novel cigar is lit in the usual manner,

Quebec stableman, was found dead in his bed on Monday. On the previous by means of which telegraphic commuvening he was sent on a message to a ghboring grocery where a number of afers were congregated, who forced the old man to partake of so much trong liquor for their amusement that he had to be carried home and put to bed ,from which he never rose.

-Professor Garner, wno has gone to Africa to study the language of the gorlla and the chimpanze, says he will not eturn until he has secured sufficient phonographic records of the speech of these great two types of monkey life to e able to settle definitely the subject of nonkey language. He has, so far in 12 years' study, been able to reproduce which are intelligible to monkeys. They Paris. ere sounds expressive of a desire for ood, for drink, and of terror.

How to title vorus. It is one of the easiest things in the world to cure a corn. Do not use acids or other crustic preparations, and don't cut achole in your boot. It is simply to apply Putman's Painless Corn Extractor, and in three days the corn can be removed without pain. Sure, safe, painless. Take only Putman's Corn the transfer of the present of the present

A Pathetic Farewell-

A minister in the country recently ok permanent leave of his cougregation in the following manner:-"Brohers and sisters, I come to say goodbye. I don't think God loves this church much, because nope of you eve die. I don't think you love each other, because I never marry any of you. I don't think you love me, because you have not paid my salary, and your donations are mouldy fruit and wormy apples, and by their fruits ye shall you. Good-bye.'
