year, altho it is early to make predictions, and it is thought that the first King's Plate will be won by Mr. Hendrie. If he does his victory will be hailed with delight by all citizens of Hamilton, who admire Mr. Hendrie, not only as a man, but as one of the best sportsmen that ever owned a thorobred. Never before has Mr. Hendrie had such a strong hand for the plate, holding a full house, three queens and two kings. There has been considerable play on some of the horses, especially Maple Sugar and Dandy Dick, who are regarded by the outsiders as the most likely candidates, altho it is hard to get any one connected with the stable to express an opinion. Maple Sugar will have to be a pretty good filly to beat Dandy Dick, with an advantage of 14 pounds in weight. Lyddite and Scotland Yet, both good lookers, have not received as much attention in the books as the other horses, and Doonside, who is a fast filly, has been neglected.

It is safe to say that when the horses arrive at Woodbine the Hendrie string will receive a great deal of consideration from the rails. They won't see any better looks than Dandy Dick, Maple Sugar, Lyddite and Scotland Yet, and it is believed that they can all run some. Trainer Whyte is at work on his charges daily, and has them in grand condition. He is giving them two-minute gallops on the track at Valley Farm, and they will be ready for faster work when the time comes. Following are the Hendrie horses in training:
