And thus remove all disease from the system.

A single trial will place the LIFE PILLS and PHŒNIX BITTERS beyond the reach of competition in the estimation of every patient.

The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c, on which is a drawing of Broadway from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with *yellow* wrappers; but if you do, be satisfied that they come direct from us, or *don't* touch them.

## PROSPECTUS.
### OF THE ANGLO-AMERICAN MAGAZINE.

On the First of July next, will be published the first number of a Monthly Periodical, under the title of "THE ANGLO-AMERICAN MAGAZINE."

Each number will contain 96 pages royal octavo, with double columns, and numerous illustrations. Price 15s. per annum, paid in advance, and sent by mail to any part of British North America or the United States.

It is proposed to publish in each issue one or more original papers on subjects connected with BRITISH AMERICA, carefully excluding party politics or religious articles of a denominational character. Selections of the best writings in the leading British periodicals will be copied, especially such as have reference to the welfare and interests of these Colonies.

A careful digest of *the Current Events of the World, Scientific Discoveries, Commercial News, Musical Intelligence*, and all matters of general interest, derived from the most recent information.

It is also intended to publish a series of *Biographies* of *Eminent Men of Great Britain and Ireland*, from Alfred the Great to the present time. This department will be *Illustrated* with *Portraits* from the best masters.

As it is proposed to make this publication a *national* and not a *local* work, it will unflinchingly advocate all questions affecting *the Common interests of our Colonies as an Integral portion of the British Empire.*

An experience of several years in supplying the reading public of Canada with the serial publications of the United States, convinces the projector of this periodical, that they are entirely inadequate to the wants of the majority, and little calculated to form or improve the literary taste of a people essentially different in their feelings and principles from those for whom these Periodicals are prepared; and believing that the enterprise will meet with encouragement from those for whose pleasure and information it is designed, he trusts that the experiment will realize his expectations.

The Magazine may be made one of the *best Mediums for Advertising* yet offered to the Colonial public; and the terms will be regulated in such a manner as to induce all parties to avail themselves of its pages.

IMPORTANT TO THE

GEO. W. MERCHANT'S
### CELEBRATED GARGLING OIL

UNPARRALLELED IN THE HISTORY OF MEDICINE

As the most remarkable External Application ever discovered.

"They can't Keep House without it."

Experience of more than fifteen years has established the fact that Merchant's Celebrated Gargling Oil, or Universal Family Embrocation, will cure most cases, and relieve all such as

Spavins, Sweeney, Ringbone, Windgalls, Poll Evil, Callous, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Fistula, Sitfast, Sand Cracks, Strains, Lameness, Foundered Feet, Scratches or Grease, Mange, Rheumatism, Bites of Animals, External Poisons, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chilblains, Chapped Hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c. &c. &c.

GREAT IMPOSITION AND FRAUD!

CAUTION TO PURCHASERS.

This oil has become so celebrated in the treatment of diseases, and as a consequence, the demand becoming great throughout the country—the cupidity of designing men have induced them to palm off upon unsuspecting persons an imitation article for the *Genuine Gargling Oil*, designing thus to ride their BASE SHYSTERS into market upon the popularity of the only true article, which now sustains an enviable reputation, which it has acquired by nearly sixteen years use in the United States and Canada. Its increasing demand and wonderful success, in the CURE OF ALL FLESH, and HORSES in particular, induced some persons to ATTEMPT its imitation in various ways, WHICH IS CONVINCING PROOF OF ITS INTRINSIC VALUE.

The most unblushing knavery however, is practised by certain mercenary dealers who are imposing upon the victims of their avarice, a counterfeit for the GENUINE Gargling Oil. The possible sacrifice of the life or property of a fellow man is a secondary consideration with these unprincipled druggists. Who, then, can be safe? Man may they not be guilty of [illegible] any or all other medicines of known reputation? What confidence can you place in them?

The proprietor would therefore caution those who purchase. *Be sure that the name of the proprietor is in his own handwriting over the cork, and these words are blown in the glass of the bottle*—G. W. Merchant, Lockport, N. Y." who is the ONLY LEGITIMATE PROPRIETOR. None other can be genuine. This is done that the public may not throw away their money for a worthless and counterfeit article.

All orders addressed to the proprietor will be promptly responded to.

Get a Pamphlet of the Agent, and see what wonders are accomplished by the use of this medicine.

Sold by respectable dealers generally, in the United States and Canada. Also by,
